

Addendum to the Finding of Emergency

Other Matters Prescribed by Statutes Applicable to the Specific State Agency or to any Specific Regulation or Class of Regulations

No other matters are prescribed by statute applicable to the Authority or any specific regulation or class of regulations pursuant to Section 11346.1(b) or 11346.5(a)(4) of the Government Code pertaining to the Emergency Regulation or to the Authority.

Mandate on Local Agencies or School Districts

The Executive Director of the Authority has determined that the Emergency Regulations do not impose a mandate on local agencies or school districts (pursuant to Government Code Section 11346.5(a)(5)).

Fiscal Impact

The Executive Director of the Authority has determined that the Emergency Regulations do not impose any additional mandated cost or savings requiring reimbursement under Section 17500 et. seq. of the Government Code, or any other non-discretionary cost or savings to any local agency or any cost or savings in federal funding to the State. Pursuant to the State Administrative Manual Sections 6601-6616, a Fiscal Impact Statement (Form 399) is submitted without the signature of a Project Budget Manager at the Department of Finance, as there are no fiscal impact disclosures required. There will be no cost or savings to any State Agency or effect on Federal funding to the State.

Progress Toward Permanent Rulemaking

CAEATFA adopted emergency regulations in May of 2024 to allow financing of clean energy installations and has continued to work toward permanent rulemaking. Staff are currently engaging with stakeholders to refine the program's approach in preparation for the regular rulemaking process. Staff plan to begin the 45-day public comment period prior to the January meeting of CAEATFA's Board at which these regulations will be submitted for approval as part of the permanent rulemaking process.
