## **State Treasurer Fiona Ma Appoints John L. Sheldon as Deputy Treasurer**

### ***Municipal Finance Veteran Brings Three Decades of Experience to State Treasurer's Office***

**SACRAMENTO** – State Treasurer Fiona Ma has appointed John L. Sheldon as Deputy Treasurer in the State Treasurer's Office (STO). Sheldon brings more than 30 years of experience in public finance and joins the STO from Morgan Stanley, where he served as Managing Director for the Municipal Securities Division and led a team of approximately thirty professionals based in nine offices throughout the country.

Sheldon has helped state and local government debt issuers raise over \$100 billion in capital for infrastructure and other projects over his banking career and has served as a lead banker to the State of California for almost 20 years.

"This position requires an experienced financial practitioner with a thorough understanding of municipal finance markets," said Treasurer Ma. "John's three-decade career, distinguished resume, and highly regarded reputation made him a perfect fit for this position, and I look forward to working with him in this capacity."

As Deputy Treasurer, Sheldon will advise Treasurer Ma on economic and financial matters, including the state's sale of bonds and investment of funds. He will also oversee the Public Finance, Investments, and Centralized Treasury and Securities Management Divisions, as well as the California Debt and Investment Advisory Commission, which the treasurer chairs. Sheldon replaces Juan Fernandez, who retired in February.

"I am honored that Treasurer Ma offered me this opportunity to serve in her administration for the State where I grew up and lived most of my life. There is a lot to learn but I believe my background and experience will help me come up to speed quickly to benefit the STO team and the State."

Prior to joining Mongan Stanley, Sheldon was Vice President for Public Finance at Rauscher Pierce Refsnes, Inc. He also held positions at Prudential Securities and T. Rowe Price Realty Advisers.

Sheldon holds an MBA in finance and public policy & management from The Wharton School at the University of Pennsylvania, and a bachelor's degree in mathematics, with a minor in economics, from Occidental College.
