CALIFORNIA ABLE ACT BOARD

Resolution No. 2024-05: Resolution in support of the federal Ensuring Nationwide Access to a Better Life Experience (ENABLE) Act (S. 4539) to permanently extend key federal tax provisions for the benefit of the California ABLE Act Program (CalABLE)

Action Recommended

Adopt Resolution No. 2024-05 approving the California ABLE Act Board's Support for the ENABLE Act.

Background

The United States Senate introduced the ENABLE Act (S. 4539) in June 2024. Once passed, this legislation will amend the Internal Revenue Code with respect to qualified ABLE programs by striking out the expiration date for the ABLE to Work, ABLE Saver's Credit, and 529 to ABLE rollover provisions. Currently, these three key tax provisions are set to expire at the end of 2025.

ABLE to Work allows eligible employed account owners to contribute above the annual contribution limit. In Q2 2024, CalABLE account owners conducted 876 ABLE to Work transactions, totaling \$523,648 in contributions. The ABLE Saver's Credit allows eligible account owners to receive a saver's credit of up to \$1,000 on their federal tax return. 529 to ABLE rollovers allow account owners to rollover a 529 college savings plan to an ABLE account, up to the annual contribution limit. In Q2 2024, CalABLE account owners conducted 56 529 rollover transactions, totaling \$869,991 in contributions.

The California ABLE Act gives the Board broad authority to act as necessary to effectuate the California ABLE Act. These actions may include participation in the advancement of federal, state, or local governmental programs for the benefit of the CalABLE Program Trust. The ENABLE Act will greatly benefit the California Program Trust by allowing account owners to maximize their savings, thereby increasing the Program's assets under management and overall sustainability.

Thomas Martin, Executive Director, California ABLE Act Board
