

ATTACHMENT 4(B)
APPLICANT SENIOR ELIGIBILITY CERTIFICATION
 Regulation Section 10325(g)(2)(A) through (J)

<u>REQUIREMENTS</u>	<u>VERIFICATION</u> Provide a narrative explanation as to how each requirement is being met and reference where the proof is located in the application. Be as detailed as possible and attach a separate sheet if additional space is needed.
A) All units shall be restricted to households eligible under the provisions of California Civil Code 51.3 (except for projects utilizing federal funds whose programs have differing definitions for senior projects), and further be subject to state and federal fair housing laws with respect to senior housing.	
B) The project shall be on a suitable site. Access to basic services shall be available by other than resident-owned transportation.	
C) Projects over two stories shall have an elevator.	
D) No more than twenty percent (20%) of the low-income units in the project shall be larger than one-bedroom units, unless waived by the Executive Director, when supported by a full market study. One larger unit may be included for use as a manager's unit without a waiver.	
E) One-bedroom units must include at least 500 square feet and two-bedroom units must include at least 750 square feet of living space. These limits may be waived for rehabilitation projects, at the discretion of the Executive Director.	

<u>REQUIREMENTS</u>	<u>VERIFICATION</u> Provide a narrative explanation as to how each requirement is being met and reference where the proof is located in the application. Be as detailed as possible and attach a separate sheet if additional space is needed.
F) For projects receiving Tax Credits after 2000, emergency call systems shall only be required in units intended for occupancy by frail elderly populations requiring assistance with activities of daily living, and/or applying as special needs units. When required, they shall provide 24-hour monitoring, unless an alternative monitoring system is approved by the Executive Director.	
G) Common area(s) shall be provided on site, or within approximately one-half mile of the subject property. For purposes of this part, common areas shall be allowed to include all interior common areas, such as the rental office and meeting rooms, but shall not include laundry rooms or manager living units, and shall meet the following size requirement: projects comprised of 30 or less total units, at least 600 square feet; projects from 31 to 60 total units, at least 1,000 square feet; projects from 61 to 100 total units, at least 1,400 square feet; projects over 100 total units, at least 1,800 square feet. Small developments of 20 units or fewer are exempt from this requirement.	
H) A public agency shall provide direct or indirect long-term financial support for at least fifteen percent (15%) of the total project development costs, or the owner's equity (includes syndication proceeds) shall constitute at least thirty percent (30%) of the total project development costs.	
I) Adequate laundry facilities shall be available on the project premises, with no fewer than one washer/dryer per 15 units. To the extent that tenants will be charged for the use of central laundry facilities, washers and dryers must be excluded from eligible basis. If no centralized laundry facilities are provided, washers and dryers shall be provided in each of the units subject to the further provision that gas connections for dryers shall be provided where gas is otherwise available at the property.	
J) Projects are subject to a minimum low-income use period of 55 years.	

WAIVER REQUESTED (please attach proof of waiver approval)

By signing the APPLICANT STATEMENT, I/We, who are authorized to legally act on the applicant's behalf, certify and guarantee, under penalty of perjury, that the project meets the Senior Housing Type requirements consistent with TCAC Regulations Section 10325(g)(2).
