The featured public agencies, service providers, manufacturers, installers, and operators of electric vehicle charging infrastructure have agreed to make themselves available to participating financial institutions in order to answer questions or provide background information that may be useful to Participating Financial Institutions and other stakeholders in looking at opportunities in the financing of this type of equipment. Please note that inclusion on the list does not in any way constitute an endorsement or recommendation by CPCFA, and Participating Financial Institutions are strongly urged to contact more than one of the listed entities in conducting whatever due diligence they deem necessary.

If you are a public agency or a service provider, manufacturer, installer, or operator of electric vehicle charging infrastructure and would like to be included in this list, please contact CalCAP staff at (916) 654-5610 or CalCAP@treasurer.ca.gov.

For a list of participating lender please refer to <http://treasurer.ca.gov/cpcf/calcap/evcs/lenders.pdf>
