*Review of Administrative Performance for the ScholarShare College Savings Plan for  
First Quarter 2016*

---

***Background***

The ScholarShare Investment Board (SIB or Board) reviews TIAA-CREF Tuition Financing, Inc.'s (TFI) administrative performance for the ScholarShare College Savings Plan (Plan) relative to pre-established performance criteria. These administrative performance criteria (Benchmarks) serve as performance goals for customer service areas such as correspondence and customer relationships, confirmation and statements, enrollment kit processing, check processing, account processing, website, call center, tax reporting, and systems.

TFI has provided its quarterly administrative performance report comparing its performance during the first quarter of 2016 to the Benchmarks adopted by the Board. For the first quarter, TFI did not underperform (by more than two percent) in any performance areas.
