# INTRODUCTION

Constitutional and statutory provisions require voters to authorize general obligation (GO) bonds issued by state and local governments. For bonds issued by the state, the authorization must be made through a statewide election. Local bonds must be approved by voters within the jurisdiction authorizing the bond. The state and local governments must also seek voter approval for levies of certain revenue exactions and taxes. For both state and local measures, the voter approval threshold depends on the type and purpose of the bond or tax (see Figure 1).

After each statewide election, the California Debt and Investment Advisory Commission (CDIAC) publishes a statistical summary and review of bond and tax measures appearing on state and local ballots. This report, the 28<sup>th</sup> in the series, summarizes the results of bond and tax measures on the June 3, 2014 Primary Election ballot. This report also contains appendices which summarize the measures by county, region, type of tax/debt and purpose.

- **VOLUME OF APPROVED MEASURES.** Voters approved nearly \$3.8 billion in GO bond measures.
- **K-12 EDUCATIONAL FOCUS.** 87.8 percent of the GO bond measures were for K-12 education (Figure 4).

## Proposition 41: Veterans Housing and Homeless Prevention

65.4 percent of voters approved this GO bond measure. Approval of this measure, which required a majority vote to pass, will redirect \$600 million from a \$900 million bond that was previously approved in 2008. The purpose of Proposition 41 is to rehabilitate housing for homeless veterans. Funds approved for Proposition 41 will be used to fund multifamily housing for low-income and homeless veterans and their families.

- **PURPOSE OF TAXES.** Most of the tax measures were special taxes for various purposes, such as fire protection, emergency medical services, police services, K-12 school programs/facilities and other miscellaneous purposes. The remaining measures were for general government and capital improvements (Figure 6).

## RESULTS BY REGION

The election results also are divided into five regions: Bay Area, Central Valley, Los Angeles, San Diego/Inland Empire, and Other (Figure 7).
