A. PURPOSE AND DESCRIPTION OF SERVICES

1. Introduction

The California Alternative Energy and Advanced Transportation Financing Authority (“CAEATFA” or the “Authority”) seeks proposals from qualified technical advising firms to provide technical and subject matter expertise, recommendations, and deliverables related to energy efficiency, clean energy measures and energy technology, decarbonization, quality assurance and control of program parameters, program operations, and the California energy policy landscape, specific to energy retrofits on existing buildings across multiple building sectors (e.g. single family, commercial, and multifamily) as they relate to the continued implementation of the CHEEF Programs (the “Programs”). CAEATFA is also seeking services for energy savings calculations and geographic analysis and reporting.

This Contract will include providing analytical and advisory support along with key deliverables related to development, implementation, and reporting.

All proposals submitted for performance of these services must explain the experience and qualifications that demonstrate the firm’s ability to provide such services. In addition, the firm may be requested to provide other services and industry technical assistance, on an as-needed basis, to better inform program implementation, design, and risks.

The selection of the qualified advisor (“Contractor”) will be based not only on the proposed fees, but also on assurances that the selected firm will be technically and professionally capable of providing a reasonable level of competent and responsive service to CAEATFA in all subject areas described in the Scope of Work (Section A.4.). Proposals should clearly specify how the firm meets each of the Minimum Qualifications for Proposers (Section B). The firm must be free from actual conflicts of interest not only at the time of selection, but also throughout the term of the Contract.

All proposals submitted to perform these services must explain the experience and qualifications of the firm which demonstrate the firm’s ability to provide these services. Failure to provide all of the requested information, or deviation from the required format, may result in disqualification. CAEATFA reserves the right to reject any or all proposals.

CAEATFA anticipates entering into a three-year Contract (the “Contract” or “Agreement”). The Contract amount **may not exceed Two Hundred Ninety-Nine Thousand, Nine Hundred Ninety-Nine Dollars (\$299,999.00)** for the entire service term.

Attached as Section F hereto is a proposed sample Contract for the services to be provided pursuant to this RFP. It includes the STD 213 Standard Agreement and other standard contract provisions to which the selected Contractor will be bound.

2. CAEATFA Background and Overview

CAEATFA works collaboratively with public and private partners to provide innovative and effective financing solutions for California’s industries, including access to low-cost financing through private activity tax-exempt bonds and loans, and other forms of financial assistance. CAEATFA assists in reducing the state’s greenhouse gas emissions by increasing the development and deployment of renewable energy sources, energy efficiency, and advanced transportation and manufacturing technologies to reduce air pollution, conserve energy, and promote economic development and jobs. CAEATFA is housed within the office of the State Treasurer.

CAEATFA’s Board consists of five members: the State Treasurer, who serves as Chair of the Authority; the State Controller; the Director of the Department of Finance; the Chair of the California Energy Commission (“CEC”); and the President of the California Public Utilities Commission (“CPUC”). CAEATFA’s enabling legislation is contained in the California Alternative Energy and Advanced Transportation Financing Authority Act (Division 16 (commencing with Section 26000) of the Public Resources Code).

3. Energy Efficiency Financing Programs Background and Overview

The California Hub for Energy Efficiency Financing was first authorized by the California Public Utilities Commission in Decision (D.)13-09-044 (September 2013), as later modified by D.15-06-008, D.15-12-002, D.17-03-026 and D.21-08-006. The financing Programs were established to “test new and innovative strategies to help leverage ratepayer and private financing to assist in achieving our aggressive energy efficiency goals, as later articulated by Senate Bill 350 (DeLéon, 2015) which calls for a doubling of energy efficiency in buildings by 2030.”¹ The Programs focus on attracting and leveraging private capital, given that we cannot meet the State’s energy efficiency goals using traditional approaches of Investor-Owned Utility (IOU) rebates and incentives, or on ratepayer or taxpayer dollars alone.

In August of 2021, the CPUC authorized CAEATFA to administer the Programs through fiscal year 2026-27 and authorized up to an additional \$75 million in funding for the 5-year period. In October 2021, the CPUC approved a budget submitted by CAEATFA and the IOUs that included \$31 million in operational spending including statewide marketing and \$44 million in credit enhancements to be used to leverage private capital over the 5 years. D.21.08.006 also gave CAEATFA the authority to expand the Programs to non-IOU customers, provided that CAEATFA could find non-IOU ratepayer sources of funding to cover the incremental costs of expansion.

In 2022 CAEATFA secured funding from the TECH Initiative to expand the program to include electric only measures in Publicly Owned Utilities (POU) territories. In 2024, CAEATFA reached an agreement with the California Energy Commission’s Equitable Building Decarbonization program to utilize California Climate Investment funds to continue offering the electric measures in POU territories. In addition, these funds will be used to implement an interest rate buy-down (IRBD) program to reduce interest rates to zero for qualifying borrowers in Low Income/Disadvantaged Communities (LI/DAC).

Primarily, the Programs are designed to:

- (a) Attract a greater amount of private capital to the energy efficiency and generation market by mitigating risk for lenders
- (b) Broaden the availability of financing to individuals who might not have been able to access it otherwise
- (c) Address the upfront cost barrier to energy efficiency and generation projects

CAEATFA currently administers three energy efficiency financing programs under the CHEEF:

- **GoGreen Home Energy Financing (GoGreen Home)**, the oldest and best established of the three CHEEF programs, launched in 2016 and serves residential properties. The program currently has nine participating lenders and a network of over 1,200 contractors that offer this financing to customers across the state. As of November 2024, 9,732 projects worth just under \$153 million have been financed through the program. There is expectation from the CPUC that GoGreen Home will scale significantly over the next five years due to factors that include the addition of clean energy generation measures following CPUC decision 23-08-026.
- **GoGreen Business Energy Financing (GoGreen Business)**,: Launched in 2019, GoGreen Business supports small business energy upgrades and has financed 71 projects as of the end of November 2024. There are 222 participating contractors and project developers in this program and nine finance companies that offer a variety of financing products, including loans, leases, and energy service agreements. Uptake has been slow given the economic uncertainties resulting from COVID-19 on and rapidly rising interest rates as well as challenges with integrating the financing offering into existing IOU energy efficiency programs. The program is currently running

¹ D. 17-03-026, page 2.

an interest rate buy-down promotion and has launched an on-bill repayment feature in three of the four IOU service areas with hopes of having all four IOUs with On-bill Repayment (OBR) available in 2024. The GGB program has also updated regulations to qualify clean energy generation and storage measures for financing, and to allow for other sources of funding. Growth will require successful integration with other efforts to educate small business owners about the potential of energy efficiency projects, such as energy efficiency programs administered by the IOUs, Regional Energy Networks (RENs) or Community Choice Aggregators (CCAs).

- **GoGreen Affordable Multifamily Energy Financing (GoGreen Multifamily)**, formerly known as the Affordable Multifamily Energy Efficiency Financing Program or AMF: GoGreen Multifamily has been offering financing since 2019 but has had limited uptake. GGB and GGMF have been merged into a single set of regulations allowing participating lenders to combine loss reserves for all types of projects. Program staff have been working with other stakeholders to provide combined financing and incentive funding into attractive offerings for AMF property owners. .

Credit Enhancement: These programs each leverage a credit enhancement (a financing mechanism that reduces risk for participating lenders) in the form of a loss reserve to improve rates and terms available to borrowers. In exchange, participating lenders are able to offer lower interest rates, longer payback terms, and broader approval criteria (e.g., lower minimum credit scores) than their market-rate products through these programs.

New Programs: In addition to the above Programs, CAEATFA has updated program regulations to allow for alternate sources of funding and is working with the California Energy Commission, the US EPA's National Clean Investment Fund, and other funding providers to allow for new program approaches including interest rate buy-downs, loan participation, large commercial and government customers, and expanded offerings outside of IOU territories.

Marketing: CAEATFA has found that financing does not create demand for energy efficiency projects - it removes a barrier. Customers generally do not take on energy efficiency projects because financing is available. Customers who may have wanted or needed to take on a project are more likely to do so and/or to take on an efficient one if they have access to attractive financing. Attractive financing eliminates the "first cost" barrier faced by many customers and often makes these projects feasible.

GoGreen Financing is the platform used to promote the programs and financing options to customers. Information housed on [GoGreenFinancing.com](https://www.go-green-financing.com) is targeted to customers, contractors, and finance companies. Features on the site allow users to find a contractor based on preferred criteria, access information on available financing options, and learn more about the programs in general.

Project Partners:

In addition to the CPUC and the IOUs, CAEATFA works closely with several vendors to implement the Programs.

- The **OBR Servicer** (OS) The OS will process on-bill repayment transactions in conjunction with the IOUs. On September 26, 2024, Concord Servicing LLC began providing services under a new eighteen-month contract with an option to extend for up to eighteen months at CAEATFA's discretion.
- The **Trustee Bank** holds the ratepayer funds provided by the IOUs to serve as Credit Enhancements (CE) under the various Pilot Programs. CAEATFA provides direction to the Trustee Bank to transfer CE funds between various accounts. On January 1, 2024, Zions Bank continued providing services under a new three-year contract.
- The **Contractor Manager** conducts outreach to potential participants, enrolls and manages contractors in the GoGreen Home and GoGreen Business Programs, provides support and assistance to enrolled contractors, and conducts quality control oversight of projects not participating in an IOU rebate/incentive program. On May 31, 2022, the Electric & Gas Industries

Association began providing services under its new three-year contract with an option for two additional one-year extensions at CAEATFA's discretion.

CAEATFA may reject any or all proposals and may waive any immaterial deviation in a proposal. CAEATFA's waiver of an immaterial deviation shall in no way modify the proposal document nor excuse the proposer from full compliance with all requirements if awarded the Contract.
- k. Costs for developing proposals and in anticipation of award of the Agreement are entirely the responsibility of the proposer and shall not be charged to CAEATFA or the State of California.
- l. An individual who is authorized to bind the proposing firm contractually shall sign the Proposal/Proposer Certification Sheet (Attachment 2). The signature must indicate the title or position that the individual holds in the firm. An unsigned proposal may be rejected.
- m. A proposing firm may modify a proposal after its submission by withdrawing its original proposal and resubmitting a new proposal prior to the proposal submission deadline as set forth in the Key Action Dates. The submission of a new proposal must comply with requirements of this section. Proposal modifications offered in any other manner, oral or written, will not be considered.
- n. A proposer may withdraw its proposal by submitting a written withdrawal request, signed by the proposer or an authorized agent, to CAEATFA at the address identified in Item 4.e. above. A proposer may thereafter submit a new proposal prior to the proposal submission deadline. Proposals may not be withdrawn without cause after the proposal submission deadline.
- o. CAEATFA may modify the RFP prior to the date fixed for submission of proposals by the issuance of an addendum to all parties who received an RFP package.
- p. CAEATFA reserves the right to reject all proposals. The agency is not required to award an agreement.
- q. Before submitting a response to this solicitation, proposers should review such response, correct all errors and confirm compliance with the RFP requirements.
- r. Where applicable, proposers should carefully examine work sites and specifications. No additions or increases to the Contract amount will be made due to a lack of careful examination of work sites and specifications.
- s. More than one proposal from an individual, firm, partnership, corporation or association, under the same or different names, will not be considered.
- t. The State does not accept alternate contract language from a prospective contractor. A proposal with such language will be considered a counter-proposal and will be rejected. The State's General Terms and Conditions (GTC 04/2017) are not negotiable.
- u. No oral understanding or agreement shall be binding upon either party.

- v. Conflict of Interest: The proposer/Contractor needs to be aware of the provisions regarding current or former state employees. If a Contractor has any questions on the status of any person rendering services or involved with the Contract, CAEATFA must be contacted immediately for clarification. (See Attachment 7, Contractor Certification Clauses (CCC 04/2017)).

5. Evaluation Process

- a. Each proposal will be date- and time-stamped as it is received; additionally, it will be verified that each proposal arrives properly sealed. Late proposals will not be accepted. Proposals shall remain confidential until the review process begins. At the time of proposal opening, each proposal shall be checked for the presence or absence of required information in conformance with the submission requirements of this RFP.
- b. CAEATFA staff shall evaluate each proposal to determine how responsive the firm is to the specific requirements contained in this RFP. Each proposal will be examined for the presence of required information as specified in the submission requirements of this RFP. The submission requirements are mandatory and failure to fully comply may be deemed grounds for automatic rejection.
- c. It is the proposing firm’s responsibility to provide sufficient information in the proposal to permit CAEATFA staff to make an accurate assessment of the firm’s ability to provide the services needed.
- d. If during the evaluation process CAEATFA staff is unable to assure itself of the proposing firm’s ability to perform under the Contract, (if Contract is awarded), CAEATFA staff has the option of requesting from the firm any information deemed necessary to determine the firm’s qualifications. The firm shall be notified if such information is required, and shall be permitted five working days to submit the requested information.
- e. If the information submitted by the proposing firm is insufficient to satisfy CAEATFA staff as to the firm’s suitability, CAEATFA staff may ask for additional information or reject the statement. The Authority’s determination of the firm’s qualifications shall be final.
- f. Proposals that contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the proposer, may be rejected.
- g. CAEATFA shall evaluate only those proposals from firms meeting the Minimum Qualifications for Proposers as defined in Section B as well as the Proposal Requirements in Section C.
- h. Award, if made, will be to the highest-scored responsive proposal.
- i. The proposals that meet the Minimum Qualifications for Proposers in Section B and the Proposal Requirements in Section C will be evaluated and scored according to the criteria indicated below. CAEATFA will only consider proposals scoring 85 or more points (within the good or excellent response percentage range shown below under “Percent of Maximum Score Allotted to Particular Weighted Criterion”). The selection will be made by an evaluation committee of CAEATFA on the basis of the following weighted factors (maximum points available for each criterion are noted).

Rating/Scoring Criteria

Maximum Possible Points

- | | |
|--|-----------------------------------|
| <ul style="list-style-type: none"> a. <u>Firm Qualifications and Experience</u>. CAEATFA will evaluate the firm’s overall experience as detailed in Firm Qualifications and Experience (Section C.3.c.) for demonstration of the firm’s ability and expertise to successfully complete the Scope of Work as described in Section A, specific to programs substantially similar to the CHEEF Programs. b. <u>Personnel Qualifications and Experience</u>. CAEATFA will evaluate the individuals (including already contemplated subcontractors) to be | <p>25 Points</p> <p>20 Points</p> |
|--|-----------------------------------|

assigned to the Contract on the basis of background and experience in related work, including any experience with similar types of programs, if applicable, as detailed in Personnel Qualifications and Experience (Section C.3.d.).

- c. Approach. CAEATFA will evaluate the firm’s understanding of the Scope of Work, focusing on the firm’s proposed approach (as detailed in Section C.3.e.) and tasks laid out to accomplish example deliverables in the Scope of Work. 25 Points

- d. Fee Schedule (Cost). CAEATFA will evaluate the actual fees proposed, including the reasonableness of rates, estimated cost detail and effectiveness (given value of services to be obtained), and cost effectiveness (given the experience and qualifications of firm and its personnel). For evaluation purposes, the Cost Proposal **must** include the proposer’s work plan and costs for the Sample Task Order from Attachments 5a and 5b as detailed in Cost Proposal Format and Requirements (Section C.3.f.). 30 Points

Maximum Total Possible Points 100 Points

The following scale will be used to score the responses to each scored category except costs:

Points Awarded	Interpretation	General Basis for Point Assignment
100%	Exceptional	Category is addressed with the highest degree of confidence. Response exceeds the needs, requirements, and/or expectations with superior background, experience, expertise.
80%	Excellent	Response fully meets the needs, requirements, and/or expectations with a high degree of confidence. Proposal offers one or more enhancing feature, method, or approach exceeding basic expectations.
60%	Good	Response addresses the category being scored. Good degree of confidence with minimal weaknesses.
40%	Adequate	Response is adequate to meet the needs, requirements, and/or expectations. Any omissions, flaws, or defects, are inconsequential and acceptable.
20%	Minimally Adequate	Minimally addresses the category being scored, but one or more major considerations of the category are not addressed or are addressed in such a limited way that it results in a low degree of confidence.
0%	Inadequate	Fails to address any portion of the category being scored. The omissions, flaws, or defects are significant and considered unacceptable.

- j. Cost Proposal Scoring. The lowest-cost proposal is awarded the maximum cost points (30 points). Other proposals are awarded cost points based on the following calculation:

$$\text{(Lowest Proposer's Cost/Other Proposer's Cost)} = \text{(factor)}$$

$$\text{Cost points for other Proposer} = \text{(factor)} \times \text{maximum cost points}$$

EXAMPLE: A maximum of 30 points is available

$$\begin{aligned} \text{Lowest Proposer's Cost Proposal} &= \$224,999 \\ \text{Other Proposer's Cost Proposal} &= \$299,999 \end{aligned}$$

$$\begin{aligned} \text{(Lowest cost proposal / other cost proposal)} &= \$224,999/\$299,999 = .75 \\ \text{(Cost points awarded to other proposal)} &= .75 \times 30 = 22.5 \text{ points} \end{aligned}$$

- k. As part of its final evaluation process, CAEATFA may request oral presentations. If this option is exercised, CAEATFA shall provide the proposing firms with at least a 72-hour notice. Presenters from the firm(s) must include the personnel who shall have primary responsibility for the services under the Contract.

CAEATFA reserves the right to:

- Request an interview with, and additional information from, proposing firms prior to final selection.
- Select the Contractor that, in CAEATFA's judgment, shall best meet the needs of CAEATFA, regardless of differences in estimated costs between proposals.
- Consider information about a proposing Contractor in addition to the information submitted in the proposal or interview.

- l. Tiebreaker.

- i. In the event two (2) or more responsive and responsible proposers earn the highest score, the Agreement will be awarded to the responsive and responsible proposal earning the higher score in Approach. If the scores for Approach are the same, the contract will be awarded to the responsive and responsible proposal earning the higher score in the Firm Qualifications and Experience. If the scores in the Firm Qualifications and Experience are the same, the contract will be awarded to the responsive and responsible proposal earning the higher score for the Fee Schedule (Cost).
- ii. In the event of a precise tie between the low responsible bid of a certified small business and the low responsible bid of a certified disabled veteran owned business that is also a small business, the Agreement must be awarded to the disabled veteran owned small business according to the State Contracting Manual, Volume 1, Chapter 8.21.C.

6. Award and Protest

- a. Notice of the proposed award(s) shall be posted in a public place in the office of CAEATFA, 901 P Street, Sacramento, CA 95814 and on the following Internet site for five (5) working days prior to awarding the Contract(s): <http://www.treasurer.ca.gov/CAEATFA>.
- b. If any proposing firm, prior to the award of the Contract(s), files a protest with CAEATFA and the Department of General Services, Office of Legal Services, 707 Third Street, 7th Floor, West Sacramento, CA 95605, on the grounds that the (protesting) firm would have been awarded a Contract had CAEATFA correctly applied the evaluation standard in the RFP, or had CAEATFA followed the evaluation and scoring methods in the RFP, the Contract(s) shall not be awarded until either the protest has been withdrawn or the Department of General Services has decided the matter.
- c. An initial written statement of protest, including the RFP Number, the name of the State Agency, and the contact person listed within the RFP, should be submitted to:

CAEATFA
Attention: Jennifer Gill
P.O. Box 942809
Sacramento, CA 94209
caeatfa@treasurer.ca.gov

DGS, Office of Legal Services
Attention: Protest Coordinator
707 Third Street, 7th Floor, Suite 7-330
West Sacramento, CA 95605
OLSProtests@dgs.ca.gov

- d. If submitting the initial written statement of protest via mail, it is suggested that the firm do so by certified or registered mail.
- e. Within five (5) days after filing the initial protest, the protesting firm shall file with the Department of General Services, Office of Legal Services and CAEATFA a full and complete written statement specifying the grounds for the protest.

- f. If the protest is based on permissible grounds, DGS will decide the protest and prepare a written decision within 30 days of the final submission of evidence.

7. Disposition of Proposals

- a. Upon proposal opening, all documents submitted in response to this RFP will become the property of CAEATFA and the State of California, and will be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.) and subject to review by the public. The State cannot prevent the disclosure of public documents. However, the contents of all proposals, correspondence, agenda, memoranda, working papers, or any other medium which discloses any aspect of a proposer's proposal shall be held in the strictest confidence until the letter of Intent to Award Contract is posted.

8. Agreement Execution and Performance

- a. Performance shall start not later than fifteen (15) days after the express date set by CAEATFA and the selected Contractor, after all approvals have been obtained and the Agreement is fully executed. Should the Contractor fail to commence work at the agreed-upon time, CAEATFA, upon five (5) days' written notice to the Contractor, reserves the right to terminate the Agreement. In addition, the Contractor shall be liable to CAEATFA for the difference between the Contractor's proposal price and the actual cost of performing work by another contractor.
- b. All performance under the Agreement shall be completed on or before the termination date of the Agreement.

D. PREFERENCE AND INCENTIVE PROGRAMS

1. Small Business or Microbusiness Preference (<https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise/Certification-Program>)

A five percent (5%) preference will be applied to certified small business firms submitting proposals (See Attachment 13). To obtain the preference, firms must be certified as a small business at the time the proposal is submitted. The firm MUST include an updated copy of its Small Business Certificate to obtain the preference. The 5% preference is issued only for computation purposes to arrive at the successful firms and does not alter the amounts of the actual proposals. Once each proposal has been scored, if the highest responsible firm is not a certified small business or microbusiness, 5% of the highest scoring proposal is added to the total "earned" points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the Office of Small Business & DVBE Services ("OSDS") at (916) 375-4940 or can be found at the website listed above.

2. Non-Small Business or Microbusiness Preference (<https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise/Certification-Program>)

A five percent (5%) proposal preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation (See Attachment 14). If claiming the non-small business subcontractor preference, the proposal response must include a list of the small business(es) with which the firm commits to subcontract in an amount of at least 25% of the net proposal price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the Contract as defined in Government Code Section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the proposal response and must include the following: 1) subcontractor name, 2) address, 3) phone

number, 4) a description of the work to be performed and/or products supplied, and 5) the dollar amount or percentage of the net proposal price (as specified in the solicitation) per subcontractor.

Firms claiming the 5% preference must commit to subcontract at least 25% of the net proposal price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. on the proposal due date, and the OSDS must be able to approve the application as submitted. Questions regarding certification should be directed to the OSDS at (916) 375-4940.

The preference to a non-small business firm that commits to small business or microbusiness subcontractor participation of 25% of its net proposal price shall be 5% of the highest responsive, responsible firm's total score. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

3. Disabled Veteran Business Enterprise (DVBE) Incentive Program – OPTIONAL

Mandatory California Disabled Veteran Business Enterprise (DVBE) Program Participation has been waived for this proposal.

This solicitation provides an incentive for DVBE participation. The Department of General Services ("DGS") established a DVBE incentive pursuant to Senate Bill 115, Chaptered October 3, 2005 and the Military and Veterans Code section 999.5(a). The regulations apply to all competitive solicitations for public works, services, goods, and information technology goods and services posted or released after October 9, 2007. The DVBE incentive is required in solicitations that include DVBE program requirements and may be offered in other competitive solicitations. Department of General Services' policy implements this program by rewarding prime proposers for increased DVBE participation: the more DVBE participation, the greater the incentive. This incentive program helps State agencies to meet their annual DVBE participation goals.

Attachment 15 outlines the DVBE Incentive Program. Proposers seeking the DVBE incentive must submit a completed DVBE Declarations form (DGS PD 843) that demonstrates DVBE participation and qualification for a DVBE incentive, with proposal submittal. All disabled veteran owners and disabled veteran managers of the DVBE(s) must sign the form(s). The DVBE Incentive participation is *optional* and at the discretion of the proposing firm.

NOTE: For this solicitation, the Incentive application is based on the High Score Method and shall not exceed five percent (5%) of the total score (See Attachment 15).

Any contract awarded to a company committing to subcontract with a certified DVBE will follow requirements as provided in MVC 999.7 including compliance with the Std. 817 reporting process, and permanent withholds and deductions for non-compliance.

4. Target Area Contract Preference Act (TACPA)

This RFP provides for an optional TACPA preference. The TACPA program was established to stimulate business investments in distressed areas of the State and create job opportunities for Californians. Proposing companies are not required to apply for this preference. Both the TACPA workplace and workforce preferences will be evaluated for this solicitation.

Workplace preference – TACPA provides a 5 percent (5%) preference for a California business that is located in a qualified zone.

Workforce preference – TACPA provides a 1 - 4 percent (1-4%) preference for a California business that employs persons with a high risk of unemployment (Government Code Section 4532)

- 1% for 5-9% of workforce
- 2% for 10-14% of workforce
- 3% for 15-19% of workforce
- 4% for 20% or more of workforce

Proposing companies wishing to take advantage of the TACPA preference will need to review the following website and submit the appropriate documents with the proposal response: (<https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Request-a-Target-Area-Contract-Preference>)

TACPA Preference Request ([STD 830](#))

Bidder's Summary of Contract Activities and Labor Hours ([TACPA Form 526](#))

CAEATFA will send the applicable TACPA request documents to the Department of General Services, Procurement Division, Dispute Resolution Unit. TACPA preference requests are typically reviewed and processed by DGS within five (5) business days. If an award of this agreement is made based on the TACPA preference, DGS will monitor compliance directly with the Contractor throughout the life of the contract.

Your role as an advisor to CAEATFA pursuant to the Contract specific to the California Hub for Energy Efficiency Financing (CHEEF) Program will include development and implementation of a list of eligible onsite generation and battery storage measures for the GoGreen Home and GoGreen Business Programs.

Your services under this task order will include:

SMALL BUSINESS OR MICROBUSINESS PREFERENCE

(If Applicable)

Small Business or Microbusiness Preference – <https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise/Certification-Program>

A five percent (5%) preference will be applied to certified small business firms submitting proposals. To obtain the preference, firms must be certified as a small business at the time the proposal is submitted. The firm MUST include an updated copy of their Small Business Certificate to obtain the preference. The 5% preference is issued only for computation purposes to arrive at the successful firms and does not alter the amounts of the actual proposals. Once each proposal has been scored, if the highest responsible firm is not a certified small business or microbusiness, 5% of the highest scoring proposal is added to the total “earned” points for each proposal submitted by a certified small business. These final numbers, with the 5% included, are then used to determine the highest scoring proposal.

Questions regarding the small business certification or preference approval should be directed to the Office of Small Business & DVBE Services (OSDS) at (916) 375-4940 or can be found at the website listed above.

ATTACHMENT 14

NON-SMALL BUSINESS OR MICROBUSINESS PREFERENCE

(If Applicable)

Non-Small Business Preference – <https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Office-of-Small-Business-and-Disabled-Veteran-Business-Enterprise/Certification-Program>

A five percent (5%) proposal preference is available to a non-small business claiming twenty-five percent (25%) California certified small business subcontractor participation. If claiming the non-small business subcontractor preference, the proposal response must include a list of the small business(es) with which the firm commits to subcontract in an amount of at least 25% of the net proposal price with one or more California certified small businesses. Each listed certified small business must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837(d)(4).

The required list of California certified small business subcontractors must be attached to the proposal response and must include the following: 1) subcontractor name, 2) address, 3) phone number, 4) a description of the work to be performed and/or products supplied; and 5) the dollar amount or percentage of the net proposal price (as specified in the solicitation) per subcontractor.

Firms claiming the 5% preference must commit to subcontract at least 25% of the net proposal price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. on the proposal due date, and the OSDS must be able to approve the application as submitted. Questions regarding certification should be directed to the OSDS at (916) 375-4940.

The preference to a non-small business firm that commits to small business or microbusiness subcontractor participation of 25% of its net proposal price shall be 5% of either the lowest, responsive, responsible firm's price or the highest responsive, responsible firm's total score. A non-small business, which qualifies for this preference, may not take an award away from a certified small business.

**CALIFORNIA DISABLED VETERAN BUSINESS ENTERPRISE (DVBE)
PROGRAM PARTICIPATION INSTRUCTIONS**

(If Applicable)

DVBE PARTICIPATION REQUIREMENT. The Disabled Veteran Business Enterprise (DVBE) Participation Goal Program for State contracts is established in Public Contract Code (PCC) section 10115 et seq., Military and Veterans Code (MVC) section 999 et seq., and California Code of Regulations (CCR), title 2, section 1896.60 et seq. **This solicitation DOES NOT include a minimum DVBE participation requirement. DVBE participation is NOT required in the proposal. However, a DVBE incentive will be applied as provided below.**

DVBE INCENTIVE. The State will apply a DVBE incentive for responsive proposals (herein “proposal” or “proposals”) from responsible proposers that propose DVBE participation. The DVBE incentive will vary in relation to the percentage of confirmed DVBE participation. The following percentages shall apply.

Confirmed DVBE Participation of	DVBE Incentive
5% and above	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

As applicable: (1) Awards based on low price – The DVBE incentive is applied by reducing the proposal price by the amount of DVBE incentive as computed from the lowest responsive proposal price submitted by a responsible proposer. The DVBE incentive is for evaluation purposes only. Application of the DVBE incentive shall not displace an award to a small business with a non-small business.

(2) Awards based on high score – The DVBE incentive is a percentage of the total possible available points, not including points for socioeconomic incentives or preferences. The DVBE incentive points are included in the sum of non-cost points. The DVBE incentive points cannot be used to achieve any applicable minimum point requirements.

DVBE PARTICIPATION COMMITMENT. Proposers seeking the DVBE incentive must submit a completed Disabled Veteran Business Enterprise Declaration, DGS PD 843, which demonstrates DVBE participation and qualification for a DVBE incentive. All disabled veteran owners and disabled veteran managers of the DVBE(s) must sign the form(s) which may be obtained through the following link:

https://www.documents.dgs.ca.gov/dgs/fmc/gq/pd/pd_843.pdf.

The completed form should be included with the submitted proposal.

DVBE participation information submitted by the intended awardee will be verified by the State. If evidence of an alleged violation is found during the verification process, the State or the Department of General Services, Office of Small Business and DVBE Services (OSDS) shall initiate an investigation in accordance with PCC section 10115 et seq., MVC section 999 et seq., and CCR, title 2, section 1896.60 et seq. Contractors found to be in violation of certain provisions may be subject to loss of certification, contract termination, and/or other penalties.

Only State of California OSDS certified DVBEs that perform a commercially useful function relevant to this solicitation may be used for the DVBE incentive and to comply with the DVBE Participation Goal Program. Please see MVC section 999(b) and CCR, title 2, section 1896.62(l) regarding the performance of a commercially useful function. Proposers are to verify each DVBE subcontractor’s certification with OSDS to ensure DVBE eligibility. Proposers cannot demonstrate DVBE incentive eligibility and DVBE Participation Goal Program compliance by performing a good faith effort.

At the State’s option prior to contract award, proposers may be required to submit additional written clarifying information. Failure to submit the requested written information as specified may be grounds for proposal rejection.

d. Other analysis and reporting as needed:

All deliverables will be consistent with the Scope of Work described herein. Specific deliverables, responsibilities, and timetables will be established by and between CAEATFA and the Contractor via Task Order. All Task Orders shall be made a part of the Contract.

"Task Order" is a contracting term that is broadly used by an entity that wishes to enter into contracts to acquire services when the exact quantities of future deliveries are not known at the time of Contract award. A Task Order will identify a "not-to-exceed" amount of compensation for a specific deliverable or service over a period of time. The selected Contractor will submit invoices (as described in Exhibit B) toward a specific task order. If needed, a Task Order may be amended as services or costs change, or new Task Orders can be created to incorporate additional specific services.

The selected Contractor will develop a work plan under each Task Order, to include:

- i. Project Name, Agreement Number and a description of services to be provided.
- ii. Name(s) of individuals(s) who will work on the project, their titles/classifications and billing rates to be charged per hour, and anticipated hours to be spent on each portion of the project.
- iii. Estimated reimbursable expenses: a "not-to-exceed" price for the defined work, and elements deemed necessary by the Contractor and the Executive Director or designee.
- iv. Deliverable items required during or at completion of the Task Order work assignment.

2. Term of Agreement

The term of the Agreement will be for a three-year period beginning May 1, 2025, through April 30, 2028 and may not exceed \$299,999.00 over the entire term of the agreement. The effective date is either the proposed award date (RFP No. CAEATFA06-24, Section C.1.), or the date of approval of the Agreement by DGS, whichever is later. Work shall not commence until the effective date.

(Standard Agreement)

SPECIAL TERMS AND CONDITIONS

1. Excise Tax

The State of California is exempt from federal excise taxes, and no payment will be made for any taxes levied on employees' wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another state.

2. Settlement of Disputes

In the event of a dispute, Contractor shall file a "Notice of Dispute" with a Deputy Treasurer of the State Treasurer's Office within ten (10) days of discovery of the problem. Within ten (10) days, the Deputy Treasurer shall meet with the representatives of Contractor and the State identified in Section 3 of Exhibit A for purposes of resolving the dispute. The decision of the Deputy Treasurer shall be final.

3. Evaluation of Contractor

Pursuant to Public Contract Code sections 10367 and 10369 within sixty (60) days after the completion of this Agreement, the State shall complete a written evaluation of Contractor's performance under this Agreement. If this Agreement is a contract for consultant services and if Contractor did not satisfactorily perform the work, a copy of the evaluation will be sent to the Department of General Services (DGS), Office of Legal Services, and to the Contractor within fifteen (15) working days of the completion of the evaluation in accordance with Public Contract Code section 10371.

4. No Agency Liability

The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

5. Potential Subcontractors

Nothing contained in this Agreement or otherwise, shall create any contractual relationship between the State and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the obligation of the State to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

6. Force Majeure

Neither party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or

**EXHIBIT D
(Standard Agreement)**

negligence of the offending party. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the State in its sovereign capacity, fires, floods, power failure, disabling strikes, epidemics, quarantine restrictions, and freight embargoes.

7. Waivers

No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party of any right, power, or privilege hereunder, nor any single or partial exercise of any right, power, or privilege hereunder, preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

8. Incorporation of Amendments to Applicable Laws

Any references to sections of federal or state statutes or regulations shall be deemed to include a reference to any amendments thereof and any successor provisions thereto.

9. Confidentiality

All financial, statistical, personal, technical, and other data and information relating to the operations of the State which are designated confidential by the State and become available to Contractor shall be protected by Contractor from unauthorized use and disclosure.

10. Titles/Section Headings

Titles and headings are for convenience of reference only and shall have no effect on the construction or legal effect of this Agreement.

11. Choice of Law

Notwithstanding Paragraph 14 of Exhibit C (General Terms and Conditions), this Agreement shall be administered, construed, and enforced according to the laws of the State of California (without regard to any conflict of laws provisions) to the extent such laws have not been preempted by applicable federal law. Any suit brought hereunder, including any action to compel arbitration or to enforce any award or judgment rendered thereby, shall be brought in state court sitting in Sacramento, California, the parties hereby waiving any claim or defense that such forum is not convenient or proper. Each party agrees that any such court shall have in personam jurisdiction over it and consents to service of process in any manner authorized by California law.

12. Notices

The parties agree that to avoid unreasonable delay in the progress of the services performed hereunder, Contractor and the State have designated in Paragraph Section 3 of Exhibit A specific staff representatives for the purpose of communication between the parties. Any notice or other written communication required, or which may be given hereunder shall be deemed given when delivered personally, or by mail three (3) days after the date of mailing, unless by express mail then upon the date of confirmed receipt, to the representatives named in Paragraph Section 3 of Exhibit A.

Either party hereto may, from time to time by notice in writing served upon the other as aforesaid, designate a different mailing address or a different or additional person to which all such notices or demands thereafter are to be addressed.

EXHIBIT D

14. Books and Records

Contractor shall keep accurate books and records connected with the performance of this Agreement for a period of at least three (3) years. Contractor shall ensure that books and records of subcontractors, suppliers, and other providers shall also be accurately maintained. Such books and records shall be kept in a secure location and shall be available for inspection and copying by the State and its representatives at any time.

15. Key Personnel

- a. A resume for each member of Contractor's staff who will exercise a significant administrative, policy, or consulting role under this Agreement is attached to this Agreement as Attachment 1 of Exhibit A. These members of Contractor's staff shall be hereafter referred to (both individually and collectively) as "Key Personnel."
- b. Contractor shall not substitute, replace, or reassign Key Personnel without the prior approval of the State.
- c. This Agreement may be terminated immediately, in the sole discretion of the State and upon written notice from the State to Contractor, because of any change in or departure of any of the Key Personnel.

16. Changes in Control, Organization or Key Personnel

Contractor shall promptly, and in any case within five (5) days, notify the State in writing: (i) if any of Contractor's representations and warranties, as set forth in this Agreement, cease to be true at any time during the term of this Agreement; (ii) of any change in Contractor's staff who exercises a significant administrative, policy, or consulting role under this Agreement, including without limitation any Key Personnel; (iii) of any change in the majority ownership, control, or business structure of Contractor; or (iv) of any other material change in Contractor's business, partnership or corporate organization. All written notices from Contractor under this provision shall contain sufficient information to permit the State to evaluate the changes within Contractor's staff or organization under the same criteria as was used by the State in its award of this Agreement to Contractor.

17. Insurance Requirements

Contractor warrants that it carries adequate liability, worker's compensation and other necessary insurance and shall maintain such insurance at levels acceptable to the State in full force and effect during the term of this Agreement. Contractor agrees to furnish satisfactory evidence of this insurance coverage to the State upon request.

18. Subcontractors

- a. Contractor shall perform the work contemplated by this Agreement with resources available within its own organization except for subcontracted work identified in this Agreement or other

**EXHIBIT D
(Standard Agreement)**

attachment incorporated hereto. No other portion of the work pertinent to this Agreement shall be subcontracted without written authorization by the State. The subcontractor must be mutually agreed upon in advance by both parties.

- b. Contractor shall require that any subcontractor agree to be bound by all provisions of this Agreement, as applicable.

19. Notice of Proceedings

Contractor shall promptly notify the State in writing of any investigation, examination or other proceeding involving Contractor, including any Key Personnel, commenced by any regulatory agency, which proceeding is not conducted in the ordinary course of Contractor's business.

20. Cumulative Remedies

The rights and remedies provided herein are cumulative and are not exclusive of any rights or remedies that any party may otherwise have at law or in equity.

21. Binding Effect

This Agreement, any instrument or agreement executed pursuant to this Agreement, and the rights, covenants, conditions and obligations of Contractor and the State contained therein, shall be binding upon the parties and their successors, assigns and legal representatives.

22. Publicity

No publicity release or announcement concerning this Agreement, or the transactions contemplated herein shall be issued by Contractor without advance written approval by the State.

23. Services or Procurement Resulting from Agreement

Neither Contractor, nor any of its subsidiaries, officers, or directors, may submit a bid or be awarded a contract for the provision of services, procurement of goods or supplies, or any other related action which is required, suggested, or otherwise deemed to be an outgrowth of the advice or recommendations that Contractor provides under this Agreement.

24. Agreement Does Not Violate Law

Contractor represents and warrants that neither the execution of this Agreement nor the acts contemplated hereby nor compliance by Contractor with any provisions hereof will:

- a. Violate any provision of the charter documents of Contractor;
- b. Violate any statute or law or ordinance or any judgment, decree, order, regulation or rule of any court or governmental authority applicable to Contractor; or
- c. Violate, or be in conflict with, or constitute a default under, or permit the termination of, or require the consent of any person under, any agreement to which Contractor may be bound, the violation of which in the aggregate would have a material adverse effect on the properties, business, prospects, earnings, assets, liabilities or condition (financial or otherwise) of Contractor.

EXHIBIT D
(Standard Agreement)

25. Power and Authority

Contractor represents and warrants that it has the power and authority to enter into this Agreement and to carry out its obligations hereunder. The execution of this Agreement has been duly authorized by Contractor and no other proceeding on the part of Contractor is necessary to authorize this Agreement. Contractor has completed, obtained, and performed all registrations, filings, approvals, authorizations, consents, or examinations required by any government or governmental authority for its acts contemplated by this Agreement.

26. Signature Authorization

The person signing this Agreement warrants that he/she is an agent of Contractor and is duly authorized to enter into this Agreement on behalf of Contractor.

27. Entire Agreement; Order of Precedence

- a. This Agreement, including documents that have been incorporated in this Agreement by reference, contains all representations and the entire understanding between the parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are replaced in total by this Agreement.
- b. In the event there are any inconsistencies or ambiguities among the terms of this Agreement and incorporated documents, the following order of precedence shall be used: (i) applicable laws; (ii) the terms and conditions of this Agreement, including exhibits and attachments; (iii) the Request for Proposal (RFP) if any; (iv) Contractor's response to the RFP if any; and (v) any other provisions, terms, or materials incorporated herein.

28. Termination at Option of the State

In addition to the provisions of Paragraph 7 of Exhibit C (General Terms and Conditions), this Agreement may be terminated in whole or in part at any time upon 30 calendar days' written notice by the State, for any reason. Upon receipt of a termination notice, Contractor shall promptly discontinue all services affected unless the notice specifies otherwise. In the event the State terminates all or a portion of this Agreement for any reason, it is understood that the State will provide payment to Contractor for satisfactory services rendered prior to the termination, but not in excess of the maximum amount of this Agreement.

29. Termination for Insolvency

Contractor shall notify the State immediately in writing in the event that Contractor files any federal bankruptcy action or state receivership action, any federal bankruptcy or state receivership action is commenced against Contractor, Contractor is adjudged bankrupt, or a receiver is appointed and qualifies. In the event of any of the foregoing events, or if the State determines, based on reliable information, that there is a substantial probability that Contractor will be financially unable to continue performance under this Agreement, the State may terminate this Agreement and all further rights and obligations immediately.

30. Completion

In the event of termination for default, the State reserves the right to take over and complete the work by contract or other means. In such case, Contractor will be liable to the State for any additional cost incurred by the State to complete the work whether reimbursed or not.

**EXHIBIT D
(Standard Agreement)**

31. Effect of Termination

All duties and obligations of the State and Contractor shall cease upon termination of this Agreement, except that:

- a. Each party shall remain liable for any rights, obligations, or liabilities arising from activities carried on by it under this Agreement prior to the effective date of termination; and
- b. Contractor shall provide for the return of all records of the State to the State or its designee and shall cooperate fully to affect an orderly transfer of services.

32. Termination for Expatriation

Contractor shall notify the State immediately in writing in the event that Contractor or its parent files any notice with the Securities and Exchange Commission that Contractor intends to reincorporate offshore. In the event of such notice, the State may terminate this Agreement and all further rights and obligations immediately by giving five (5) days' notice in writing in the manner specified herein.

33. Compliance With Political Reform Act

Contractor acknowledges that the State is subject to the provisions of the Political Reform Act (Government Code section 81000 et seq. and all regulations adopted thereunder, including, but not limited to, California Code of Regulations, title 2, section 18700 et. seq.) and Contractor shall comply promptly with any requirement thereunder. If required by law, Contractor shall require its personnel, including without limitation, its Key Personnel all later substitutions therefore, to file Statements of Economic Interests in compliance with the Conflict-of-Interest Code for the Office of the State Treasurer and the various boards, authorities, commissions, and committees chaired by the State Treasurer (California Code of Regulations, title 2, section 1897). All such reports shall be filed simultaneously with the State.

34. Darfur Contracting Act

Effective January 1, 2009, all Invitations for Bids (IFB) or Requests for Proposals (RFP) for goods or services must address the requirements of the Darfur Contracting Act of 2008 (Act). (Public Contract Code section 10475 et seq.) The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan of which the Darfur region is a part, for the reasons described in Public Contract Code section 10475.

A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for a contract with a State agency for goods or services. (Public Contract Code section 10477(a).)

Therefore, Public Contract Code section 10478(a) requires a company that currently has (or within the previous three years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from DGS according to the criteria set forth in Public Contract Code section 10477(b).

**EXHIBIT D
(Standard Agreement)**

35. Labor Neutrality Policy

The State recognizes the value of labor organizing and encourages the entities with which it contracts to demonstrate that they also value this principle by encouraging management neutrality in labor organizing activities.

To remain "neutral" means not to take any action or make any statement that will directly or indirectly state or imply any support for or opposition to the selection by the Contractor's employees of a collective bargaining agent, or preference or opposition to any particular union as a bargaining agent. Nothing in this section obligates or prohibits the Contractor from entering into private neutrality, labor peace or other lawful agreements with a labor organization seeking to represent or who currently represents the Contractor's employees.

36. Executive Order N-6-22 Russia Sanctions

The Contractor shall comply with Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine the Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide the Contractor advance written notice of such termination, allowing the Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

**EXHIBIT E
(Standard Agreement)**

ADDITIONAL PROVISIONS

1. Progress Payments

Progress payments are permitted for work completed under this Agreement. Ten percent (10%) of the invoiced amount may be withheld pending final completion of each task. Any funds withheld with regard to a particular task shall be paid upon completion of that task.

2. Conflict of Interest; No Profit

- A. Contractor certifies that its employees and the officers of its governing body shall avoid any actual or potential conflicts of interest, and that no officer or employee who exercises any functions or responsibilities in connection with this Agreement shall have any personal financial interest or benefit which either directly or indirectly arises from this Agreement.
- B. Contractor shall establish safeguards to prohibit its employees or its officers from using their positions for a purpose which could result in private gain or which gives the appearance of being motivated for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

EXHIBIT F
(Standard Agreement)

THIRD PARTY AGREEMENT PROVISIONS

The CHEEF Implementation Agreement (“**CHEEF IA**”) between CAEATFA and the four Investor-Owned Utilities (PG&E, SDG&E, SCE, and SoCalGas, each individually an “**IOU**” and collectively the “**IOUs**.”) sets forth the terms and conditions governing such activities necessary to implement, manage the flow of funds and data, develop regulations, and retain third-party service providers to support the energy efficiency financing pilot programs as directed by the California Public Utilities Commission (“**CPUC**”). Under the CHEEF IA, CAEATFA and each of the IOUs is sometimes referred to individually as a “**Party**” and together as the “**Parties**.” The CHEEF IA requires that CAEATFA ensure all third-party agreements necessary to establish and operate the CHEEF include the terms for the protection of the IOUs set forth in the following provisions. Capitalized terms used in this Exhibit but not defined herein shall have the meanings given in the Agreement.

1. Confidentiality and Data Protection

1.1 Definitions

1.1.1 “**Confidential Information and Property**” means all non-public, confidential or proprietary commercial or personal information or property of a Party or IOU, including without limitation Customer Data, disclosed or provided under this Agreement to any other Party or its agents, employees, officers, directors, partners, attorneys, accountants, contractors or providers (collectively, “**Representatives**”), whether disclosed or provided orally or disclosed, provided or accessed in written, electronic or other form of media, whether or not marked or otherwise identified as “confidential,” concerning, but not limited to, research, development, products, services, processes, designs, inventions, software, tools, reports, ratemaking, regulatory and legislative matters and practices of that Party, its parent company, subsidiaries, affiliates, or members of the public, including Customer Data provided by that Party. No confidential Customer Data shall be provided to Contractor except pursuant to a release of any such Customer Data in one or more forms provided by that IOU, as may be amended from time to time in that IOUs’ sole discretion, executed by that IOU’s customer to whom such Customer Data pertains (“**Release**”).

1.1.3 “**Contractor Personnel**” means any and all personnel furnished or engaged by the Contractor to perform any part of the Scope of Work, as defined in the Agreement (hereinafter “**Services**”), including employees and independent contractors of the Contractor and its Subcontractors.

1.1.4 “**Disclosing Party**” means the Party or, as applicable, the Contractor, that discloses its Confidential Information and Property to the Receiving Party pursuant to this Agreement.

1.1.5 “**Receiving Party**” means the Party or, as applicable, the Contractor, that receives Confidential Information and Property from the Disclosing Party pursuant to this Agreement.

EXHIBIT F
(Standard Agreement)

require Contractor Personnel to, access and use Confidential Information and Property solely for the purpose of performing the Services, but not otherwise. In addition, Contractor shall comply, and ensure that Contractor Personnel comply, with all Applicable Laws relating to the protection of Confidential Information and Property and Customer Data.

1.2.2 Contractor shall not, and shall ensure Contractor Personnel do not, use Confidential Information and Property or Customer Data (including any Customer Data received by Contractor pursuant to a Release) for Contractor's or Contractor Personnel's own benefit or for any purpose other than as expressly stated in this Agreement.

1.2.3 If Contractor receives any Customer Data pursuant to this Agreement without a Release, Contractor shall (1) provide written notice to CAEATFA and the relevant IOU within two (2) Business Days of discovering that the Customer Data was disclosed without a Release; (2) shall delay processing of any application related to an IOU customer to which the Customer Data pertains until Contractor receives such Release; and (3) treat any such Customer Data as Confidential Information and Property.

1.2.4 The foregoing confidentiality restrictions shall not apply to information which: (1) is previously known to a Receiving Party, prior to its receipt from Disclosing Party, (2) is independently developed by Receiving Party without use of the Confidential Information, (3) is acquired by it from a third party not participating in the CHEEF program, which was not, to the Receiving Party's knowledge, under an obligation to the Disclosing Party not to disclose such information, (4) is or becomes publicly available through no breach of this Agreement by the Receiving Party; or (5) is Customer Data provided by an IOU pursuant to a Release; provided that if such Customer Data has been compiled in a database, that database shall nonetheless be deemed Confidential Information and Property owned by the IOUs, and all of the confidentiality obligations herein shall apply unless such Customer Data in that database is anonymized or aggregated so that it cannot be identified with the individuals to whom it relates.

1.2.5 Contractor acknowledges that CAEATFA and the IOUs may elect to disclose Contractor's Confidential Information and Property to their respective regulator(s) and legislators. In addition, CAEATFA and the IOUs may be required to disclose Contractor's Confidential Information and Property to third parties to comply with Commission directions relating to energy efficiency program reporting or to comply with other Applicable Laws. Such disclosures are not prohibited by this Section 1.2.5 but, in making such disclosures, CAEATFA and the IOUs will afford the level of protection to such information as CAEATFA and the IOUs determine to be appropriate in accordance with their normal business practices.

1.3 Use of Confidential Information and Property

Confidential Information and Property is and will remain the property of the Disclosing Party. The Receiving Party may not use the Disclosing Party's Confidential Information and Property or Customer Data (including any Customer Data received by such Party pursuant to a Release) for any purpose other than those expressly authorized by this Agreement. The Disclosing Party's Confidential Information and Property shall not be sold, assigned, leased or otherwise disposed of to third parties or commercially exploited by or on behalf of the Receiving Party. The Receiving Party may not possess or assert any lien or other right against or to the Disclosing Party's Confidential Information and Property.

1.4 Compliance with Data Privacy and Data Protection Laws

Contractor shall observe and comply with all Applicable Laws, including data privacy, data protection, and consumer privacy laws. If Contractor or a Party becomes aware of any use or disclosure of another Party's Confidential Information and Property or Customer Data that is not permitted by this Agreement, it will notify that other Party as soon as practicable, but no later than two (2) Business Days after such Party becomes aware of any such unauthorized use or disclosure.

EXHIBIT F
(Standard Agreement)

1.5 Information Security and Protection Measures

1.5.1 Contractor shall take "Information Security and Protection Measures" consistent with industry best practices, as such practices evolve and improve during the Term and, without limiting the foregoing, shall comply with the Information Security Requirements set forth in Attachment 1 hereto, as such policies are updated and supplemented by the relevant parties during the continuance of this Agreement. Information Security and Protection Measures means measures to safeguard against the unauthorized access, loss, destruction, use, alteration or disclosure of Confidential Information and Property owned or provided by CAEATFA or IOUs, including but not limited to:

1.5.1.1 Systems, infrastructure, procedures and services as necessary to recover data, systems and operations in the event of a major outage or disaster, and regular tests (no less frequently than annually) to verify that such recovery can be achieved;

1.5.1.2 Policies and procedures providing information security, third-party assurance auditing and penetration testing;

1.5.1.3 Password protected access to Confidential Information and Property at all access points;

1.5.1.4 Encryption of Confidential Information and Property at rest and in transit (including any backup copies);

1.5.1.5 Restriction of physical access to Confidential Information and Property;

1.5.1.6 Implementation of logical access controls and sanitization or destruction of media, including hard drives;

1.5.1.7 Compliance with National Institute of Standards and Technology (NIST) standards, as applicable to the Services; and

1.5.1.8 Contractor shall furnish to CAEATFA and the IOUs upon request an SSAE 16 Type II report on Contractor's internal controls pertaining to the Services (or such other independent verification of Contractor's Security Measures that is reasonably acceptable to CAEATFA and the IOUs):

1.5.1.8.1 Before commencing performance of the Services;

1.5.1.8.2 No later than July 1 each year during the Term; and

1.5.1.8.3 Upon request by CAEATFA or the IOUs, but not more than once per calendar year in addition to the provision of the annual certification referred to in paragraph 1.5.1.8.2.

1.5.2 CAEATFA and the IOUs may inspect and audit, or engage a third party auditor to inspect and audit, the Contractor's facilities and systems to assess the Contractor's security measures. The Contractor shall cooperate fully with any requested inspection or audit. If CAEATFA or an IOU notifies Contractor of a material vulnerability in the Contractor's security measures, Contractor shall develop an action plan acceptable to CAEATFA and the IOUs to correct the material vulnerability or vulnerabilities, in accordance with Attachment 1 to this Exhibit.

1.5.3 Contractor hereby represents, warrants and covenants that, to the extent Contractor's facilities or information system(s) have been the subject of security audits prior to the date hereof and such audits have revealed any material vulnerabilities in the Contractor's facilities or Contractor's information system(s), Contractor has fully remedied such vulnerabilities.

1.6 Compelled Disclosure

If Contractor becomes legally compelled to disclose any Confidential Information and Property of the Disclosing Party in a manner not otherwise permitted by this Agreement (including any

EXHIBIT F
(Standard Agreement)

disclosure that is required pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the California Government Code (the "Public Records Act")), Contractor will provide CAEATFA and the Disclosing Party with notice of the request within two (2) Business Days to enable CAEATFA and the Disclosing Party to fulfill their obligations under the CHEEF IA and subject to the Information Practices Act (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the California Civil Code). Contractor acknowledges that the obligation to produce documents and the ultimate determination of what information is privileged and what is to be released is solely CAEATFA's.

1.7 Public Disclosures

1.7.1 CAEATFA and the IOUs may be required or may determine it is desirable to file this Agreement with regulatory entities and, Contractor acknowledges that in either case, they shall have the right to do so. Each Party will otherwise refrain from disclosing the specific terms and conditions of this Agreement to third parties to the extent allowed by law.

1.7.2 All other media releases, public announcements and public disclosures by CAEATFA or the IOUs relating to this Agreement or the subject matter of this Agreement (including disclosures and announcements regarding the conduct or results of the CHEEF Programs) will be coordinated with and approved by CAEATFA and the IOUs prior to release.

1.7.3 The fact that CAEATFA and Contractor have entered into this Agreement does not constitute, nor does it imply in any way, endorsement by CAEATFA of Contractor, and Contractor will not indicate or imply that CAEATFA endorses, recommends, or vouches for Contractor in any form of written, verbal, or electronic advertisement, communication, or any other business development effort, except to the extent expressly approved by CAEATFA in writing.

1.8 Return or Destruction

Upon request by the Disclosing Party, and with the written consent of CAEATFA in the event of a request from an IOU, Contractor will return or provide the Disclosing Party a copy of any designated Confidential Information and Property of the Disclosing Party. When Confidential Information and Property of the Disclosing Party is no longer required for the Contractor's performance under this Agreement, or in any event upon expiration or termination of this Agreement for any reason, the Contractor will return all materials in any medium that contain, refer to, or relate to Confidential Information and Property of the Disclosing Party or, at the Disclosing Party's election, destroy them. At the Disclosing Party's request, Contractor will certify in writing that it has returned or destroyed all copies of the Disclosing Party's Confidential Information and Property in the possession or control of Contractor. Contractor shall remove, or cause to be removed, all Confidential Information and Property from Contractor and Contractor Personnel's information system and other computing resources. Contractor shall not, without the prior written authorization of CAEATFA and the IOUs, sell or otherwise dispose of any parts, equipment, or other materials containing, conveying, embodying, or made in accordance with or by reference to any Confidential Information and Property. Before disposing of such parts, equipment, or materials, Contractor shall render them unusable.

1.9 Duration of Confidentiality Obligations

The Receiving Party's obligations hereunder apply to Confidential Information and Property of the Disclosing Party disclosed to the Receiving Party before or after the Effective Date and will continue during the Term and survive the expiration or termination of this Agreement as follows and in compliance with any obligations arising under the Public Records Act:

1.9.1 The Receiving Party's obligations under Section 1.8 will continue in effect until fully performed;

EXHIBIT F
(Standard Agreement)

1.9.2 As to any portion of the Disclosing Party's Confidential Information and Property that constitutes a trade secret under applicable Law, the obligations will continue for as long as the information continues to constitute a trade secret;

1.9.3 As to Customer Data, such obligations shall continue in perpetuity; and

1.9.4 As to all other Confidential Information and Property of the Disclosing Party, the obligations will survive for two years after the Receiving Party's fulfillment of its obligations under Section 1.8 with respect to the Confidential Information and Property in question.

1.10 Database and Derived Data

1.10.1 Any database or information repository developed or maintained by Contractor using IOU Confidential Information and Property or Customer Data (a "**Database**"), and all analysis, reports, aggregated and/or anonymized data and metadata created by Contractor based on IOU Confidential Information and Property or Customer Data ("**Derived Data**"), shall be owned jointly by the IOUs from whose Confidential Information and Property and Customer Data the Database or Derived Data was derived, and shall be held for the benefit of ratepayers subject to the continuing jurisdiction and regulation of the Commission.

1.10.2 Contractor may use, publish and disclose the Database and Derived Data only for the purpose of performing the Services in accordance with this Agreement, but not otherwise, and shall not sell, assign, lease or otherwise dispose of the Database or Derived Data to third parties or commercially exploit it for Contractor's benefit or the benefit of any third party. Contractor may not possess or assert any lien or other right against or to the Database or Derived Data.

1.10.3 Before the Database and/or any Derived Data is made public or disclosed to any third party pursuant to authorization under this Agreement, Contractor shall ensure that any Customer Data included therein is anonymized so that it cannot be identified with the individuals to whom it relates.

2. Provisions Related to Personnel (Security Training and Background Check)

2.1 The Contractor, at its own expense, will ensure that, prior to providing any of the Services, Contractor Personnel will: (1) complete any CAEATFA- or IOU-provided or required orientation and security procedures, which will include training on the confidentiality, security and non-disclosure obligations regarding the IOUs' computing system and Confidential Information and Property, Security Incident Response Plan, as well as appropriate business conduct and protocols directed at compliance with Applicable Laws and any relevant IOU policies; and (2) complete annual training thereafter, and update such training when Applicable Laws materially change or when CAEATFA or an IOU informs the Contractor of material changes in the IOUs' information or physical security policies.

2.2 The Contractor, at its own expense, will (1) screen and conduct background checks of the Contractor Personnel in accordance with CAEATFA's and the IOUs' policies that have been provided to the Contractor in writing; (2) verify that each individual involved in providing the Services has received and signed a copy of the Contractor's code of conduct and is bound to maintain the confidentiality of all Confidential Information and Property provided by CAEATFA and the IOUs pursuant to this Agreement; and (3) confirm to CAEATFA and the IOUs that these and any other pre-assignment steps described in this Agreement or CAEATFA's and the IOUs' written policies for contractors have been successfully completed.

3. Enforcement by IOUs

3.1 Each IOU is a third party beneficiary of the Contractor's warranties, covenants, indemnities and other obligations under this Agreement. In addition to CAEATFA's right

EXHIBIT F
(Standard Agreement)

to enforce the Agreement as a Party, each IOU may enforce the terms of this Agreement against the Contractor as if the IOU were a Party. Alternatively, each IOU may, in its sole discretion, authorize CAEATFA or another IOU to enforce such rights, including by participating in an arbitration proceeding or litigation on its behalf. The IOUs shall take no action pursuant to this section without providing three (3) Business Days prior written notice to CAEATFA.

- 3.2** Subject to paragraph 3.1, this Agreement is entered into solely between CAEATFA and Contractor and will not be deemed to create any rights in any third parties or to create any obligations of either CAEATFA or Contractor to any third parties.

4. Prior Written Approval for Changes

Contractor's Cost Proposal, submitted in response to CAEATFA's Request for Proposal No. CAEATFA06-24 ("RFP") and made a part of the Agreement by reference (hereinafter "Cost Proposal"), describes the personnel, subcontractors, facilities and systems (the "**Service Delivery Environment**") that will be used by the Contractor to perform and deliver the Services. Any material change to the Service Delivery Environment as described in Cost Proposal shall require CAEATFA's prior written approval. Without limiting the foregoing, CAEATFA's prior written approval is required for any subcontracting of the Services by Contractor, any relocation of Confidential Information and Property or any change in the locations from which Confidential Information and Property may be accessed by Contractor Personnel.

5. Compliance with Applicable Laws

The Contractor will comply with all Applicable Laws in connection with the performance of the Services and the conduct of its business.

6. Insurance

- 6.1** Contractor will maintain the following insurance coverage or self-insurance coverage, at all times during the term of this Agreement, with companies having an A.M. Best rating of "A-, VII" or better, or equivalent:

6.1.1 **Workers' Compensation:** statutory minimum.

6.1.2 **Employer's Liability coverage:** \$1 million minimum.

6.1.3 **Commercial General Liability:** \$2 million minimum per occurrence/\$4 million minimum aggregate.

- 6.2** The insurance policies referred to in paragraphs 6.1.1, 6.1.2 and 6.1.3 above shall acknowledge CAEATFA, the IOUs and their respective officers, agents and employees (the "**Beneficiaries**") as additional insureds, be primary for all purposes, contain standard cross-liability or severability of interest provisions, and waive all rights of subrogation against the Beneficiaries.

6.2.1 **Professional Liability** (if applicable): \$1 million minimum.

6.2.2 **Commercial or Business Auto:** \$1 million minimum. Such insurance shall acknowledge the Beneficiaries as additional insureds and be primary for all purposes.

- 6.3 Evidence of Insurance.** Upon request at any time during the term of this Agreement, Contractor shall provide evidence that the insurance policies required by this Section are in full force and effect, and provide the coverage and limits of insurance required herein.

- 6.4 Notice of Claims.** Contractor shall immediately report to CAEATFA, and promptly thereafter confirm in writing, the occurrence of any injury, loss or damage incurred by

**EXHIBIT F
(Standard Agreement)**

Contractor in the course of performing Services, or receipt of notice or knowledge of any claim by a third party of any occurrence that might give rise to such a claim.

7. Audit Rights and Record Retention.

7.1 Contractor shall maintain, for a period of five (5) years after final payment, complete accounting records (and supporting documentation) of all funds paid to Contractor hereunder. Contractor agrees that CAEATFA and the IOUs shall have the right to review and to copy any records and supporting documentation pertaining to the performance of the Agreement. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Contractor agrees to include a similar audit right provision in any contract with a subcontractor performing any of the Services.

7.2 Contractor shall not retain any funds erroneously paid by CAEATFA to Contractor, including, but not limited to, any funds paid on behalf of an IOU. If, at any time, CAEATFA or the IOUs discover that an amount was paid to Contractor was in error, either through subsequent review or audit, or by another means, the amount erroneously paid to Contractor may, at the option of CAEATFA or IOUs, as applicable be used to offset future payment(s) due to Contractor or must be repaid by Contractor.

8. Contractor Indemnities.

8.1 Contractor shall indemnify, defend and hold harmless CAEATFA, the IOUs, their affiliates, and their respective officers, directors, employees, agents and representatives from and against any and all Losses arising in connection with any Claim:

8.1.1 resulting from the negligent or unlawful acts or omissions, or willful or tortious conduct of Contractor or its employees, agents and subcontractors, including any failure of any of them to comply with Applicable Laws in connection with this Agreement;

8.1.2 resulting from any collection or enforcement action in connection with this Agreement; and/or

8.1.3 arising from the Contractor's breach or alleged breach of its confidentiality, data privacy and data protection obligations under this Agreement.

8.2 Definitions Related to Contractor Indemnities.

8.2.1 **"Claim"** means any claim, demand, action, proceeding or investigation made or commenced against a Party that is related to this Agreement or a Contractor Agreement, as applicable, by an unaffiliated third party or Governmental Authority, whether or not a lawsuit is filed.

(Standard Agreement)**

INFORMATION SECURITY REQUIREMENTS

CAEATFA and Contractor have entered into Agreement CAEATFA06-24 as of the Effective Date thereof. The terms set forth in this Attachment shall be governed by the Agreement and shall be effective as of the Effective Date. Capitalized terms used in this Attachment but not defined herein shall have the meanings given in the Agreement.

1. **Scope.** This Attachment applies to and governs any and all receipt of, access to, storage of, or use of Confidential Information and Property by Contractor and Contractor Personnel, in connection with the Services.

2. **Definitions.** In addition to the definitions set forth elsewhere in the Agreement, the following capitalized terms shall have the meanings set forth below:

(a) **"Security Incident"** means (i) any Unauthorized Use or other breach in the security of Contractor' and/or Contractor Personnel's information systems that contain Confidential Information and Property, or any unauthorized access to, interception of, disclosure or acquisition of such Confidential Information and Property, or (ii) if caused by the action or inaction of Contractor, any Unauthorized Use or other breach in the security of information systems that contain Confidential Information and Property, or any unauthorized access to, interception of, disclosure or acquisition of such Confidential Information and Property.

(c) **"Security Incident Report" or "SIR"** means a report prepared by Contractor regarding a Security Incident which includes, at a minimum, the information more fully set forth below in Section 5.

(d) **"Unauthorized Use"** means any use, reproduction, distribution, transfer, disposition, disclosure, possession, memory input, alteration, erasure, damage or other activity by Contractor involving Confidential Information and Property that is not expressly authorized under the Agreement.

3. **Security Obligations.**

(a) **Security Incident Response Plan:** Prior to accessing any Confidential Information and Property, Contractor shall develop a SIRP and implement and maintain such SIRP throughout the Term.

(b) **SIRP General Requirements:** Contractor's SIRP will include, at a minimum, Security Incident handling and response procedures, specific contacts in an event of a Security Incident, the contacts' roles and responsibilities, and their plans to notify CAEATFA and/or the relevant IOU(s), as the case may be, concerning the Security Incident. The SIRP must be based on and meet all of the following requirements:

(i) Applicable Laws concerning the care, custody, control and integrity of data and information, including but not limited to, California's Information Practices Act of 1977, California Civil Code §§ 1798.80 *et seq.*, and California Public Utilities Commission Decision 11-07-056, 2011 Cal. PUC LEXIS 404

(ii) Provides for notice to CAEATFA and/or the IOUs (as applicable), of any breach of the security of Confidential Information and Property if it is reasonably believed to have been acquired by an unauthorized person.

(c) **SIRP Review.** At CAEATFA's request, Contractor shall review the SIRP at least annually with CAEATFA, and the IOUs (if applicable) to identify updates, changes or potential improvements, and a process to document these changes within ninety (90) days of these changes.

(d) **Physical Security.** Contractor shall provide and maintain physical controls in accordance with Applicable Standards to prevent any Security Incidents and the Unauthorized Use of Confidential Information and Property. Physical controls shall include, but not be limited to: (i) effective physical security

(Standard Agreement)**

of any Contractor facilities and Contractor's computing systems used in connection with providing the Services to CAEATFA, on behalf of the IOUs. At a minimum, such methods must include visitor sign-ins, restricted access key cards or locks for employees, and limited access to server rooms and archival backups; (ii) physical hazard protection; (iii) equipment configuration control methods to detect unauthorized changes in configuration and inventory; and (iv) requirements stating that all removable media such as compact discs, digital video discs, thumb drives, or laptops used to store Confidential Information and Property shall be protected from Unauthorized Use or a Security Incident.

(e) Additional Security Obligations. In addition to its other obligations relating to Confidential Information under the Agreement, Contractor shall (and shall ensure Contractor Personnel) comply with the following additional obligations:

(i) Data Storage. Contractor shall maintain all Confidential Information and Property so as to be compartmentalized or otherwise logically separate from, and in no way commingled with, other information of Contractor or its other customers and not accessible by other customers.

(ii) Security Program. The security program implemented and maintained by Contractor for its Information Systems shall consist of safeguards to prevent any Unauthorized Use, accidental or unauthorized destruction, accidental loss, alteration of, access to and any other unauthorized collection or use of Confidential Information and Property, and shall include, without limitation: (aa) appropriate access controls and data integrity controls, including the use of strong authentication of users, least privilege access, and use of firewalls and antivirus software; (bb) testing and auditing of all controls; and (cc) encryption of all Confidential Information and Property, while at rest and in transit.

(iii) Backup of Confidential Information and Property. Contractor will use prevailing: (aa) secure and redundant encrypted data backup, (bb) recovery technologies, and (cc) destruction methods, at no additional cost to CAEATFA, with respect to Contractor's access and use of Confidential Information and Property. Contractor shall at all times ensure that it is aware of and has documented the location of all copies of Confidential Information and Property.

4. Notice of Security Incident. Contractor covenants and agrees that if Contractor or Contractor Personnel, discover or are notified of a Security Incident or potential Security Incident relating to the IOUs' or CAEATFA's computing systems, Confidential Information and Property or information therein, Contractor shall immediately submit a SIR to CAEATFA and the relevant IOU(s) by emailing the SIR. The SIR shall (a) include, at a minimum, a brief summary of the issue, facts and status of Contractor's investigation; (b) identify the potential number of individuals affected by the Security Incident; (c) provide any other information pertinent to CAEATFA's and the IOUs' understanding of the Security Incident and the exposure or potential exposure of Confidential Information and Property; (d) investigate such Unauthorized Use or such potential Unauthorized Use that caused the Security Incident or may cause a Security Incident; (e) inform CAEATFA and the relevant IOU(s), in writing, of the results of such investigation; (f) assist CAEATFA and the relevant IOU(s), (at Contractor's cost and expense) in maintaining the confidentiality of such Confidential Information and Property; and (g) if requested by CAEATFA, discuss with CAEATFA and the relevant IOU(s) the cause(s) of the Security Incident, Contractor's response, lessons learned and potential improvements to Contractor's computing system's security process and procedures. Upon receipt of Contractor's SIR, CAEATFA or the IOUs may immediately revoke Contractor's and Contractor Personnel's access to the relevant computing systems and Confidential Information and Property. Such revocation shall not relieve Contractor of its obligations to perform the Services in accordance with the terms of the Agreement. If CAEATFA or an IOU deems it prudent to notify individuals potentially affected by the Security Incident and/or to offer them free credit monitoring service or other remedies, then Contractor shall reimburse CAEATFA or the IOU for its costs and expenses for the notification and remedies.

5. Vulnerability Management After a Security Incident. Upon the occurrence of a Security Incident, Contractor shall immediately inform CAEATFA and the IOUs of such Security Incident and provide access to CAEATFA and the IOUs so that CAEATFA and the IOUs or an independent third party may conduct an

**EXHIBIT F, ATTACHMENT 1
(Standard Agreement)**

onsite audit and inspection of the facility or facilities and Contractor's computing systems involved in the Security Incident. Contractor shall develop an action plan acceptable to CAEATFA and the IOUs to correct the causes of the Security Incident and all material vulnerability or vulnerabilities discovered during the audit or inspection. Promptly after CAEATFA and the IOUs approve the action plan, Contractor shall correct each such Security Incident cause or vulnerability at its sole cost and expense. Contractor shall certify in writing to CAEATFA and the IOUs that it has corrected all such Security Incident causes and vulnerabilities. Contractor shall bear (and if applicable, shall reimburse CAEATFA and/or the applicable IOU(s) for) all costs and expenses of an audit or inspection following a Security Incident. Additionally, Contractor shall:

(a) Upon CAEATFA's or an IOU's written request, promptly perform (or shall permit the IOUs or an independent third party to perform) a vulnerability threat assessment ("VTA") test or such additional testing as may be reasonably required by CAEATFA or an IOU. The VTA may be performed, in CAEATFA's or the IOUs' sole discretion, by CAEATFA, the staff or subcontractor of one or more IOUs, or a security consultant selected and approved in writing by CAEATFA.

(b) Thereafter, throughout the remainder of the Term, perform quarterly vulnerability assessments of Contractor's computing systems used to perform the Services ("Assessments"). Such Assessments shall include an evaluation of Contractor's externally accessible computer systems from the perspective of an external attacker, with a focus on service discovery and service identification. This Assessment shall include a logical assessment, penetration/intrusion testing and/or analysis services. Threats to Contractor's computing systems' availability, reviewing of whether attackers could deny legitimate users access to information made available through Contractor's IT infrastructure, may also be evaluated. Such quarterly Assessments shall be at Contractor's sole expense and shall be conducted by a third party nationally recognized for performing such Assessments (a "VTA Contractor"), proposed by Contractor and subject to CAEATFA's and the IOUs' prior approval, which shall not be unreasonably withheld.

(c) CAEATFA or an IOU may also request Contractor to have the VTA Contractor conduct additional Assessments on an ad hoc basis, to provide reviews of Contractor's computing systems, including without limitation, Contractor's infrastructure, applications, networks, internal scans, external scans and code. Such ad hoc Assessments shall be conducted in a manner that does not compromise Contractor's reasonable security standards, shall be conducted under Contractor's direction, and shall be at CAEATFA's or the IOU's sole expense. CAEATFA and the IOUs shall have the right to require Contractor to use a different VTA Contractor (other than the one proposed by Contractor) to perform such additional ad hoc Assessments.

(d) The results of all Assessments described in these Sub-Sections 5(a) – (c) shall be provided by Contractor to CAEATFA and the IOUs and shall include a comprehensive report of the Assessment findings, redacted to exclude only specific information that is confidential and proprietary to Contractor's other customers. Contractor, CAEATFA and the IOUs shall reach an agreement regarding remediation of the findings within the Assessment results and Contractor shall promptly perform such remediation at its sole cost and expense.

(e) Nothing set forth in Sections 5(c) or (d) shall be construed as a waiver of any legal or equitable rights and remedies available to CAEATFA and/or the IOUs in connection with an audit, inspection, or Security Incident. In addition, CAEATFA's and the IOUs' onsite audit or inspection of Contractor's facilities under these sections shall not be interpreted as CAEATFA's or the IOUs' assumption of any liability or responsibility to remedy the Security Incident or vulnerability or otherwise to assist Contractor in the repair or replacement of Contractor's computing systems or facilities.

(f) Document Retention. Contractor shall maintain all documentation relating to Security Incidents, remediation activities and follow-on assessments, whether in written or electronic form, including their identification, processing and resolution, for three (3) years after final resolution of the Security Incident, including the final resolution of all claims arising out of the Security Incident.

**EXHIBIT F, ATTACHMENT 1
(Standard Agreement)**

6. Additional Representations and Warranties. In addition to Contractor's other representations and warranties in the Agreement, Contractor hereby represents and warrants:

(a) Contractor shall comply with all of the terms in this Attachment throughout the Term;

(b) Virus Precautions. Contractor represents and warrants that: (i) Contractor's information systems utilized to provide the Services were checked with Internet industry standard up-to-date antivirus software, and were determined to be virus-free, before their first use in performance of the Agreement; (ii) Contractor will update its virus definitions no less than monthly to ensure that they use the most up-to-date definitions available, and will conduct at least biweekly virus sweeps of all networks, databases, computers, and software (including archival copies of the foregoing) utilized to provide the Services; (iii) Contractor will promptly use such virus detection software to attempt to purge all viruses discovered during such sweeps; (iv) prior to delivering any digital files to CAEATFA and/or the IOUs, as applicable, Contractor will scan all files with Internet industry standard up-to-date antivirus software and will determine that they are virus-free; and (v) if Contractor discovers that a virus may have been transmitted to CAEATFA or to one or more IOUs by Contractor, Contractor will promptly notify CAEATFA and the IOUs of such possibility in a writing that states the nature of the virus, the date on which transmission may have occurred, and the means Contractor has used to attempt to purge the virus; and

(c) Contractor will not (and will ensure Contractor Personnel do not) access or use any Confidential Information and Property for any purpose other than that of performing Contractor's obligations under the Agreement.

7. Acknowledgement. Contractor acknowledges that the IOUs each retain sole and exclusive ownership of all right, title and interest to and to all Confidential Information and Property. The Agreement does not grant Contractor or Contractor Personnel any implied licenses with respect to Confidential Information and Property or Customer Data.

8. Survival. The terms in this Attachment will survive the expiration or any termination of the Agreement.
