Ms. Stanton reported that there is a legislative update. On September 11th SB 315 CHAMP Sequel was amended coming out of the Appropriations Committee and joined with AB 648, which is for virtual dental services. The amendments moved the grant administration from the Department of Public Health to CHFFA and that \$3 million (of the \$6.5 million in SB 315) from the HELP II program be used as one-time funds for AB 648. There will be conversations in the upcoming weeks on expectations and how the program would work.

Ms. Stanton noted she attended the NAHEFFA Fall conference in Seattle, Washington.

Judith Frank recused herself from agenda item #4 because of her investment interest in Wells Fargo Bank, who will be bond trustee and party to a bond indenture with the Authority.

Item #4

Sutter Health, Sacramento, California Resolution No. 407

Brock Lewis, staff analyst introduced representatives from Sutter Health. Bond proceeds would be used to refund all outstanding California Statewide Communities Development Authority Series 2005A Revenue Bonds. Sutter expected the net present value savings resulting from the refunding of the Series 2005A bonds to be approximately \$19.0 million.

Representing Sutter Health: Svend Ryge, Vice President and Treasurer and Jonathan Ma, Vice President, Morgan Stanley.

Mr. Lewis noted the following two corrections to the Staff Report and one correction to the Resolution:

- Under the “Particular Facts to Note” section on page 8 of the Staff Report, the first bullet point should read, “...to approximately “\$887 million in FY 2013...” as opposed to “...to approximately \$887 in FY 2013...” Under the “Particular Facts to Note” section on page 10 of the Staff Report, the first bullet point should read, “...Sutter’s contribution of approximately \$240 million...” as opposed to “...Sutter’s contribution of approximately \$140 million...”
- Under SECTION 1 on page 2 of the Resolution, the Series name of the bonds should read, “...Series 2015A...” as opposed to “...Series 2015...”

Staff recommended the Authority approve Resolution No. 407 in an amount not to exceed \$212,000,000 subject to the conditions in the resolution, including a rating of at least investment grade by a nationally recognized rating agency.

Chairperson Brown asked for public comment. There was none.

Item #7

**Resolution of the California Health Facilities Financing Authority
Relating to the Approval of an Interagency Agreement with the
State Treasurer’s Office for Fiscal Year 2015-2016
in the Amount of \$462,377, Resolution No. 2015-06**

Matthew Saha, staff analyst, presented the Interagency Agreement. Resolution No. 2015-06 authorizes the execution of an Interagency Agreement with the State Treasurer’s Office (STO) to provide support services, including accounting, budgeting, data processing, information technology (IT), personnel and business services to the Authority for the Fiscal Year 2015-16.

Mr. Saha reported the Authority executes an Interagency Agreement for each fiscal year. He stated that the Authority relies on the STO for the expertise and staff necessary to perform services that would otherwise require substantial additional staffing and expense by the Authority.

Mr. Saha stated that the Fiscal Year 2015-16 proposed contract amount is \$462,377, reflecting an increase of 70.6% from the prior year. He stated that this increase over 2014-15 is primarily due to additional IT costs. The contract amount is derived from a formula that allocates costs based on the number of staff at the Authority as a percentage of the total number of staff for all boards, commissions, and authorities receiving services from the STO.

Staff recommended approval of the proposed Interagency Agreement.

Chairperson Brown asked for public comment. There was none.
