("AUTHORITY")**

Resolution No. 2017-06

Interagency Agreement with the State Treasurer's Office

October 26, 2017

Resolution No. 2017-06 would authorize the execution of an interagency agreement with the State Treasurer's Office ("STO") to provide support services, including accounting, budgeting, data processing, information technology, personnel, and business services to the Authority for fiscal year 2017-18.

The Authority relies on the STO for the expertise and staff necessary to perform services that would otherwise require substantial additional staffing and expense by the Authority. The Authority executes an interagency agreement with the STO for each fiscal year.

The proposed interagency agreement amount for fiscal year 2017-18 is \$458,142, reflecting an increase of 3% from the prior fiscal year. The interagency agreement amount is derived from a formula that allocates costs based on the number of staff at the Authority as a percentage of the total number of staff for all boards, commissions, and authorities receiving services from the STO.

Staff recommends approval of the proposed interagency agreement.
