**FROM:** Marina Wiant, Interim Executive Director

**RE:** Final Proposed Regulation Changes and Response to Comments

On October 29, 2024, the California Debt Limit Allocation Committee (“CDLAC”) released proposed regulation changes for a regular rulemaking for the California Debt Limit Allocation Committee Program and opened the 21-day public comment period.

CDLAC staff subsequently held an in-person and virtual public hearing in Sacramento on November 12, 2024.

CDLAC accepted written comments on the initial proposed regulation changes through Tuesday, November 19, 2024. Numerous individuals, organizations, and groups formally commented on the proposed regulation changes in both oral and written form. CDLAC staff reviewed all comments received and finalized the recommendations for consideration and adoption to be presented to the Committee on Wednesday, December 11, 2024.

This memo includes the final proposed regulation changes, the initial statement of reasons, a brief summary of the comments received, staff’s responses to comments, including explanations to any proposed revisions to the initially proposed changes, and the final proposed changes. CDLAC staff also received comments on regulation changes outside the scope of this regular rulemaking and will consider those comments for a future possible regulation change package. Those additional comments outside the scope of this regular rulemaking are not included in the document.

**List of Proposed Regulation Changes, Comments Received, and  
Responses to Comments  
December 5, 2024**

**1. Section 5000. Definitions**

The proposed change adds a definition for “Fiscal Agent” because of the changes made under Section 5130, which refers to the requirement that all projects receiving a bond allocation are required to have a Fiscal Agent or trustee.

**Initial Proposed Changes:**

In addition to the definitions set forth in Government Code section 8869.82 and unless otherwise required by the context, the following terms as used in this division are defined as follows:

[...]

“Fiscal Agent” means a trust company, a national banking association or state banking corporation with the authority to accept trusts, that performs various administrative and trustee duties in connection with bond, note and other debt issuances, including, without limitation, the maintenance and management of funds and accounts, payments, redemptions, investment of moneys, related tax matters, and other related administrative duties.

[...]

**Comments received:** Staff received no comments.

**Responses to comments:** N/A.

**Final proposed changes:** No updates to the proposed changes.

**2. Section 5010. Announcement of Application Deadlines, Determination of State Ceiling, Competitiveness, and Minimum Points.**

The proposed changes add the “Announcement of Application Deadlines” to the title and moves information about dates and deadlines for submitting Applications for each Allocation Round from Section 5030 to Section 5010.

**Initial Proposed Changes:**

(a) The Committee shall, As soon as practicable, give notice of deadlines to submit Applications for each Allocation Round, and after the beginning of each calendar year, and before any Applications are considered, the Committee shall determine and

announce the State Ceiling and the portion of the State Ceiling that will be available for each of the State Ceiling Pools as set forth in article 3 of this chapter.

(b) [...]

**Comments received:** Staff received two comments regarding timing for noticing deadlines to submit applications for each Allocation Round. One comment requested to have the set application schedule ideally one year, but at the very least 6-months, in advance. The other comment appreciated the flexibility and moves projects along faster, especially when the timing of the rounds are coordinated with HCD awards and encouraged holding the third round two months after HCD awards. The commenter also stated regardless of the number of rounds, the Committee should make the decision on how to distribute the state credits across those rounds well in advance of the first one. The recommendation was the Committee publish a draft calendar and decide how to distribute the upcoming year's state credits by the December meeting of the preceding year, allowing developers to better plan for the upcoming year.

**Responses to comments:** CDLAC will take these comments into consideration when application deadlines are announced.

**Final proposed changes:** No updates to the proposed changes.

### **3. Section 5020. Determination of State Ceiling Pools.**

The proposed changes under 5020(a)(1)(A) change the number of units designated for homeless households from at least 25% of the tax credit units to the greater of 15 units or 25% of the tax credit units. "California" was added under 5020(a)(1)(B)(i) to the Department of Housing and Community Development and unnecessary language was removed. Sections 5020(a)(2) through 5020(a)(6) were edited to remove redundancies, as the same language was repeated with the only difference being the type of pool.

#### **Initial Proposed Changes:**

As soon as practicable after the beginning of each calendar year, and before any Applications are considered, the Committee shall:

(a) [...]

(1) [...]

(A) Subsequent to the determination made pursuant to paragraph (1) of this subdivision, determine and announce whether a portion of the New Construction Pool, expressed as a dollar amount and as a percentage of the Qualified Residential Rental Project Pool shall be reserved in a Homeless Set Aside to be

available for allocation to New Construction Projects in which at least the greater of 15 units or 25% of the tax credit units are designated for homeless households as defined in Section ~~10315(b)(1)-(4)~~ 10302((kk)) of the CTCAC regulations at affordable rents consistent with Section 10325(g)(3) of the CTCAC regulations, and determine what amount, if any, shall be available in each Allocation Round.

(B) [...]

(i) an award of funding from the California Department of Housing and Community Development (HCD). ~~For purposes of this Set Aside, an award of funding from HCD shall include awards made directly by the department pursuant to including~~ from the Multifamily Housing Program, the Affordable Housing and Sustainable Communities Program, the Transit Oriented Development Program, the Joe Serna Jr. Farmworker Housing Grant Program, the No Place Like Home Program, Housing for a Healthy California and the Veterans Housing and Homelessness Prevention Program. The income restrictions shall be at least as restrictive as those for which the applicant received an award from HCD. Awards made directly by the department do not include Alternative County Process awards.

(ii) [...]

(C) [...]

(2) Subsequent to the determination made pursuant to subdivision (a) of this section, determine and announce whether a portion of the Qualified Residential Rental Project Pool, expressed as a dollar amount and as a percentage ~~(not to exceed ten percent 40%)~~ of the Qualified Residential Rental Project Pool, shall be reserved in a specific pool to be available for allocation to specified projects ~~Rural Project Pool to be available for allocation to Rural Projects~~ and determine what amount, if any, shall be available in each Allocation Round- as follows:

(A) Rural Project Pool to be available for allocation to Rural Projects, not to exceed ten percent (10%) of the total QRRP Pool.

(B) Preservation Pool to be available for allocation to Preservation Projects

(C) Other Rehabilitation Pool to be available for allocation to Other Rehabilitation Projects

(D) BIPOC Pool to be available for allocation to BIPOC Projects

(E) Supplemental Allocation Pool to be available for allocation to Supplemental Allocation Requests

~~(3) Subsequent to the determination made pursuant to subdivision (a) of this section, determine and announce whether a portion of the Qualified Residential Rental Project Pool, expressed as a dollar amount and as a percentage of the Qualified Residential Rental Project Pool shall be reserved in a Preservation Pool to be available for allocation to Preservation Projects and determine what amount, if any, shall be available in each Allocation Round.~~

~~(4) Subsequent to the determination made pursuant to subdivision (a) of this section, determine and announce whether a portion of the Qualified Residential Rental Project Pool, expressed as a dollar amount and as a percentage of the Qualified Residential Rental Project Pool shall be reserved in an Other Rehabilitation Pool to be available for allocation to Other Rehabilitation Projects and determine what amount, if any, shall be available in each Allocation Round.~~

~~(5) Subsequent to the determination made pursuant to subdivision (a) of this section, determine and announce whether a portion of the Qualified Residential Rental Project Pool, expressed as a dollar amount and as a percentage of the Qualified Residential Rental Project Pool shall be reserved in a BIPOC Pool to be available for allocation to BIPOC Projects and determine what amount, if any, shall be available in each Allocation Round.~~

~~(6) Subsequent to the determination made pursuant to subdivision (a) of this section, determine and announce whether a portion of the Qualified Residential Rental Project Pool, expressed as a dollar amount and as a percentage of the Qualified Residential Rental Project Pool shall be reserved in a Supplemental Allocation Pool to be available for allocation to Supplemental Allocation requests and determine what amount, if any, shall be available that year.~~

**Comments received:** Staff received 5 comments regarding the changes to section 5020. One commenter recommended to add Excess Sites Local Government Grant Programs under item (i) of the ELI/VLI qualifiers and allow Executive Order N-06-19 sites to apply in the set-aside as a new subsection. There was one comment supporting the greater of 15 unit or 25% of the tax credit units to compete in the Homeless Set-Aside. One commenter asked where the 15 unit minimum came from. Another commenter stated the 15 unit minimum will add unnecessary financial stress on Homeless Set-Aside applications with less than 60 units. And there was a comment stating continued support of a 10% Rural Pool.

**Responses to comments:** These are technical changes and the change to the units designated for homeless households is for consistency with CTCAC. The comments received will be considered in future regulation changes.

**Final proposed changes:** No updates to the proposed changes.

#### 4. Article 4. Application ~~Schedule and Procedures~~

##### Section 5030. Announcement of Application Deadlines. [Repealed]

The proposed changes eliminate this section because the application deadline information was moved to Section 5010 and Section 5010 states information regarding the determination and announcement of either an Open or Competitive Application Process.

##### Initial Proposed Changes:

~~Pursuant to article 2 of this chapter, the Committee shall as soon as practical, after the start of the calendar year, give notice of the dates and deadlines to submit Applications for each Allocation Round and whether the Applications will be evaluated pursuant to an Open Application Process or a Competitive Application Process~~

~~NOTE: Authority cited: Section 8869.94, Government Code. Reference: Section 8869.84, Government Code.~~

**Comments received:** Staff received no comments.

**Responses to comments:** N/A.

**Final proposed changes:** No updates to the proposed changes.

#### 5. Section 5031. Eligible Applicants

The proposed changes add “bond” to allocation, to align with other reference to bond allocation throughout the CDLAC regulations. “For QRRP Applicants” was removed, as this section applies to all applicants and “all Applicants” is stated in the first sentence of this section. The reference to specific dates was removed, as those dates have past and are no longer applicable. “Applicant” was added to policies, for clarity. Information was added regarding the requirement for projects receiving a bond allocation to have a Fiscal Agent or trustee and the role of the Fiscal Agent or trustee to facilitate in the reporting of the Annual Debt Transparency Reports.

##### Initial proposed changes:

(a) [...]

(c) To be eligible to receive CDLAC bond allocation, all Applicants must submit written Bond Issuance and Post Issuance Compliance Policies for each State Ceiling Pool they request. ~~For QRRP Applicants, These policies must be reviewed by counsel~~

having expertise with the federal and state laws pertaining to the issuance or conversion and post-closing compliance of private activity conduit bonds for consistency with applicable federal and state laws. Such review will be documented via a letter from the respective counsel indicating the review has occurred. Additionally, for all Applicants, the policies must be accompanied by a resolution signed by the appropriate governing body formally adopting the policies. If the governing body has delegated approval authority on such matters to the organization's Executive Director, Housing Director or Finance Director, approval by the delegated individuals will suffice. To the extent contractors will be providing services on behalf of an Applicant, the policies should clarify the relationship between the contractor and the Applicant and what, if any, rights the contractor has to income and obligations generated from the issuance activity. CDLAC will review these policies to ensure the legal review has occurred, appropriate approval documentation is in place and for consistency with the CDLAC regulations. CDLAC will document their formal approval. ~~This requirement will apply immediately to all Applicants who have not received allocation from CDLAC since January of 2013 and for new Applicants. Applicants having received an allocation of bonds from CDLAC after January 2013 will have until December 31st of 2017 to complete and submit policies to CDLAC. If an Applicant has not utilized CDLAC's programs but has a 2017 project pending, a one year waiver to this regulation may be requested. To fulfill this requirement, approval of the policies must be documented in a resolution dated no earlier than 2006.~~ All Applicant policies must be reviewed and re-approved at least every 10 years thereafter.

All projects receiving a bond allocation are required to have a Fiscal Agent or trustee. One of the roles of the Fiscal Agent/trustee is to facilitate in the reporting of the Annual Debt Transparency Reports (ADTR) to the California Debt and Investment Advisory Commission.

**Comments received:** Staff received 9 comments opposing requiring applicants to have a fiscal agent or trustee. Commenters stated the requirement would increase project costs and delay projects' ability to fund draws, impacting construction timelines and related completion milestones. There was 1 comment recommending CDLAC share the specific issues it aims to address with the Annual Debt Transparency Reports (ADTR) and engage with the developer community to explore alternative strategies for resolving these challenges.

**Responses to comments:** Submission of an ADTR is required pursuant to Government Code Section 8855(k). The final proposed changes clarify the duty of the Fiscal Agent or trustee to facilitate in this reporting.

**Final proposed changes:**

(a) [...]

(c) To be eligible to receive CDLAC bond allocation, all Applicants must submit written Bond Issuance and Post Issuance Compliance Policies for each State Ceiling Pool they request. ~~For QRRP Applicants, These policies must be reviewed by counsel having expertise with the federal and state laws pertaining to the issuance or conversion and post-closing compliance of private activity conduit bonds for consistency with applicable federal and state laws. To the extent contractors will be providing services on behalf of an Applicant, the policies should clarify the relationship between the contractor and the Applicant and what, if any, rights the contractor has to income and obligations generated from the issuance activity. To fulfill this requirement, approval of the policies must be documented in a resolution dated no earlier than 2006. All Applicant policies must be reviewed and re-approved at least every 10 years thereafter.~~

## **6. Section 5035. ~~Preliminary Recommendations~~ List.**

The proposed changes eliminate having a required number of days of when the preliminary list needs to be posted before an award of allocation and moved the appeal language under the Appeals section.

### **Initial proposed changes:**

(a) ~~At least twenty five (25) calendar days p~~Prior to any meeting at which the Committee is to award Allocations, the Executive Director shall publish a preliminary list of Applicants for which the Executive Director expects to

recommend an Allocation (and the amount of those Allocations). During competitive rounds, the following procedures shall be followed for the Qualified Residential Rental Program:

(1) [...]

(2) Projects will be evaluated and ranked based on information submitted in the application. Only applications that are substantially complete and self-score high enough to receive an Allocation shall be reviewed. Prior to publishing the preliminary recommendation list on the Committee's website, Applicants and developers/sponsors shall be notified of their preliminary score and the reasons for any modifications from the Applicant's Self-Scoring Worksheet. That notice, or a subsequent notice, may also contain completeness and/or feasibility defects determined during the application evaluation. Notices shall only be sent for projects that self-score high enough to receive an Allocation. ~~Applicants shall have five (5) calendar days to appeal such notice. Appeals shall be addressed to the Executive Director in writing. The Executive Director shall have ten (10) calendar days to issue a final determination. If an Applicant is unsatisfied with the final determination, the Applicant may appeal to the Committee.~~

**Comments received:** Staff received 14 comments opposing removing the 25-day timeframe for posting a preliminary recommendations list. Comments included challenges with meeting readiness and needing as much time as possible to prepare for closings and begin engaging investors.

**Responses to comments:** Staff updated the changes to keep the 25-day timeframe for posting the preliminary list.

**Final proposed changes:**

(a) At least twenty-five (25) calendar days prior to any meeting at which the Committee is to award Allocations, the Executive Director shall publish a preliminary list of Applicants for which the Executive Director expects to recommend an Allocation (and the amount of those Allocations). During competitive rounds, the following procedures shall be followed for the Qualified Residential Rental Program:

(1) [...]

(2) Projects will be evaluated and ranked based on information submitted in the application. Only applications that are substantially complete and self-score high enough to receive an Allocation shall be reviewed. Prior to publishing the preliminary recommendation list on the Committee's website, Applicants and developers/sponsors shall be notified of their preliminary score and the reasons for

any modifications from the Applicant's Self-Scoring Worksheet. That notice, or a subsequent notice, may also contain completeness and/or feasibility defects determined during the application evaluation. Notices shall only be sent for projects that self-score high enough to receive an Allocation. ~~Applicants shall have five (5) calendar days to appeal such notice. Appeals shall be addressed to the Executive Director in writing. The Executive Director shall have ten (10) calendar days to issue a final determination. If an Applicant is unsatisfied with the final determination, the Applicant may appeal to the Committee.~~

## **7. Section 5036. Appeals to Preliminary Recommendations.**

The proposed changes add language similar to CTCAC regarding appeals to have a consistent process between CDLAC and CTCAC and deleted the previous language. The appeal process now refers to appealing the staff's point letter or disqualification letter instead of the preliminary list.

### **Initial proposed changes:**

(a) An applicant shall not appeal the Committee staff evaluation of another applicant's application.

(b) Procedure for application appeals. An appeal related to an application must be submitted in writing and received by CDLAC staff no later than five (5) calendar days following the transmittal date of the staff's point or disqualification letter. The appeal shall identify the applicant's grounds for the appeal and be based upon previously submitted application materials.

Staff will respond in writing to the appeal letter within five (5) calendar days after receipt of the appeal letter. If the applicant wishes to appeal the staff response, the applicant may appeal in writing to the Executive Director no later than five (5) calendar days following the transmittal date of the staff response letter. The Executive Director will respond in writing within ten (10) calendar days after receipt of the appeal letter. If the applicant wishes to appeal the Executive Director's decision, a final appeal may be submitted to the Committee no more than five (5) calendar days following the transmittal date of the Executive Director's letter. An appeal to the Committee must be accompanied by a five hundred dollar (\$500) non-refundable fee payment payable to CDLAC. No Committee appeals will be addressed without this payment. The appeal review shall be based upon the existing documentation submitted by the applicant when the application was filed. Any appeal or response due on a weekend or holiday shall be deemed to be due on the following business day.

~~Any Applicant who wishes to appeal the published preliminary recommendation or ranking as prescribed in section 5035 may file an appeal within five (5) business days of the date on which the preliminary list is posted. The appeal shall set forth in reasonable detail the factual basis for the appeal. New or additional information beyond that provided in the original Application shall not be provided or considered in connection with the appeal. All appeals shall be made in writing and delivered to the Executive Director. The Executive Director shall present the appeal to the Committee at the meeting for which Allocations are awarded, prior to the Allocation approval process. An Applicant may only appeal the recommendation or ranking of its own Application(s).~~

**Comments received:** Staff received 8 comments supporting changes to align with CTCAC regulations. Commenters added the recommended changes do not fully align with CTCAC's procedures regarding the information allowed to be considered in an application appeal and ability to appeal fines and negative points.

**Responses to comments:** Staff updated changes to align with CTCAC regulations.

**Final proposed changes:**

(a) An applicant shall not appeal the Committee staff evaluation of another applicant's application. An appeal may only be filed under the following circumstances: (1) determination of the application point score; (2) disqualification from participation in the program; (3) disqualification of an incomplete application; (4) negative points assigned by the Executive Director under Section 10325(c)(2); and (5) A fine imposed under Section 10337(f).

(b)(1) Procedure for application appeals. An appeal related to an application must be submitted in writing and received by CDLAC staff no later than five (5) calendar days following the transmittal date of the staff's point or disqualification letter. The appeal shall identify the applicant's grounds for the appeal and be based upon previously submitted application materials.

Staff will respond in writing to the appeal letter within five (5) calendar days after receipt of the appeal letter. If the applicant wishes to appeal the staff response, the applicant may appeal in writing to the Executive Director no later than five (5) calendar days following the transmittal date of the staff response letter. The Executive Director will respond in writing within ten (10) calendar days after receipt of the appeal letter. If the applicant wishes to appeal the Executive Director's decision, a final appeal may be submitted to the Committee no more than five (5) calendar days following the transmittal date of the Executive Director's letter. An appeal to the Committee must be accompanied by a five hundred dollar (\$500) non-refundable fee payment payable to CDLAC. No Committee appeals will be addressed without this payment. The appeal review shall be based upon the

existing documentation submitted by the applicant when the application was filed. Any appeal or response due on a weekend or holiday shall be deemed to be due on the following business day.

(2) Procedure for negative point or fine appeals. An appeal related to negative points or a fine must be submitted in writing and received by the Executive Director no later than fourteen (14) calendar days following the transmittal of a negative point or fine letter, unless the Executive Director grants an extension which shall not exceed fourteen (14) additional days. The appeal shall identify specifically the appellant's ground for the appeal. The Executive Director will respond in writing no more than ten (10) calendar days after receipt of the appeal, unless the appellant requests an extension to accommodate a meeting with the Executive Director. If the appellant wishes to appeal the Executive Director's decision, a final appeal may be submitted to the Committee no more than seven (7) calendar days following the date of receipt of the Executive Director's letter. An appeal to the Committee must be accompanied by a five hundred dollar (\$500) non-refundable fee payment payable to CDLAC. No Committee appeals will be addressed without this payment.

~~Any Applicant who wishes to appeal the published preliminary recommendation or ranking as prescribed in section 5035 may file an appeal within five (5) business days of the date on which the preliminary list is posted. The appeal shall set forth in reasonable detail the factual basis for the appeal. New or additional information beyond that provided in the original Application shall not be provided or considered in connection with the appeal. All appeals shall be made in writing and delivered to the Executive Director. The Executive Director shall present the appeal to the Committee at the meeting for which Allocations are awarded, prior to the Allocation approval process. An Applicant may only appeal the recommendation or ranking of its own Application(s).~~

## **8. Section 5037. Final Recommendations. [Repealed]**

The proposed changes delete this section because the appeal process information is under the Appeals section.

### **Initial proposed changes:**

~~(a) At least ten (10) calendar days before the Committee meeting for which Allocations will be awarded, the final list of Applicants for which Allocations will be recommended (and the amounts of those Allocations) will be posted. During competitive rounds, the list will be in ranked order. This list will reflect changes, if any, in ranking resulting from the appeals as provided in section 5035. The list shall be posted on the Committee's website as provided in section 5140.~~

~~NOTE: Authority cited: Section 8869.94, Government Code. Reference: Section 8869.84(c), Government Code.~~

**Comments received:** Staff received no comments.

**Responses to comments:** N/A.

**Final proposed changes:** No updates to the proposed changes.

## **9. Section 5038. Appeals to Final Recommendations. [Repealed]**

The proposed changes delete this section because the appeal process information is under the Appeals section.

Initial proposed changes:

~~Any Applicant who timely appealed the preliminary determination and is dissatisfied with the final recommendation in connection with the Application or received no preliminary recommendation, may present its case to the Committee at the Allocation meeting at which the Application is considered, provided that the Applicant gives notice, in writing, of its intention to do so at least five (5) business days prior to the Allocation meeting. An Applicant's written notification must be delivered to the Committee, no later than 5:00 p.m. (Pacific Time) on the last day specified for providing notice.~~

~~NOTE: Authority cited: Section 8869.94, Government Code. Reference: Section 8869.84(c), Government Code.~~

**Comments received:** Staff received no comments.

**Responses to comments:** N/A.

**Final proposed changes:** No updates to the proposed changes.

## **10. Section 5052. Forfeiture of Performance Deposit.**

The proposed changes remove the reference to the timing of the allocation and adds references to the sections where the performance deposit would not be forfeited. The proposed changes also clarify that extension requests would be due at least 15 days prior to a Committee meeting and changed "Qualified Residential Rental Projects" to "QRRP".

**Initial proposed changes:**

(a) ~~For Projects receiving an allocation award on or after March 16, 2016, Except as provided in Section 5101(b) and subdivision (e), expiration date extensions and extension of the expiration date for QRRP Qualified Residential Rental Bonds granted pursuant to Sections 5101 or 5132 shall~~ will result in forfeiture of the Project's performance deposit to the extent that the performance deposit has not previously been forfeited.

(b) [...]

(e) An Applicant may request waiver of a performance deposit forfeiture at the time it makes the extension request by submitting a written request to the Executive Director ~~within 30 days of the date of the Committee's Forfeiture Fee Invoice, at least 15 business days prior to any regularly scheduled Committee meeting.~~ The Committee shall grant a forfeiture extension upon a showing that the request aligns with an extended allocation and waiver upon showing the circumstances prompting the forfeiture were unforeseen and entirely beyond the control of the Project's sponsor and development team. The granting of a waiver pursuant to this subsection will not preclude performance deposit forfeiture for subsequent extensions of the expiration date for ~~QRRP Qualified Residential Rental Bonds~~ granted pursuant to Sections 5101 or 5132.

**Comments received:** Staff received no comments.

**Responses to comments:** N/A.

**Final proposed changes:** No updates to the proposed changes.

## **11. Section 5054. Filing Fees.**

The proposed changes remove “The portion of the filing fee shall not be refundable under any circumstances but shall be credited against the total filing fee.” “Non-refundable” was added, due to the deletion of this sentence. The change also removes the reference to the initial filing fee being credited against the second installment of the filing fee. This change was made to reflect that the initial filing fee is a non-fundable application fee.

### **Initial proposed changes:**

Each Applicant shall submit a filing fee in an amount equal to the product of the amount of Allocation actually used to issue Bonds, or Mortgage Credit Certificates multiplied by .00035. The payment of the fee shall be in two installments as follows:

(a) Initial non-refundable filing fee in the amount of \$1,200 shall accompany the filing of an Application to cover the Committee's costs associated with reviewing

Applications. ~~This portion of the filing fee shall not be refundable under any circumstances but shall be credited against the total filing fee.~~

(b) Initial non-refundable filing fee for supplemental awards in the amount of \$600 shall accompany the filing of an Application to cover the Committee's reasonable costs associated with reviewing Applications. ~~This portion of the filing fee shall not be refundable under any circumstances but shall be credited against the total filing fee.~~

(c) [...]

(d) Second installment of Filing Fee. The second installment of the filing fee shall be due within thirty (30) days after Bond issuance or issuance of the first Mortgage Credit Certificate. The Committee shall issue an invoice in conjunction with the Committee Resolution transferring the Allocation to the Applicant. The amount of the second installment of the filing fee is the product of the amount of Allocation used to issue Bonds or convert to Bond to Mortgage Credit Certificate authority multiplied by .00035, ~~less the fee paid pursuant to subdivision (a) of this section.~~

(e) [...]

**Comments received:** Staff received one comment stating the redundant reference in (d) to the multiplier coupled with the deletion of “less the fee paid pursuant to subdivision (a) of this section” seems to mean that the total filing fee is now .00035 of the bond allocation plus the initial filing fees when that does not seem to be the intent.

**Responses to comments:** The fee structure is as intended.

**Final proposed changes:** No updates to the proposed changes.

## **12. Section 5101. Extensions to Expiration Dates.**

The proposed changes add clarification on the extensions and related performance deposit waiver.

### **Initial proposed changes:**

(a) Except as provided in Section 5132, t~~h~~e Executive Director may grant an extension of up to ninety (90) days for all allocations upon demonstration that the circumstances necessitating the extension were entirely outside the Project Sponsor’s control.

(b) Any extension granted by the Executive Director under subdivision (a) shall constitute a waiver of performance deposit forfeiture under Section 5052, as applicable.

(c) A project Sponsor may appeal any extension denial under this provision by submitting a written appeal to the Committee within five (5) calendar days following the transmittal date of the Executive Director's decision letter. The appeal shall be heard at the next regularly scheduled Committee meeting for which the appeal can be properly noticed.

(d) ~~The Committee may grant a~~Any additional extensions requests beyond the extension granted under subdivision (a). ~~must be granted by the Committee. Extension requests must demonstrate that the circumstances were entirely outside the control of the owner.~~

**Comments received:** Staff received 1 comment supporting the change and 1 comment stating if a project is granted an extension due to delays entirely outside the Project Sponsor's control, the Sponsor should have to waive the performance deposit.

**Responses to comments:** No further changes to this section.

**Final proposed changes:** No updates to the proposed changes.

### **13. Section 5120. Transfer Requirements.**

This change was made so that an issuer awarded current year allocation for a project, could instead utilized carryforward, assigned to another project that will not utilize the carryforward, to use carryforward as quickly as possible.

#### **Initial proposed changes:**

a) Except for the reversion of unused Allocation pursuant to section 5106, Allocations are not transferable unless expressly authorized in writing by the Committee. The Committee may permit transfers of Allocation as follows:

(1) The Committee may permit transfers of carryforward Allocations to the highest scoring Application on a waiting list or, if a waiting list does not exist, the highest scoring Project in queue in a current Allocation Round, or to a project in a previous Allocation Round for which current year allocation was awarded, to utilize remaining or unused carryforward Allocation.

(2) [...]

(b) [...]

**Comments received:** Staff received no comments.

**Responses to comments:** N/A.

**Final proposed changes:** No updates to the proposed changes.

#### **14. Section 5146. Disqualification.**

The proposed changes clarify any misrepresentations made during the prequalification process will result in disqualification from the BIPOC pool or allocation. Also reference to the California Code of Regulations was added. In 2024, the California Civil Rights Department (CRD) finalized rules requiring state agencies to make reasonable cause referrals to CRD and take remedial action when recipients of state support violate California's prohibition on unlawful discrimination and denial of full and equal access. CRD's regulations also permit CDLAC to take permissive remedial action to overcome the effects of discrimination. The proposed amendment clarifies CDLAC's obligation to make referrals and take remedial action, or permissive action, under CRD's regulations.

#### **Initial proposed changes:**

The Committee may disqualify an Application for a portion of the Pool if any of the following have been documented about the Project Issuer, Project Sponsor or any entity that is a Related Party of the Project Sponsor:

(a) [...]

(c) Providing false or misleading information in connection with an Application or a prequalification request under Section 5231(d); or

(d) Information that leads the Committee to reasonably and in good faith conclude that an allocation would be inimical to, or incompatible with, the purposes of these regulations, the laws regulating the allocation of the State Ceiling on Qualified Private Activity Bonds, ~~or~~ the obligation on the Committee to affirmatively further fair housing pursuant to Government Code section 8899.50(b)(1), or the obligation on the Committee to impose remedial actions under sections 14052 and 14053 of title 2 of the California Code of Regulations. In determining whether an Application is compatible with the Committee's responsibility to affirmatively further fair housing, the Committee shall consider whether the Applicant, Project Issuer, or Project Sponsor has a documented history of violating state or federal fair housing laws.

**Final proposed changes:** No updates to the proposed changes.

### **15. Section 5170. Definitions.**

The proposed changes add information regarding the need for BIPOC Projects to be prequalified under Section 5231(d). The changes also allow emerging BIPOC developers to compete in the BIPOC Pool while partnering with an experienced nonprofit general partner. The welfare tax exemption is a critical component of affordable housing development. Finding a nonprofit partner qualified to facilitate the exemption without full experience points is increasingly difficult creating a barrier to entry for emerging developers. Allowing this partnership with restrictions on the experienced nonprofits ownership and rights to profits will reduce this barrier.

The definition for Community Revitalization Area was revised to add additional efforts. The Community Revitalization Plan was revised to include a that a letter demonstrating community revitalization efforts can also come from the plan's lead agency. The definition of CTCAC/HCD Opportunity Area Map was revised to exclude projects located in map areas designated as "Missing/Insufficient Data" or similar designation to align with CTCAC's methodology for reviewing opportunity areas.

A definition for Neighborhood Change Map was added as this term is now used in Section 5231. Changes were made to the Preservation Project definition, including deleting "of" from a previous regulation change and expanding the eligibility criteria to include HCD's Portfolio Reinvestment Program projects and SRO properties converting to individual bathrooms and cooking facilities. This would put these types of projects into a larger pool where they would be more competitive.

#### **Initial proposed changes:**

In addition to the definitions set forth in Government Code section 8869.82 and unless otherwise required by the context, the following terms as used in this chapter are defined as follows:

[...]

"BIPOC Project" means a Qualified Residential Rental Project for which the sponsor is a BIPOC Entity. A BIPOC Project may be a New Construction Project, Rural

Project, Preservation Project, or Other Rehabilitation Project. The partnership agreement of a BIPOC Project must allocate at least 51% developer fee, cash flow, and net sale proceeds to the BIPOC Entity and provide the BIPOC Entity an option to purchase the development. A BIPOC Project does not include a project for which any principal, partner, affiliate, parent organization, or member of the sponsor entity is eligible to receive maximum General Partner Experience points pursuant to Section 10325(c)(1)(A) of the CTCAC regulations unless (a) those points are awarded to a principal of the BIPOC Entity who no longer is employed by the developer of, or has an ownership interest in, the project(s) which form the basis of the experience points, or (b) those points are awarded to a nonprofit managing general partner that is (1) eligible under 501(c)(3) of the Internal Revenue Code and (2) not receiving more than 10% of the economic interests of the Project, which include developer fee, cash flow, and net sale proceeds while utilizing the emerging BIPOC Entity to qualify for General Partner experience points pursuant to Section 10325(c)(1)(A) of the CTCAC regulations. All BIPOC Projects shall be prequalified under Section 5231(d).

[...]

“Community Revitalization Area” means one of the following areas for which a comprehensive Community Revitalization Plan has been adopted and efforts specific to that plan have occurred: 1) a Distressed Community; 2) a Federal Opportunity Zone, Choice Neighborhood, Promise Neighborhoods, Office of the Justice Programs Community Based Violence Intervention and Prevention Program, USDA Rural Community Development Initiative Grant, or HUD-approved Neighborhood Revitalization Strategy Area; or 3) a Disadvantaged Community as identified by the California Environmental Protection Agency's CalEnviroScreen map.

“Community Revitalization Plan” means a plan for contributing to concerted community revitalization efforts as demonstrated by a letter from a local government official or the plan's lead agency. The letter shall explain how the proposed project will contribute to the community's planned revitalization and include, but is not limited to, a description of the following community engagement, investment, and other revitalization efforts:

1. Community enhancement services in the area, including, but not limited to, job training and after-school enrichment programs.
2. Funds, not including funds for the proposed project, that have been expended in the past five (5) years or are being expended or committed to be expended to improve the community infrastructure, including, but not limited to, parks, storm water systems, sewer systems, and streets.

3. Projects, not including the proposed project, that have been completed within the past five (5) years or are underway or committed to be completed that contribute to community revitalization, including, but not limited to, retail, office, and housing projects.

“CTCAC/HCD Opportunity Area Map” shall have the same meaning as in Section 10302(ccc) of the CTCAC regulations. An applicant may choose to utilize the census tract or census block group resource designation, as applicable, from the CTCAC/HCD Opportunity Maps in effect when the initial site control was obtained up to seven calendar years prior to the application. ~~Projects located in map areas designated as “Missing/Insufficient Data” or similar designation shall be considered to be in the resource area that most frequently surrounds the perimeter of the Project’s map area.~~

[...]

“Neighborhood Change Map” means the Final 2024 Neighborhood Change Map, and any subsequent updates, developed by HCD to identify neighborhoods that have undergone rapid racial/ethnic change and economic change, which present a risk of exacerbating challenges to Affirmatively Furthering Fair Housing.

[...]

“Preservation Project” means a QRRP Project applying for an allocation of tax-exempt bonds that is not a New Construction project and meets at least one of the following: (1) has a pre-1999 HCD loan that is being restructured pursuant to Health and Safety Code section 50560 ~~of~~ (AB 1699 projects); (2) is a replacement or rehabilitation project approved by HUD pursuant to a Section 18 or Section 22 Demolition/Disposition authorization; (3) is an At-Risk project that is not subject to a regulatory agreement imposing a rent restriction with a remaining term that is greater than five years from the year in which the application is filed that restricts income and rents on the residential units to an average no greater than 60% of the area median income; ~~or~~ (4) is a project being rehabilitated under the HUD Rental Assistance Demonstration (RAD) Program; (5) has received an award from HCD’s Portfolio Reinvestment Program; or (6) is an SRO housing type as defined in Section 10325(g) of the CTCAC regulations and the rehabilitation will add a bathroom and complete kitchen to each unit.

**Comments received:** Staff received various comments requesting clarification on items. 1 commenter asked if we would allow for grandfathering of missing/insufficient neighborhood map data within the 7-year lookback for projects using this assumption to score their site.

Comments regarding changes to BIPOC topics included asking if the BIPOC pre-qualification be valid for a period of time or need to happen every round. One commenter suggested language to clarify who would earn general partner experience points in a BIPOC joint venture with an experienced nonprofit. 2 commenters suggested increasing the nonprofit share to 49% of the economics interest. 1 commenter suggested only state certified BIPOC entities are allowed in the BIPOC Pool, qualifying on their own merits, and not with any partnership arrangement. 3 commenters supported the BIPOC pre-qualification process.

7 commenters support the addition the Neighborhood Change Map. There were suggestions to allow applicants to choose the Neighborhood Change Map designation from the year of application or from the year initial site control was obtained, up to seven calendar years from the application due date.

10 commenters support of the changes to the Preservation Project definition. There was a suggestion to consider reallocating a portion of bonds from the supplemental bond pool, which has been historically undersubscribed, to adequately fund the Preservation Pool now that the definition and the universe of projects has been expanded. There was also a suggestion to score the SRO rehabilitation at 20 points along with the HCD Portfolio Reinvestment Program. A commenter stated there are many existing properties that don't currently meet the Preservation Project definition but are in desperate need of recapitalization to address major building system(s) failure. Delay in addressing the physical needs will result in higher cost for repair later, and could put some properties in physical jeopardy. They suggest that CDLAC use the age of the property (perhaps over 30 years old), as well as the previously approved preservation definition: (5), a project that meets all of the following: (a) the project (or projects, if more than one) is not currently encumbered with an existing CDLAC (via bond issuer), CTCAC, or other affordability regulatory agreement, with the exception of a regulatory agreement associated with a HUD Project-Based Section 8 or USDA Rental Assistance contract; as a path forward for these aging properties in order to preserve the affordable asset.

Regarding the Community Revitalization Area changes, 4 commenters stated they not believe that Office of the Justice Programs Community Based Violence Intervention and Prevention Program awards, USDA Rural Community Development Initiative Grants, HUD-approved Neighborhood Revitalization Strategy Areas (NRSAs), or federal Opportunity Zones provide adequate resources or are broad-based enough to qualify as comprehensive community revitalization.

**Responses to comments:** Projects located in map areas designated as "Missing/Insufficient Data" or similar designation with site control prior to December 11, 2024, shall be considered to be in the resource area that most frequently surrounds the

perimeter of the Project's map area. Updates to the Community Revitalization Area definition are removed. The BIPOC Project definition is updated to clarify qualifying for General Partner experience points.

### **Final proposed changes:**

In addition to the definitions set forth in Government Code section 8869.82 and unless otherwise required by the context, the following terms as used in this chapter are defined as follows:

[...]

“BIPOC Project” means a Qualified Residential Rental Project for which the sponsor is a BIPOC Entity. A BIPOC Project may be a New Construction Project, Rural Project, Preservation Project, or Other Rehabilitation Project. The partnership agreement of a BIPOC Project must allocate at least 51% developer fee, cash flow, and net sale proceeds to the BIPOC Entity and provide the BIPOC Entity an option to purchase the development. All BIPOC Projects shall be prequalified under Section 5231(d).

[...]

“Community Revitalization Area” means one of the following areas for which a comprehensive Community Revitalization Plan has been adopted and efforts specific to that plan have occurred: 1) a Distressed Community; 2) a Federal Opportunity Zone, Choice Neighborhood, or 3) a Disadvantaged Community as identified by the California Environmental Protection Agency's CalEnviroScreen map.

“Community Revitalization Plan” means a plan for contributing to concerted community revitalization efforts as demonstrated by a letter from a local government official or the plan's lead agency. The letter shall explain how the proposed project will contribute to the community's planned revitalization and

include, but is not limited to, a description of the following community engagement, investment, and other revitalization efforts:

1. Community enhancement services in the area, including, but not limited to, job training and after-school enrichment programs.
2. Funds, not including funds for the proposed project, that have been expended in the past five (5) years or are being expended or committed to be expended to improve the community infrastructure, including, but not limited to, parks, storm water systems, sewer systems, and streets.
3. Projects, not including the proposed project, that have been completed within the past five (5) years or are underway or committed to be completed that contribute to community revitalization, including, but not limited to, retail, office, and housing projects.

“CTCAC/HCD Opportunity Area Map” shall have the same meaning as in Section 10302(ccc) of the CTCAC regulations. An applicant may choose to utilize the census tract or census block group resource designation, as applicable, from the CTCAC/HCD Opportunity Maps in effect when the initial site control was obtained up to seven calendar years prior to the application. Projects located in map areas designated as “Missing/Insufficient Data” or similar designation with site control prior to December 11, 2024, shall be considered to be in the resource area that most frequently surrounds the perimeter of the Project’s map area.

“Neighborhood Change Map” means the Final 2024 Neighborhood Change Map, and any subsequent updates, developed by HCD to identify neighborhoods that have undergone rapid racial/ethnic change and economic change, which present a risk of exacerbating challenges to Affirmatively Furthering Fair Housing.

[...]

“Preservation Project” means a QRRP Project applying for an allocation of tax-exempt bonds that is not a New Construction project and meets at least one of the following: (1) has a pre-1999 HCD loan that is being restructured pursuant to Health and Safety Code section 50560 of (AB 1699 projects); (2) is a replacement or rehabilitation project approved by HUD pursuant to a Section 18 or Section 22 Demolition/Disposition authorization; (3) is an At-Risk project that is not subject to a regulatory agreement imposing a rent restriction with a remaining term that is greater than five years from the year in which the application is filed that restricts income and rents on the residential units to an average no greater than 60% of the

area median income; or (4) is a project being rehabilitated under the HUD Rental Assistance Demonstration (RAD) Program; (5) has received an award from HCD's Portfolio Reinvestment Program; or (6) is an SRO housing type as defined in Section 10325(g) of the CTCAC regulations and the rehabilitation will add a bathroom and complete kitchen to each unit.

## **16. Section 5220. Regulatory Compliance**

The proposed change makes Trustee lower-case, as it is not a defined term.

### **Initial proposed changes:**

(a) All QRRP allocation recipients are required to execute a Bond Regulatory Agreement (the "Regulatory Agreement"), as a condition to the Committee's making an allocation, which will be recorded against the property for which the allocation is used, and will reflect all commitments outlined in exhibit A of the Committee's resolution. For projects submitted to CDLAC after December 31, 2016, the Regulatory Agreement shall terminate prior to the end of the CDLAC Resolution affordability term only in the event of (i) involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire or other casualty, seizure, requisition, change in a federal law or an action of a federal agency after the bond issuance which prevents the Issuer, Fiscal Agent and/or the Trustee (as applicable) from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, and/or transfer of title by deed in lieu of foreclosure in connection with a deed of trust directly or indirectly securing the repayment of Standard Permanent Bonds, or repayment of a non-Bond related obligation that provides permanent project financing and meets the requirements of section 5193 or condemnation or a similar event, but only if, in the case of the events described in either clause (i) or (ii) above, the bonds are redeemed within a reasonable period or the proceeds for the event are used to provide a project that meets the requirement of the Regulatory Agreement.

**Comments received:** Staff received no comments.

**Responses to comments:** N/A.

**Final proposed changes:** No updates to the proposed changes.

## **17. Section 5230. Evaluation Criteria.**

The proposed changes add Preservation Projects that receive an award of HCD's Portfolio Reinvestment Program shall receive 20 points and a project applying as an SRO housing type that will add a bathroom and complete kitchen to each unit shall

receive 14 points, in alignment with the change made under 5170 for Preservation Projects. Removes “sole” from 5230(f)(1)(C) to eliminate confusion. Under 5230(i) “in addition” was changed to “and”. The proposed changes under 5230(j)(2) remove the option for using adjacent resource area designations for areas with “Missing/Insufficient Data” with the CTCAC/HCD Opportunity Area Map to align with CTCAC’s methodology for reviewing opportunity areas. Additionally, the proposed changes add section (E) under 5230(n)(1) to state how many negative points a project may receive for extension requests under Sections 5101 and 5132 and for how long.

**Initial proposed changes:**

(a) [...]

(b) Preservation and Other Rehabilitation Project Priorities (20 points maximum).

(1) [...]

(v) A project that has received an award from HCD’s Portfolio Reinvestment Program.

(B) A project that meets at list one of the following shall receive 14 points:

(i) [...]

(iii) A project applying as an SRO housing type, as defined in Section 10325(g) of the CTCAC regulations, and the rehabilitation will add a bathroom and complete kitchen to each unit.

(C) [...]

(f) General Partner and Management Company Experience (10 points maximum).

(1) [...]

(C) 7 points if the ~~sole~~ sponsor is a BIPOC Entity that

(g) [...]

(i) Readiness to Proceed (10 points maximum). A project shall receive the number of points for which it is eligible pursuant to Section 10325(c)(7) of the CTCAC regulations, except that the applicant shall demonstrate that construction can

commence within 180 days of the bond allocation. Projects that receive the maximum number of points pursuant to this subdivision shall have a readiness deadline that aligns with the allocation expiration assigned pursuant to Section 5100(b)(3)(i), and submit within that time period evidence of the issuance of building permits or the applicable tribal documents and notice to proceed delivered to the contractor. Failure to meet the assigned due date shall result in rescission of the bond allocation and, ~~In addition,~~ negative points may be assessed at the discretion of the Committee pursuant to subdivision (n).

(j) Affirmatively Furthering Fair Housing (10 points maximum).

(1) [...]

~~(2) For purposes of subdivisions (A), a project located in a resource area designated on the CTCAG/HCD Opportunity Area Map as “Missing/Insufficient Data” shall be considered to have the designation of the adjacent resource area that shares the longest common boundary with the resource area in which the project is located.~~

(k) [...]

(n) Negative Points (no maximum).

(1) The Committee may deduct points for an Application involving a Project Sponsor that has been or is a Related Party to a Project Sponsor (i.e. in the ownership structure) for which an Allocation has been awarded as follows:

(A) [...]

(E) Ten (10) points may be deducted in connection with any extension granted by the Committee for allocations of QRRP Bonds pursuant to Sections 5101 and 5132. This deduction may be assessed against the Project Sponsor for a period of up to two (2) succeeding years (10 points each year) following the year the Allocation was awarded.

(2) [...]

**Comments received:** Staff received 1 comment suggesting if we remove the insufficient data option for the opportunity maps, we need to add a points option for places with missing or insufficient data. There was a comment opposing removal of the missing/insufficient data option stating it is common that surplus land is located on or

adjacent to large government campuses, and therefore the tract may have missing/insufficient data. Additionally, this change does not align with the proposed Super NOFA Guidelines for 2025, which include the ability to count a neighboring census tract's opportunity area designation if the project's tract has missing/insufficient data.

12 commenters opposed the changes to negative points. Comments included concerns about challenges meeting the 180-day readiness deadlines have become increasingly challenging to meet, especially for projects in large jurisdictions or with complicated financing structures. Specifically, hybrid 9% and 4% projects rely on the extension mechanism for the 9% allocation to catch up to the 4% timing. Negative points would completely halt the pipeline of a developer for the 2 years in which they would remain. There is a recommendation to only deduct points for bond issuance extensions beyond 90 days that result from circumstances within an Applicant's control (i.e., excluding the types of extensions granted under Section 5101(a)).

3 comments recommended maximum AFFH points for areas experiencing Neighborhood Change.

**Responses to comments:** Removing the option for scoring areas with missing/insufficient data is intended to align with CTCAC scoring. And negative points are permissive and under the discretion of the Committee.

**Final proposed changes:** No updates to the proposed changes.

## **18. Section 5231. Ranking.**

The proposed changes add Section 5231(d), a BIPOC prequalification process. The proposed changes also remove Section 5231(e)(1)(B), the paragraph related to priorities within the Homeless Set Aside because this incentive has creating operating challenges for many supportive housing developments.

Community Revitalization Area Benefits was changed to Community Revitalization Area Benefit in Section 5231(g)(1)(D) for consistency with references in other areas and adds "Area" to Community Revitalization in section 5231(D)(2) for consistency. Additionally, the proposed changes add a resource area benefit for neighborhoods identified as experiencing neighborhood in the HCD Neighborhood Change Map. The proposed changes also move the reference to receiving only one benefit to the correct areas. The proposed changes remove reference to measuring amenities on a walkable path for consistency with site amenity scoring.

In order to address inequities in the tie breaker for preservation projects with high capital needs, staff proposes two changes. First, the proposed change would allow the rent savings benefit in the numerator to be calculated using actual rents that have been lower than the CTCAC rent limits. For these projects, the rent savings would be the county fair market rent minus the average of actual rents charged over the last three

years. Second, the proposed change would allow the denominator would be adjusted by up to 15% for rehabilitation projects involving seismic upgrading or environmental mitigation, consistent with the requirements for a threshold basis limit increase for 9% projects to improve tiebreakers for projects with extraordinary rehab needs.

**Initial proposed changes:**

After all Applications for Qualified Residential Rental Projects are evaluated pursuant to Section 5230, the Applications shall be ranked and may be awarded an Allocation as follows, except that a project shall not receive a bond allocation if it had requested and is not scheduled to receive an award of State Tax Credits:

(a) [...]

(d) Applications for BIPOC Projects

(1) For any QRRP allocation round, all Applicants intending to qualify as a BIPOC Project to compete in the BIPOC pool shall pre-qualify as a BIPOC Project under this subdivision. Pre-qualification means the Executive Director determined the Applicant is a BIPOC Project under Section 5170.

A. At least 15 business days prior to the QRRP Application due date for an allocation round in which an Applicant intends to compete as a BIPOC Project, the Applicant shall submit a prequalification request to the Executive Director using the prequalification request form available on the CDLAC website.

B. The Executive Director shall issue a decision in response to any requests received under subdivision (d)(1)(A) no later than five (5) business days prior to a QRRP allocation round application due date. The Executive Director may request clarification or additional documentation from the Applicant about the prequalification request.

C. A pre -qualification approval letter is required to be included in any application submitted for a QRRP allocation round where the applicant intends to compete in the BIPOC pool.

D. The Executive Director's decision under subdivision (d)(1)(B) is not appealable to the Committee. Nothing herein limits an Applicant's right to an appeal under Sections 5036 or the Committee's authority to disqualify an application under Section 5146.

E. Applicants with pre-qualification requests not granted by the Executive Director shall not compete in the BIPOC pool but shall be eligible to compete for an Allocation under subdivisions (a), (b), (c), and (e) of this section.

(d~~2~~) Applications for BIPOC Projects will be ranked amongst themselves, and separately from Applications for all other Qualified Residential Rental Projects. Applications for BIPOC Projects awarded the greatest number of points after factoring in the tiebreaker pursuant to Section 5231(g), as applicable, shall be awarded an Allocation from the BIPOC Pool. Applications for BIPOC Projects not receiving an Allocation pursuant to this subdivision shall be eligible for consideration for an Allocation under subdivisions (a), (b), (c), and (e) of this section.

(e) Applications for Qualified Residential Rental Projects that are New Construction Projects, exclusive of Rural Projects, will then be ranked together. Applications receiving the greatest number of points after factoring in the tiebreaker pursuant to Section 5231(g), as applicable, shall be awarded an Allocation from the New Construction Pool in the following manner.

(1)(A)-Set Aside application selection. Beginning with the top ranked application from the Homeless Set Aside, subject to the conditions in Section 5231(e)(1)(B), followed by the Extremely Low/Very Low Income Set Aside, and the Mixed Income Set Aside, the highest scoring applications in each Set Aside shall be awarded an Allocation pursuant to the procedures in Section 5231(f). A project that meets the criteria of both the Homeless Set Aside and the Extremely Low/Very Low Income Set Aside shall be eligible for an allocation from either Set Aside. If the Homeless Set Aside is undersubscribed in a competitive round the remaining funds will transfer to the Extremely/Very Low Income Set Aside. All New Construction Projects, exclusive of Rural Projects, that do not receive an allocation from a Set Aside shall be eligible for an allocation from their respective geographic region pursuant to subdivision (e)(2).

~~(B) For purposes of the Homeless Set Aside only, applications for projects in which at least 45% of the tax credit units are designated for homeless households as defined in Section 10315(b)(1) (4) of the CTCAC regulations at affordable rents consistent with Section 10325(g)(3) of the CTCAC regulations shall be awarded an Allocation prior to any other application eligible for the Homeless Set Aside provided that those projects earn at least 95% (rounded down to the nearest whole number) of the maximum available points pursuant to Section 5230.~~

(3) [...]

(g) If two or more Applications are awarded the same total number of points, those Applications shall be ranked according to the highest amount of public benefit per dollar of cost-adjusted Bond and State Credit Allocation requested.

(1) [...]

(B) The project's rent savings benefit, which is as follows:

(i) For all projects not covered in subparagraph (ii), the product of the sum across all tax credit units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the area median income monthly gross rent limit for that unit at the targeted rent level for the appropriate bedroom size, all calculated according to the methodology for tax credit rents, multiplied by 180. If this calculation results in a negative number for any particular unit, then the rent savings benefit for that unit shall not be lower than zero. Units with federal project-based rental assistance shall be assigned targeted rent levels of 30% AMI regardless of their actual income targeting. If the average affordability of tax credit units, exclusive of units with rental assistance, is less than 40% AMI, then the calculation shall assume a targeted rent level of 40% AMI for each tax credit unit that does not have rental assistance.

(ii) For Preservation Projects whose actual rents are less than the CTCAC rent limits, the sum of the following: (a) for tax credit units without federal project-based rental assistance, the product of the sum across all such units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the average rent charged for each unit over the last three years, as documented with rent rolls or property audits, multiplied by 180; and (b) for tax credit units with federal project-based rental assistance the product of the sum across all such units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the targeted rent level at 30% AMI regardless of their actual income targeting.

(C) [...]

(D) The project's location benefit, which is comprised of a Resource Area benefit, a Community Revitalization Area benefit, and a transit/walkability benefit. If a project is eligible for both a Resource Area benefit and a Community Revitalization Area benefit, the applicant shall select only one of these benefits. The Resource Area benefit and Community Revitalization Area benefits shall not be additive.

1. The Resource Area benefit is one of the following:

(i) [...]

(iv) The product of the bedroom-adjusted number of tax credit units in a new construction or acquisition/rehabilitation project located in neighborhoods identified

as experiencing neighborhood change as specified on the HCD Neighborhood Change Map multiplied by \$30,000.

(v) A project is ineligible for this benefit if it receives a Community Revitalization Area benefit.

2. The Community Revitalization Area benefit is the product of the bedroom-adjusted number of tax credit units that are located in a Community Revitalization Area and are a component in the Area's Community Revitalization Plan multiplied by \$20,000.

(i) [...]

~~(ii) A project is ineligible for this benefit if it receives a Community Revitalization Area benefit.~~

3. The transit/walkability benefit is the sum of the following:

(i) [...]

(ii) The product of the bedroom-adjusted number of tax credit units within the project, multiplied by the number of non-transit site amenity point categories for which the project is eligible for the maximum points pursuant to Section 5230(m) (see CTCAC regulation Section 10325(c)(4)(A)2. through 9.), multiplied by \$4,000. ~~For purposes of this subdivision, the site amenity distances shall be measured by a walkable path;~~

(iii) [...]

(2) The cost-adjusted Bond and State Credit Allocation shall be calculated by reducing the unadjusted Bond and State Credit Allocation request by the following, as applicable:

(A) [...]

(D) For projects requiring seismic upgrading of existing structures, and/or projects requiring on-site environmental remediation, including cleanup of lead or asbestos, sporic growth, and dry rot due to water intrusion, the lesser of 15% or the percentage of the bond request related to such costs, to the extent that the project architect or seismic engineer certifies in the application to the costs associated with such work.

**Comments received:** Staff received 14 comments supporting Preservation Project rent differential scoring changes. Commenters requested the same adjustment be offered to Other Rehabilitation and New Construction projects. A commenter stated there are local rental assistance programs that are similar to federal assistance but not similarly included. Two specifically come to mind: San Francisco's Local Operating Subsidy Program and the County of Los Angeles' Flexible Housing Subsidy Pool. We understand that the City of Oakland is piloting a similar program as we speak and that San Mateo County is likely to offer a similar program soon. To encourage such local programs and to ensure a level playing field for similar types of rental assistance, we recommend that CDLAC either 1) specifically include the SF and LA programs in the rent savings benefit and allow the Executive Director to add other similar programs that come along later, or 2) more generally include local rental assistance programs that provide significant (i.e., the difference between 30% of a household's income and a defined payment standard) rental assistance for at least 15 years.

Staff received 14 comments supporting the tiebreaker adjustment for significant seismic/remediation work for Rehabilitation Projects. Additional comments included removing dry rot from the list as it is common and not expensive to repair and specify the work is being performed on existing residential structures only.

11 commenters supported removing the 45% homeless priority while 5 commenters opposed the change.

Regarding the neighborhood change tiebreaker adjustment a commenter encouraged staff to use the location of a project in the Neighborhood Change map area as an alternative pathway to the 120th point for the overall scoring rubric.

There was also a request to clarify the number of days for staff to respond to BIPOC pre-qualification requests.

**Responses to comments:** Staff updated changes to clarify timing for BIPOC pre-approval responses. The rent savings benefit section now includes an option for approval to use local rental assistance programs. The tiebreaker adjustment for rehabilitation expenses is further clarified.

### **Final proposed changes:**

After all Applications for Qualified Residential Rental Projects are evaluated pursuant to Section 5230, the Applications shall be ranked and may be awarded an Allocation as follows, except that a project shall not receive a bond allocation if it had requested and is not scheduled to receive an award of State Tax Credits:

(a) [...]

(d) Applications for BIPOC Projects

(1) For any QRRP allocation round, all Applicants intending to qualify as a BIPOC Project to compete in the BIPOC pool shall pre-qualify as a BIPOC Project under this subdivision. Pre-qualification means the Executive Director determined the Applicant is a BIPOC Project under Section 5170.

A. At least 15 business days prior to the QRRP Application due date for an allocation round in which an Applicant intends to compete as a BIPOC Project, the Applicant shall submit a prequalification request to the Executive Director using the prequalification request form available on the CDLAC website.

B. The Executive Director shall issue a decision in response to any requests received under subdivision (d)(1)(A) within 10 business days no later than five (5) business days prior to a QRRP allocation round application due date. The Executive Director may request clarification or additional documentation from the Applicant about the prequalification request that may extend the Executive Director's time for response.

C. A pre -qualification approval letter is required to be included in any application submitted for a QRRP allocation round where the applicant intends to compete in the BIPOC pool.

D. The Executive Director's decision under subdivision (d)(1)(B) is not appealable to the Committee. Nothing herein limits an Applicant's right to an appeal under Sections 5036 or the Committee's authority to disqualify an application under Section 5146.

E. Applicants with pre-qualification requests not granted by the Executive Director shall not compete in the BIPOC pool but shall be eligible to compete for an Allocation under subdivisions (a), (b), (c), and (e) of this section.

(d~~2~~) Applications for BIPOC Projects will be ranked amongst themselves, and separately from Applications for all other Qualified Residential Rental Projects. Applications for BIPOC Projects awarded the greatest number of points after factoring in the tiebreaker pursuant to Section 5231(g), as applicable, shall be awarded an Allocation from the BIPOC Pool. Applications for BIPOC Projects not receiving an Allocation pursuant to this subdivision shall be eligible for consideration for an Allocation under subdivisions (a), (b), (c), and (e) of this section.

(e) Applications for Qualified Residential Rental Projects that are New Construction Projects, exclusive of Rural Projects, will then be ranked together. Applications receiving the greatest number of points after factoring in the tiebreaker pursuant to

Section 5231(g), as applicable, shall be awarded an Allocation from the New Construction Pool in the following manner.

(1)(A) Set Aside application selection. Beginning with the top ranked application from the Homeless Set Aside, subject to the conditions in Section 5231(e)(1)(B), followed by the Extremely Low/Very Low Income Set Aside, and the Mixed Income Set Aside, the highest scoring applications in each Set Aside shall be awarded an Allocation pursuant to the procedures in Section 5231(f). A project that meets the criteria of both the Homeless Set Aside and the Extremely Low/Very Low Income Set Aside shall be eligible for an allocation from either Set Aside. If the Homeless Set Aside is undersubscribed in a competitive round the remaining funds will transfer to the Extremely/Very Low Income Set Aside. All New Construction Projects, exclusive of Rural Projects, that do not receive an allocation from a Set Aside shall be eligible for an allocation from their respective geographic region pursuant to subdivision (e)(2).

~~(B) For purposes of the Homeless Set Aside only, applications for projects in which at least 45% of the tax credit units are designated for homeless households as defined in Section 10315(b)(1)-(4) of the CTCAC regulations at affordable rents consistent with Section 10325(g)(3) of the CTCAC regulations shall be awarded an Allocation prior to any other application eligible for the Homeless Set Aside provided that those projects earn at least 95% (rounded down to the nearest whole number) of the maximum available points pursuant to Section 5230.~~

(4) [...]

(g) If two or more Applications are awarded the same total number of points, those Applications shall be ranked according to the highest amount of public benefit per dollar of cost-adjusted Bond and State Credit Allocation requested.

(2) [...]

(B) The project's rent savings benefit, which is as follows:

(i) For all projects not covered in subparagraph (ii), the product of the sum across all tax credit units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the area median income monthly gross rent limit for that unit at the targeted rent level for the appropriate bedroom size, all calculated according to the methodology for tax credit rents, multiplied by 180. If this calculation results in a negative number for any particular unit, then the rent savings benefit for that unit shall not be lower than zero. Units with federal project-based rental assistance or a similar local rental assistance program approved by the Executive Director shall be assigned targeted rent levels of 30% AMI regardless of their actual income targeting. If the average affordability of tax credit units, exclusive of units with rental assistance, is less than

40% AMI, then the calculation shall assume a targeted rent level of 40% AMI for each tax credit unit that does not have rental assistance.

(ii) For Preservation Projects whose actual rents are less than the CTCAC rent limits, the sum of the following: (a) for tax credit units without federal project-based rental assistance, the product of the sum across all such units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the average rent charged for each unit over the last three years, as documented with rent rolls or property audits, multiplied by 180; and (b) for tax credit units with federal project-based rental assistance the product of the sum across all such units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the targeted rent level at 30% AMI regardless of their actual income targeting.

(C) [...]

(D) The project's location benefit, which is comprised of a Resource Area benefit, a Community Revitalization Area benefit, and a transit/walkability benefit. If a project is eligible for both a Resource Area benefit and a Community Revitalization Area benefit, the applicant shall select only one of these benefits. The Resource Area benefit and Community Revitalization Area benefits shall not be additive.

1. The Resource Area benefit is one of the following:

(i) [...]

(iv) The product of the bedroom-adjusted number of tax credit units in a new construction or acquisition/rehabilitation project located in neighborhoods identified as experiencing neighborhood change as specified on the HCD Neighborhood Change Map multiplied by \$30,000.

(v) A project is ineligible for this benefit if it receives a Community Revitalization Area benefit.

2. The Community Revitalization Area benefit is the product of the bedroom-adjusted number of tax credit units that are located in a Community Revitalization Area and are a component in the Area's Community Revitalization Plan multiplied by \$20,000.

(i) [...]

~~(ii) A project is ineligible for this benefit if it receives a Community Revitalization Area benefit.~~

3. The transit/walkability benefit is the sum of the following:

(i) [...]

(ii) The product of the bedroom-adjusted number of tax credit units within the project, multiplied by the number of non-transit site amenity point categories for which the project is eligible for the maximum points pursuant to Section 5230(m) (see CTCAC regulation Section 10325(c)(4)(A)2. through 9.), multiplied by \$4,000. ~~For purposes of this subdivision, the site amenity distances shall be measured by a walkable path;~~

(iii) [...]

(2) The cost-adjusted Bond and State Credit Allocation shall be calculated by reducing the unadjusted Bond and State Credit Allocation request by the following, as applicable:

(A) [...]

(D) For Preservation or Other Rehabilitation projects requiring seismic upgrading of existing residential structures, and/or requiring on-site environmental remediation, including cleanup of lead or asbestos and sporic growth, the lesser of 15% or the percentage of the bond request related to such costs, to the extent that the project architect or seismic engineer certifies in the application to the costs associated with such work.

### **19. Section 5232. Competitive Application Process Maximum Allocation Amount.**

The proposed changes increase the maximum bond allocation amount to \$80,000,000 in response to the number of waiver requests received to the current \$75,000,000 allocation limit.

#### **Initial proposed changes:**

(a) For projects subject to the Competitive Application Process, the Committee will allocate no more than ~~seventy-five~~eighty million dollars (\$~~75~~80,000,000) for any proposed Qualified Residential Rental Project. Where a proposed Qualified Residential Rental Project is located within one-fourth (1/4) mile of another Qualified Residential Rental Project involving the same Project Sponsor or a Related Party to the Project Sponsor, the Allocation amounts for the Qualified Residential Rental Projects cannot, in the aggregate, exceed ~~seventy-five~~eighty million dollars (\$~~75~~80,000,000) within a calendar year.

(b) The Committee may waive this maximum allocation amount if the Committee determines that the demand for allocation for Qualified Residential Rental Projects is such that the maximum allocation amount is not warranted. An Applicant requesting an Allocation in excess of ~~seventy-five~~eighty million dollars (~~\$75~~\$80,000,000) may seek a waiver from the Committee based on the following factors:

(1) The Qualified Residential Rental Project qualifies as an At-Risk Project; or

(2) Documentation is provided in the Application indicating why a Qualified Residential Rental Project cannot be developed in phases at an ~~seventy-five~~eighty million-dollar (~~\$75~~\$80,000,000) level. The documentation must be specific and may include, but is not limited to, a site plan detailing the layout of the subject property, unit mix per stage of the phase, any unique features of the property which inhibits phasing, a description of infrastructure costs, and a cost breakdown by phases.

**Comments received:** Staff received several comments regarding changes to allocation limits. 8 commenters supported changes, 5 of them recommended to eliminate the per-project and per-unit bond limits and rely exclusively on the tiebreaker to ensure efficiency. If a per-project limit is maintained, we recommend increasing to [\$90 or \$100 million] the threshold at which a waiver is required. If a per-unit limit is maintained, we support the ability to request a waiver and recommend that CDLAC to account for projects with commercial space, whose costs must be included in the 50% test.

**Responses to comments:** No further changes to this section.

**Final proposed changes:** No updates to the proposed changes.

## 20. Section 5233. Allocation Limits

The proposed changes add a provision for a waiver of the per unit allocation limit similar to the maximum total allocation limit.

**Initial proposed changes:**

(a) Limit CDLAC bond allocation on all units in the QRRP Pools as follows:

Studio and SRO:	\$522,000
One-bedroom:	\$544,000
Two-bedroom:	\$580,000
Three-bedroom:	\$638,000
Four- or more bedroom:	\$671,000

(b) The Committee may waive this maximum per unit allocation amount if total allocation does not exceed eighty million dollars (\$80,000,000) and the Committee determines that the demand for allocation for Qualified Residential Rental Projects is such that the maximum allocation amount is not warranted. An Applicant requesting

an Allocation in excess of the per unit maximum must demonstrate the need for a larger allocation is necessary for project feasibility or to meet the 50% aggregate depreciable basis plus land test.

(b<sub>c</sub>) Private Activity Bond allocation awards cannot exceed 55% of the aggregated depreciable basis plus land basis. In determining compliance with this test, CDLAC staff may rely on the legal or tax opinion submitted with the application.

**Comments received:** 2 commenters supported adding a per unit allocation limit waiver and asked for guidance for requesting a waiver. Another commenter suggested Section c of 5233 should be removed or the ceiling amount should be raised from 55% to 60%.

**Responses to comments:** No further changes to this section.

**Final proposed changes:** No updates to the proposed changes.

## § 5144. Annual Applicant Public Benefits and On-Going Compliance Self Certification.

(a) All Projects that receive an Allocation and are within an existing regulatory period and/or compliance period shall be monitored for compliance with the applicable terms and conditions of the Committee Resolution by the Applicant (Issuer) and CDLAC. The new Issuer takes responsibility of reporting on projects that have resyndicated after Year 15. Upon request, CDLAC will review and approve a termination of the original bond regulatory agreement with the requirement that the new agreement include affordability requirements that are at least as restrictive as those in the original agreement.

(b) The self-certification must be submitted by the Applicant to CDLAC no later than March 1 of each year (or at such other time as requested by the Committee). The requirement shall be enforceable by the Committee through an action for specific performance or other available remedy affecting the Applicant including but not limited to disqualification from the program.

(1) For Projects receiving an Allocation prior to December 31, 2016, the Applicant shall complete and submit the Annual Applicant Public Benefits and On-going Compliance Self Certification, via the online compliance certification system annually for the longer of the period the bonds remain outstanding or the period of restriction for QRRP projects outlined in Section 5192.

(2) For Projects receiving allocation after December 31, 2016, the Applicant shall complete and submit the Annual Applicant Public Benefits and On-going Compliance Self Certification via the online compliance certification system every year until the completion of the project and then if the project is subject to a Regulatory Period and/or Compliance Period every three years thereafter or sooner upon a termination of the Regulatory Period and/or Compliance Period.

Additionally, Project Sponsors shall be required to prepare and forward a CTCAC Project Status Report (PSR) or equivalent documentation to the Applicant annually in conjunction with the Annual Applicant Public Benefits and On-going Compliance Self Certification. Sponsors shall retain information pertaining to the income verification process for 10 years.

Federally Bond-Restricted units will include a distribution of unit locations, sizes and income levels (if applicable) and must be identified in the PSR. For this 20% of files, Applicants must review each initial or subsequent occupant/s and their associated TIC in conjunction with the supporting income verification documentation of each occupant's initial occupancy and make a determination if the project is complying with the income and affordability standards. Additionally, Applicants must ensure a lease is in place and executed. This review may be performed on-site or may be performed through an electronic file audit. Completion of this task in addition to a valid Certification of Compliance II or equivalent form will provide Issuers with the ability to report annually to CDLAC regarding compliance with the Federally Bond-Restricted unit restrictions. Information pertaining to the income verification process will be kept on file for 10 years. Applicants must retain documentation memorializing review and determination of income eligibility for 10 years. Source income documentation must be retained for 1 year. (1) Applicants that can demonstrate to the Executive Director's satisfaction experience and current capacity to conduct on-site physical and file inspections through their Compliance Policies will be required to conduct the 20% review of the Federally Bond-Restricted units files on-site and perform a site inspection consistent with their Bond Compliance Policy every 3 years after the Qualified Project Period has commenced.

(2) Applicants that cannot demonstrate to the Executive Director's satisfaction capacity to conduct on-site physical and file inspections through their Compliance Policies will be required to enter into an agreement with a private third party compliance firm, approved by CDLAC, who must conduct the 20% review of Federally Bond-Restricted units files on-site and perform a site inspection consistent with their current policies and procedures every 3 years after the Qualified Project Period has commenced.

(3) A Sponsor can enter into contract with CDLAC or a designee to monitor the Federally Bond-Restricted units for consistency with the bond regulatory agreement and the Committee Resolution. The charge for this service will be equivalent to the compliance fee charged by CTCAC at the time the project submits their application to CDLAC.

(4) The election of the option will be included in the Committee Resolution.

(c) **Utility Allowance Evidence.** All Projects shall be subject to the use of Gross Rent as defined by Section 5170 and shall provide evidence in one of the following forms:

(1) A letter from the local public housing authority that includes a current utility allowance schedule, certifies that the proposed Project is located within its jurisdiction and itemizes which components of the utility allowance schedule applies to the Project. Projects that are subject to a Department of Housing and Urban Development (HUD) Section 8 Housing Assistance Payments Program do not require a housing authority certification and may rely solely on the utility allowance included in a HUD rent schedule provided the schedule specifically identifies the name of the Project.

(2) If a Project is to be substantially retrofitted for energy conservation or will be newly constructed with substantial energy conservation, the Applicant may submit revised utility allowances based on the projected reduction in utility costs after construction or retrofit. The revised utility allowances shall be validated by either of the following:

(A) A letter from the public utility or housing authority having jurisdiction over the Project that validates the revised utility allowances based on the proposed use of energy conservation materials, or

(B) A current utility allowance estimate consistent with 26 CFR section 1.42-10 (4-1-17), which is hereby incorporated by reference. The Applicant must indicate which components of the utility allowance schedule apply to the Project. For buildings that are using an energy consumption model utility allowance estimate, the estimate shall be calculated using the most recent version of the California Utility Allowance Calculator (CUAC) developed by the California Energy Commission; and in accordance with the California Tax Credit Allocation Committee's minimum requirements for utility allowance estimates, Title 4, Division 17, Chapter 1, Section 10322(h)(21).

## § 5192. Minimum Term of Restrictions.

(a) Income and rent restrictions as identified in the Committee Resolution for the total number of units must be maintained for the Qualified Project Period. Except as provided in subdivision (b), the Qualified Project Period shall be fifty-five (55) years following the date on which fifty percent (50%) occupancy is achieved or otherwise commencement of the Qualified Project Period. Projects located on Native American Lands shall have a term of restriction of 50 years from the property lease effective date.

(b) If a Project is intended for eventual tenant homeowners the applicant shall provide evidence of a financially feasible program in the Application. The program shall include, but is not limited to, an exit strategy, home ownership counseling, funds to be set aside to assist tenants in the purchase of units, no involuntary relocation of tenants, and a plan for conversion of the facility to home ownership no sooner than the end of the initial 15-year Qualified Project Period as required by 26 U.S.C. section 142(d)(2)(A). In such a case, the regulatory agreement shall contain provisions for the enforcement of such covenants.

## § 5193. Debt Service Coverage Ratio.

(a) For Qualified Residential Rental Projects, the minimum debt service coverage ratio (the ratio of the net operating income from the Project divided by the required debt service on the debt associated with the Project) shall meet the requirements outlined in Section 10327(g)(6) of CTCAC Regulations, except for FHA/HUD projects, RHS projects or projects financed by the California Housing Finance Agency.

(b) Applicants shall complete the following information relating to the Debt Service Coverage Ratio contained in the commitment for credit enhancement or private placement purchase of bonds, using annualized pro-forma figures:

(1) Potential gross income less vacancy rate. Applicants shall use market area vacancy rate or appraised vacancy rate, but in no event use less than 5%. If less than 5% is being used, a written explanation as to the reason must accompany the Application.

(2) net operating income (effective gross income minus operating expenses (include Operating & Replacement Reserves)), and

(3) principal plus interest (debt service), and

(4) the debt service coverage ratio (net operating income divided by principal plus interest). If Potential Gross Income is significantly higher than Monthly Gross Rent, then CDLAC may ask the applicant to identify other sources of Potential Gross Income to ascertain that these other sources are allowed.

(c) The Applicant shall also submit an itemized breakdown of the operating expenses. Annual operating expenses: general administrative (advertising, legal, accounting/audit, security, other and total general administrative), management fee, utilities (fuel, gas, water/sewer, other, total utilities), payroll/payroll taxes (on-site manager, maintenance personnel, insurance, other, total payroll/payroll taxes), maintenance (painting, repairs, trash removal, exterminating, grounds, elevator, other, total maintenance), service amenities budget (service coordinator/social worker, other, total service amenities), other (specify)(total other), total annual residential operating expenses, total real estate taxes, total reserves (operating and replacement), annual commercial operating expenses (if applicable), total commercial space expenses (if applicable) and total operating expenses.

## Article 4. Market Studies

### § 5200. Minimum Requirements.

The Market Study shall meet the current guidelines as required by the California Tax Credit Allocation Committee (CTCAC), in California Code of Regulations, Title 4, Section 10322(h)(10).

- (a) A full Market Study with a Rent Comparability Matrix for each applicable unit type prepared within (180) days of the Application deadline by an independent third party having no identity of interest with the Applicant, Project Sponsor, or Related Party is required.
- (b) The study must establish both need and demand for the proposed Project. If the Market Study does not support sufficient need and demand for the Project, the Application may be considered ineligible to receive an award of Allocation.
- (c) A market study shall be updated when proposed subject project rents change by more than five percent (5%), or the distribution of higher rents increased by more than 5%, or 180 days have elapsed between the earliest site inspection date for the subject property or comparable properties and the application submission deadline for the round in which the Project is seeking an allocation. CDLAC shall not accept an updated market study when more than twelve (12) months have passed since the earliest listed site inspection date of either the subject property or any comparable property. In such cases, applicants shall provide a new market study.
- (d) Acquisition/Rehabilitation projects subject to an existing Residential Rental Regulatory Agreement or a federal, state, or local operating or rental assistance agreement may provide, as an alternative to providing a market study and affordability matrices consistent with Section 5200(a), a comprehensive market study consistent with 26 U.S.C.

# California Debt Limit Allocation Committee Regulations

Section 42 (m)(1)(A)(iii). The study shall be a written statement, certified by a third-party market analyst, which includes a current rent roll. In addition, the project shall meet at least one of the following requirements:

(1) as certified by a third-party market analyst, the proposed tenant paid rents and income targeting will not exceed one hundred-five percent (105%) of the current rents and targeting and a vacancy rate of no more than five percent (5%); for single room occupancy and special needs housing a vacancy rate of no more than ten percent (10%); or

(2) as evidenced by copies of executed contracts, that the Project has been receiving federal, state, or local operating or rental assistance and will continue to receive such assistance for at least five (5) additional years. If a contract demonstrating operating or rental assistance for an additional five (5) years is not available, a letter signed by the contractor's senior official may be submitted that describes the efforts undertaken to effectuate an operating or rental assistance contract, the expected duration of the contract, and the expected contract execution date.

Except as provided below for reapplications, the Applicant shall submit a Capital Needs Assessment with report and inspection dates within 180 days prior to the Application deadline that details the condition and remaining useful life of the building's major structural components, all necessary work to be undertaken and its associated costs, as well as the nature of the work, and distinguishing between immediate and long-term repairs. The Capital Needs Assessment shall also include a fifteen (15) year reserve study, indicating anticipated dates and costs of future replacements of all major building components that are not being replaced immediately and the reserve contributions needed to fund those replacements. The Capital Needs Assessment shall be prepared by the Project's architect, as long as the architect has no identity of interest with the Project Sponsor or other member of the development team; or by a qualified independent third party who has no identity of interest with any of the members of the development team. The Capital Needs Assessment is not required if the Project, within the immediately preceding three (3) years, received an Allocation and this requirement was satisfied in the original Application. ## Article 7. Post Issuance Oversight and Termination of Project-Based Subsidies

### § 5220. Regulatory Compliance.

(a) All QRRP allocation recipients are required to execute a Bond Regulatory Agreement (the "Regulatory Agreement"), as a condition to the Committee's making an allocation, which will be recorded against the property for which the allocation is used, and will reflect all commitments outlined in exhibit A of the Committee's resolution. For projects submitted to CDLAC after December 31, 2016, the Regulatory Agreement shall terminate prior to the end of the CDLAC Resolution affordability term only in the event of (i) involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire or other casualty, seizure, requisition, change in a federal law or an action of a federal agency after the bond issuance which prevents the Issuer, Fiscal Agent and/or the Trustee (as applicable) from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, and/or transfer of title by deed in lieu of foreclosure in connection with a deed of trust directly or indirectly securing the repayment of Standard Permanent Bonds, or repayment of a non-Bond related obligation that provides permanent project financing and meets the requirements of section 5193 or condemnation or a similar event, but only if, in the case of the events described in either clause (i) or (ii) above, the bonds are redeemed within a reasonable period or the proceeds for the event are used to provide a project that meets the requirement of the Regulatory Agreement.

(b) If Cash Flow Permanent Bonds finance project costs in projects submitted to CDLAC after December 31, 2016, all units identified in the CDLAC resolution, including both the Federally Bond-Restricted Units and the Other Restricted Units, will be incorporated into the Bond Regulatory Agreement. Assumptions to be included in the Bond Regulatory Agreement regarding the Other Restricted Units will include the AMI as outlined in the CDLAC

## California Debt Limit Allocation Committee Regulations

resolution, a limitation that tenants pay no more than 30% of their income, and 1.5 person per bedroom occupancy standard to determine the applicable rent.

(c) For projects receiving allocation after December 31, 2016, The Bond Regulatory Agreement will:

- (1) Incorporate the CDLAC resolution by reference and as an attachment;
- (2) Have a term consistent with the income and rental restrictions established in the Resolution. The Bond Regulatory Agreement shall terminate in 55 years (50 years for Projects located on Native American Lands) from the date 50% occupancy is achieved or the commencement of the CDLAC Qualified project period, whichever date is earlier;
- (3) Include all applicable income and affordability requirements outlined in 26 U.S.C. § 142, Cal. H&S Code § 34312.3 (c)(1) & (2), Cal. H&S Code § 51335(a), and Cal. H&S Code § 52080 (a)(1);
- (4) Clarify that compliance with items not contained within the body of the Bond Regulatory Agreement but referred to in the CDLAC resolution are the responsibility of the Sponsor to report to the Issuer;
- (5) Designate CDLAC to receive notice of changes in ownership, Issuer, project name and management company; and
- (6) Designate CDLAC to receive all notices regarding defaults associated with the rents and income requirements, Bond Default, Qualified Bond Default, and regulatory termination.

(d) Where a Project is receiving renewable project-based rental assistance or operating subsidy:

- (1) the Sponsor shall in good faith apply for and accept all available renewals; and
- (2) if the project-based rental assistance or operating subsidy is terminated through no fault of the owner, the property owner shall immediately notify CDLAC in writing and shall make every effort to find alternative subsidies or financing structures that would maintain the deeper income targeting contained in the CDLAC resolution. Upon documenting to CDLAC's satisfaction unsuccessful efforts to identify and obtain alternative resources, the owner may increase rents and income targeting for rent restricted units above the levels allowed by the CDLAC resolution up to the federally and state-permitted maximums. Rents shall be raised only to the extent required for financial feasibility, as determined by CDLAC. Where possible, remedies shall include skewing rents higher on portions of the project in order to preserve affordability for units regulated by CDLAC at extremely low income targeting. Any necessary rent increases shall be phased in as gradually as possible, consistent with maintaining the project's financial feasibility. If housing special needs populations, the property owner shall attempt to minimize disruption to existing households, and transition to non-special needs households only as necessary and upon vacancy whenever possible.

(e) Exceeding Minimum Rent Restrictions (10 points maximum). A project shall receive one point for each full percent that the average affordability of tax credit units is more than ten percent (10%) below the average adjusted rental rates of comparable units as demonstrated by each applicable Rent Comparability Matrix. This percentage shall be calculated separately for units of each bedroom count, with the results for each unit type weighted relative to the percentage of tax credit units of that type in the project, and the resulting percentage shall be used to determine the final point score. In cases where unit sizes of the same unit type vary, the smallest of these units shall be the basis for comparison. When family comparables are used in addition to senior comparables (outside the 1-mile radius), points will be calculated using the family comparables.

(f) General Partner and Management Company Experience (10 points maximum).

## California Debt Limit Allocation Committee Regulations

(n) Negative Points (no maximum).

(1) The Committee may deduct points for an Application involving a Project Sponsor that has been or is a Related Party to a Project Sponsor (i.e. in the ownership structure) for which an Allocation has been awarded as follows:

(A) Ten (10) points may be deducted for each failure to fully utilize the leveraged soft resources for which points were awarded in connection with the prior Allocation, unless it can be demonstrated that the failure was unforeseen and entirely outside of the Project Sponsor's control or the amount not utilized is not material, or is the result of voluntarily returning leveraged soft resources due to the project being over-sourced, or if a change in federal or state law provides additional financial resources that result in a reduction in leveraged soft resources. This deduction may be assessed against the Project Sponsor for a period of up to two (2) calendar years (10 points each year) from the date on which the prior Allocation was awarded.

(B) Ten (10) points may be deducted for each failure to issue Bonds or utilize 90% or more of a Supplemental Allocation, unless it can be demonstrated that the failure was unforeseen and entirely outside of the Project Sponsor's control. This deduction may be assessed against the Project Sponsor for a period of up to two (2) succeeding years (10 points each year) following the year the Allocation was awarded.

(C) Ten (10) points may be deducted for each failure to spend the proceeds of Bonds issued pursuant to an Allocation in full, or in accordance with the terms and conditions of the Committee Resolution, unless it can be demonstrated that the failure was unforeseen and entirely outside of the Project Sponsor's control, the amount not spent is not material or is consistent with the requirements of Section 5052(b), or the deviation from the terms and conditions of the Committee Resolution is not material. This deduction may be assessed against the Project Sponsor for a period of up to three (3) calendar years (10 points each year) from the date of determination of failure to spend proceeds.

(D) Ten (10) points may be deducted for failure to comply with any provision of the Committee Resolution, unless it can be demonstrated that the failure was unforeseen and entirely outside of the Project Sponsor's control. This deduction may be assessed for a period of up to three (3) calendar years (10 points each year) from the date of determination of non-compliance with the Committee Resolution.

(E) Ten (10) points may be deducted in connection with any extension granted by the Committee for allocations of QRRP Bonds pursuant to Sections 5101 and 5132. This deduction may be assessed against the Project Sponsor for a period of up to two (2) succeeding years (10 points each year) following the year the Allocation was awarded.

(2) Where CTCAC has determined an Application for tax credits involving a Project Sponsor that has been or is a Related Party to a Project Sponsor who is subject to negative points under its regulations, CDLAC will deduct an equal amount of points for an equal period of time from tax exempt bond applications involving the Project Sponsor or a Related Party to the Project Sponsor.

# California Debt Limit Allocation Committee Regulations

(3) Where CTCAC has determined an Applicant for tax credits involving a Project Sponsor that has been a Related Party to a Project sponsor who is subject to any type of determination of ineligibility, CDLAC will recognize the length of ineligibility and apply it to the tax exempt bond applications involving the Project Sponsor or Related Party to the Project Sponsor.

## § 5231. Ranking.

After all Applications for Qualified Residential Rental Projects are evaluated pursuant to Section 5230, the Applications shall be ranked and may be awarded an Allocation as follows, except that a project shall not receive a bond allocation if it had requested and is not scheduled to receive an award of State Tax Credits:

(a) Applications for Rural Projects will be ranked amongst themselves, and separately from Applications for all other Qualified Residential Rental Projects. Applications for Rural Projects awarded the greatest number of points after factoring in the tiebreaker pursuant to Section 5231(g), as applicable, shall be awarded an Allocation from the Rural Pool. Applications for Rural Projects not receiving an Allocation will not be eligible for consideration for an Allocation under subdivisions (b), (c) or (e) of this section.

(b) Applications for Preservation Projects will be ranked amongst themselves, and separately from Applications for all other Qualified Residential Rental Projects. Applications for Preservation Projects awarded the greatest number of points after factoring in the tiebreaker pursuant to 5231(g) as applicable shall be awarded an Allocation from the Preservation Project Pool. Applications for Preservation Projects not receiving an Allocation pursuant to this subdivision will not be eligible for consideration for an Allocation under subdivision (a), (c) or (e) of this section.

(c) Applications for Other Rehabilitation Projects will be ranked amongst themselves, and separately from Applications for all other Qualified Residential Rental Projects. Applications for Other Rehabilitation Projects awarded the greatest number of points after factoring in the tiebreaker pursuant to Section 5231(g), as applicable, shall be awarded an Allocation from the Other Rehabilitation Pool. Applications for Other Rehabilitation Projects not receiving an Allocation pursuant to this subdivision will not be eligible for consideration for an Allocation under subdivisions (a), (b) or (e) of this section.

### (d) Applications for BIPOC Projects

(1) For any QRRP allocation round, all Applicants intending to qualify as a BIPOC Project to compete in the BIPOC pool shall pre-qualify as a BIPOC Project under this subdivision. Pre-qualification means the Executive Director determined the Applicant is a BIPOC Project under Section 5170.

A. At least 15 business days prior to the QRRP Application due date for an allocation round in which an Applicant intends to compete as a BIPOC Project, the Applicant shall submit a prequalification request to the Executive Director using the prequalification request form available on the CDLAC website.

B. The Executive Director shall issue a decision in response to any requests received under subdivision (d)(1)(A) within 10 business days and no later than five (5) business days prior to a QRRP allocation round application due date. The Executive Director may request clarification or additional documentation from the Applicant about the prequalification request that may extend the Executive Director's time for response.

C. A pre-qualification approval letter is required to be included in any application submitted for a QRRP allocation round where the applicant intends to compete in the BIPOC pool.

## California Debt Limit Allocation Committee Regulations

D. The Executive Director's decision under subdivision (d)(1)(B) is not appealable to the Committee. Nothing herein limits an Applicant's right to an appeal under Section 5036 or the Committee's authority to disqualify an application under Section 5146.

E. Applicants with pre-qualification requests not granted by the Executive Director shall not complete in the BIPOC pool but shall be eligible to complete for an Allocation under subdivisions (a), (b), (c), and (e) of this section.

~~(d)~~ Applications for BIPOC Projects will be ranked amongst themselves, and separately from Applications for all other Qualified Residential Rental Projects. Applications for BIPOC Projects awarded the greatest number of points after factoring in the tiebreaker pursuant to Section 5231(g), as applicable, shall be awarded an Allocation from the BIPOC Pool. Applications for BIPOC Projects not receiving an Allocation pursuant to this subdivision shall be eligible for consideration for an Allocation under subdivisions (a), (b), (c), and (e) of this section.

(e) Applications for Qualified Residential Rental Projects that are New Construction Projects, exclusive of Rural Projects, will then be ranked together. Applications receiving the greatest number of points after factoring in the tiebreaker pursuant to Section 5231(g), as applicable, shall be awarded an Allocation from the New Construction Pool in the following manner.

~~(1)(A)~~ Set Aside application selection. Beginning with the top ranked application from the Homeless Set Aside, subject to the conditions in Section 5231(e)(1)(B), followed by the Extremely Low/Very Low Income Set Aside, and the Mixed Income Set Aside, the highest scoring applications in each Set Aside shall be awarded an Allocation pursuant to the procedures in Section 5231(f). A project that meets the criteria of both the Homeless Set Aside and the Extremely Low/Very Low Income Set Aside shall be eligible for an allocation from either Set Aside. If the Homeless Set Aside is undersubscribed in a competitive round the remaining funds will transfer to the Extremely/Very Low Income Set Aside. All New Construction Projects, exclusive of Rural Projects, that do not receive an allocation from a Set Aside shall be eligible for an allocation from their respective geographic region pursuant to subdivision (e)(2).

~~(B) For purposes of the Homeless Set Aside only, applications for projects in which at least 45% of the tax credit units are designated for homeless households as defined in Section 10315(b)(1) (4) of the CTCAG regulations at affordable rents consistent with Section 10325(g)(3) of the CTCAG regulations shall be awarded an Allocation prior to any other application eligible for the Homeless Set Aside provided that those projects earn at least 95% (rounded down to the nearest whole number) of the maximum available points pursuant to Section 5230.~~

(2) Geographic region application selection. Bonds available in the New Construction Pool that are not reserved to a Set Aside shall be allocated to the highest ranking applications according to the geographic allocation described in Section 5022. Projects receiving an allocation in the Rural, Preservation, Other Rehabilitation, or BIPOC Pools or in the Homeless, Extremely Low/Very Low Income, and Mixed Income Set Asides shall not be counted towards the geographic apportionments.

(3) In the final allocation round of the year, any bonds remaining in any QRRP pool, Set Aside, or geographic region shall be allocated to the highest-ranking Project or Projects. Those amounts shall not be added to the respective QRRP pool, Set Aside, or geographic region in the following year, and any allocations pursuant to this paragraph shall not be subtracted from the geographic allocations in the following year.

## California Debt Limit Allocation Committee Regulations

(f) If the last project allocation in a Pool, Set Aside, or geographic region requires more than the bonds remaining in that Pool, Set Aside, or geographic region, those overages shall be subtracted from that Pool, Set Aside, or geographic region in determining the amount available in the Pool, Set Aside, or geographic region for the subsequent allocation round. The last project to be allocated in a Pool, Set Aside, or geographic region shall not receive an Allocation unless at least 80%, or 100% in the final round of the year, of the requested Allocation for that project is remaining in that Pool, Set Aside, or geographic region for that round. When the first or next highest-ranking project does not meet the 80% or 100% rule above, that project, as well as any subsequent projects in rank order that also do not meet the 80% or 100% rule, may be skipped over to the next highest-ranking project that meets the 80% or 100% rule. However, a project shall not be funded by this skipping process unless it has a point score within one point of the first project skipped and has a final tiebreaker score equal to at least 75% of the first skipped project's final tiebreaker score. If bonds within a Pool, Set Aside, or geographic region remain unallocated at the end of an allocation round, they shall be added to the subsequent round amounts in the same Pool, Set Aside, or geographic region. In the final allocation round of the year, the allocations within a Pool, Set Aside, or geographic region shall not exceed the amount of bonds available in the Pool, Set Aside, or geographic region.

(g) If two or more Applications are awarded the same total number of points, those Applications shall be ranked according to the highest amount of public benefit per dollar of cost-adjusted Bond and State Credit Allocation requested.

(1) A project's public benefit is the sum of all of the following:

(A) The project's unit production benefit, which is the product of the bedroom-adjusted number of tax credit units multiplied by \$50,000. To calculate a project's bedroom-adjusted number of tax credit units, the Committee shall first multiply the number of tax credit units of each bedroom count by the adjustment factor for units of that bedroom count. A project's bedroom-adjusted number of tax credit units shall be the sum of each of these products. The adjustment factors shall be .9 for a studio unit, 1 for a 1-bedroom unit, 1.25 for a 2-bedroom unit, 1.5 for a 3-bedroom unit (up to no more than 30% of the total units, then those additional units shall be counted as 2-bedroom units), and 1.75 for a 4-bedroom or larger unit (up to no more than 10% of the total units, then those additional units shall be counted as 2-bedroom units).

(B) The project's rent savings benefit, which is as follows:

(i) For all projects not covered in subparagraph (ii), the product of the sum across all tax credit units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the area median income monthly gross rent limit for that unit at the targeted rent level for the appropriate bedroom size, all calculated according to the methodology for tax credit rents, multiplied by 180. If this calculation results in a negative number for any particular unit, then the rent savings benefit for that unit shall not be lower than zero. Units with federal project-based rental assistance or a similar local rental assistance program approved by the Executive Director shall be assigned targeted rent levels of 30% AMI regardless of their actual income targeting. If the average affordability of tax credit units, exclusive of units with rental assistance, is less than 40% AMI, then the calculation shall assume a targeted rent level of 40% AMI for each tax credit unit that does not have rental assistance.

(ii) For Preservation Projects whose actual rents are less than the CTCAC rent limits, the sum of the following: (a) for tax credit units without federal project-based rental assistance, the product of the sum across all such units of each unit's difference between the monthly fair market rent established by HUD for the county in which the project is located and the average rent charged for each unit over the last three years, as documented with rent rolls or property audits, multiplied by 180; and (b) for tax credit units with federal project-based rental assistance the product of the sum across all such units of each unit's difference between the monthly fair market rent established by HUD

# California Debt Limit Allocation Committee Regulations

for the county in which the project is located and the targeted rent level at 30% AMI regardless of their actual income targeting.

(C) The project's population benefit, which is comprised of an ELI benefit and a special populations benefit.

1. The ELI benefit is the product of the number of tax credit units targeted at 30% of AMI or below, limited to no more than 50% of tax credit units, multiplied by \$20,000.
2. The special populations benefit is the product of the number of tax credit units restricted to persons with Special Needs, as defined in Section 10325(g)(3) of the CTCAC regulations, or veterans, limited to no more than 50 than 50% of tax credit units, multiplied by \$10,000.

(D) The project's location benefit, which is comprised of a Resource Area benefit, a Community Revitalization Area benefit, and a transit/walkability benefit. If a project is eligible for both a Resource Area benefit and a Community Revitalization Area benefit, the applicant shall select only one of these benefits. The Resource Area benefit and Community Revitalization Area benefits shall not be additive.

1. The Resource Area benefit is one of the following:

(i) The product of the bedroom-adjusted number of tax credit units in a Large Family or Permanent Supportive Housing Project located in a Highest Resource Area as specified on the CTCAC/HCD Opportunity Area Map multiplied by \$30,000.

(ii) The product of the bedroom-adjusted number of tax credit units in a Large Family or Permanent Supportive Housing Project located in a High Resource Area as specified on the CTCAC/HCD Opportunity Area Map multiplied by \$20,000.

(iii) The product of the bedroom-adjusted number of tax credit units in a Large Family or Permanent Supportive Housing Project located in a Moderate Resource Area as specified on the CTCAC/HCD Opportunity Area Map multiplied by \$10,000. An applicant may choose to utilize the census tract or census block group resource designation from the CTCAC/HCD Opportunity Maps in effect when the initial site control was obtained up to seven calendar years prior to the application.

(iv) The product of the bedroom-adjusted number of tax credit units in a new construction or acquisition/rehabilitation project located in neighborhoods identified as experiencing neighborhood change as specified on the HCD Neighborhood Change Map multiplied by \$30,000.

(v) A project is ineligible for this benefit if it receives a Community Revitalization Area benefit.

2. The Community Revitalization Area benefit is the product of the bedroom-adjusted number of tax credit units that are located in a Community Revitalization Area and are a component in the Area's Community Revitalization Plan multiplied by \$20,000.

(i) A project is ineligible for this benefit if it receives a Resource Area benefit.

# California Debt Limit Allocation Committee Regulations

~~(ii) A project is ineligible for this benefit if it receives a Community Revitalization Area benefit.~~

3. The transit/walkability benefit is the sum of the following:

(i) The product of the bedroom-adjusted number of tax credit units within the project, multiplied by the number of transit site amenity points the project receives pursuant to Section 5230(m), multiplied by \$4,000;

(ii) The product of the bedroom-adjusted number of tax credit units within the project, multiplied by the number of non-transit site amenity point categories for which the project is eligible for the maximum points pursuant to Section 5230(m) (see CTCAC regulation Section 10325(c)(4)(A)2. through 9.), multiplied by \$4,000. ~~For purposes of this subdivision, the site amenity distances shall be measured by a walkable path;~~

(iii) The product of the bedroom-adjusted number of tax credit units included with a project that has received an award from HCD's Transit Oriented Development Program or Affordable Housing and Sustainable Communities Program, or that is located within  $\frac{1}{4}$  mile of a transit stop with service at least every 30 minutes during peak hours (or at least two departures during each peak period for a commuter rail station or ferry terminal) or within  $\frac{1}{2}$  mile of a transit stop with service at least every 15 minutes (or at least four departures during each peak period for a commuter rail station or ferry terminal) multiplied by \$25,000. For purposes of this subdivision, a "transit stop" is a bus rapid transit station, light rail station, commuter rail station, ferry terminal, bus station, or public bus stop, and "peak hours" are from 7:00 a.m. to 9:00 a.m. and from 4:00 p.m. to 6:00 p.m., Monday through Friday.

(2) The cost-adjusted Bond and State Credit Allocation shall be calculated by reducing the unadjusted Bond and State Credit Allocation request by the following, as applicable:

(A) 15% for projects that are paid for in whole or in part out of public funds and are subject to a legal requirement for the payment of state or federal prevailing wages on the entire project.

(B) Either 10% for projects in which at least 95% of the construction is Type I, as defined in Title 24, Section 602.2 of the California Building Code; or 5% for projects in which at least 95% of the construction is Type III, as defined in Title 24, Section 602.3 of the California Building Code, or a combination of Type I and Type III.

(C) 25% of the statewide basis delta for the county in which the project is located. At least 10 days prior to the first application deadline of each calendar year, the Committee shall publish the statewide basis delta for each county, which shall represent the percentage difference between the two-bedroom 4% tax credit threshold basis limit for the county and the median two-bedroom 4% tax credit threshold basis limit for any county in the state, as those limits are determined by CTCAC pursuant to Section 10302(rr) of the CTCAC regulations.

~~(D) For Preservation or Other Rehabilitation projects requiring seismic upgrading of existing residential structures, and/or requiring on-site environmental remediation, including cleanup of lead or asbestos and sporic growth, the lesser of 15% or the percentage of the bond request related to such costs, to the extent that the project architect or seismic engineer certifies in the application to the costs associated with such work.~~

## § 5232. Competitive Application Process Maximum Allocation Amount.

(a) For projects subject to the Competitive Application Process, the Committee will allocate no more than ~~seventy-five~~eighty million dollars (\$~~7580~~80,000,000) for any proposed Qualified Residential Rental Project. Where a proposed Qualified Residential Rental Project is located within one-fourth (1/4) mile of another Qualified Residential Rental Project involving the same Project Sponsor or a Related Party to the Project Sponsor, the Allocation amounts for the Qualified Residential Rental Projects cannot, in the aggregate, exceed ~~seventy-five~~eighty million dollars (\$~~7580~~80,000,000) within a calendar year.

(b) The Committee may waive this maximum allocation amount if the Committee determines that the demand for allocation for Qualified Residential Rental Projects is such that the maximum allocation amount is not warranted. An Applicant requesting an Allocation in excess of ~~seventy-five~~eighty million dollars (\$~~7580~~80,000,000) may seek a waiver from the Committee based on the following factors:

(1) The Qualified Residential Rental Project qualifies as an an At-Risk Project; or

(2) Documentation is provided in the Application indicating why a Qualified Residential Rental Project cannot be developed in phases at an ~~seventy-five~~eighty-million-dollar (\$~~7580~~80,000,000) level. The documentation must be specific and may include, but is not limited to, a site plan detailing the layout of the subject property, unit mix per stage of the phase, any unique features of the property which inhibits phasing, a description of infrastructure costs, and a cost breakdown by phases.

One-bedroom:	\$544,000
Two-bedroom:	\$580,000
Three-bedroom:	\$638,000
Four- or more bedroom:	\$671,000

(b) The Committee may waive this maximum per unit allocation amount if total allocation does not exceed eighty million dollars (\$80,000,000) and the Committee determines that the demand for allocation for Qualified Residential Rental Projects is such that the maximum allocation amount is not warranted. An Applicant requesting an Allocation in excess of the per unit maximum must demonstrate the need for a larger allocation is necessary for project feasibility or to meet the 50% aggregate depreciable basis plus land test.

~~(cb)~~ Private Activity Bond allocation awards cannot exceed 55% of the aggregated depreciable basis plus land basis. In determining compliance with this test, CDLAC staff may rely on the legal or tax opinion submitted with the application.

## Article 10. Scattered Site Applications

### § 5250. Application Requirements.

(a) Applications for Scattered Site Projects shall provide all information required for each site. Additional stipulations are as follows:

- (1) For acquisition and rehabilitation projects, a Capital Needs Assessment report may combine information for all Project sites in one report.

## California Debt Limit Allocation Committee Regulations

(3) Acquisition/Rehabilitation Projects where each location is subject to an existing Residential Rental Regulatory Agreement or a federal, state, or local operating or rental assistance agreement may provide, as an alternative to providing a market study and affordability matrices consistent with Sections 5200(a) and 5250(a)(3), a comprehensive market study consistent with 26 U.S.C. Section 42(m)(1)(A)(iii). The study must be a written statement certified by a third party market analyst and the project must meet at least one of the following requirements:

(A) as certified by a third-party market analyst, the proposed tenant paid rents and income targeting will not exceed one hundred-five percent (105%) of the current rents and targeting and a vacancy rate of no more than five percent (5%); for single room occupancy and special needs housing a vacancy rate of no more than ten percent (10%); or

(B) as evidenced by copies of executed contracts, the project has been receiving federal, state, or local operating or rental assistance and will continue to receive such assistance for at least five (5) additional years. If a contract demonstrating operating or rental assistance for an additional five (5) years is not available, a letter signed by the contractor's senior official may be submitted that describes the efforts undertaken to effectuate an operating or rental assistance contract, the expected duration of the contract, and the expected contract execution date.

(4) Evidence of site control shall be required for each site.

### § 5251. Evaluation Criteria.

Each site within an Application for a Scattered Site shall be evaluated individually for points as provided in section 5230. The total points awarded to a Project in any category shall be based on the pro-rata share of total units each site represents. For instance, if only one site meets the threshold for an award of 5 points and the site represents 40% of total units, the Project shall be awarded two (2) points for this category (40% x 5 points).

## Chapter 3. Single Family Housing

### Article 1. Definitions

#### § 5260. Definitions.

In addition to the definitions set forth in Government Code section 8869.82 and unless otherwise required by the context, the following terms as used in this chapter are defined as follows:

“Applicable Median Family Income” means the applicable median family income defined by 26 U.S.C. section 143(f)(4), except that the definition of income contained in subdivision B of 26 U.S.C. section 143(f)(4) shall not apply to Applicants for a Single Family Housing Program.

“Fair Share Allocation Amount” means the amount of Allocation each Local Issuer shall receive pursuant to the Fair Share Basis definition.

“Fair Share Basis” means that each county shall receive a proportionate share of the amount reserved for Local Issuers based on the population of the county relative to the State’s total population. Populations will be based on data published by the California State Department of Finance Demographics Unit. Where there is more than one Local Issuer in a county, each Local Issuer shall receive a proportionate share of the county’s reservation based on the population of the jurisdictions served by an Issuer relative to the county’s total population, or as agreed upon by the participating Local Issuers.

“Homeownership Assistance” means financial assistance, including down-payment assistance, closing cost assistance, soft-second financing for the purchase of a home, or such alternative homeownership assistance as proposed by the Applicant in the Application and approved by the Committee. The Homeownership Assistance must; one, be in a minimum amount of \$7,500 or 3% of the purchase price of the home, whichever is greater; two, be structured in the form of either a grant or a deferred payment loan where the payment of principal and interest is deferred until such time as the home is sold or re-financed; and three, include an incentive, to be proposed by the Applicant, for Program Participants to fully perform the three (3) year service commitment. Applicants will not be required to establish a distinct and separate homeownership program; existing programs may be used. The Committee may delegate to the Chair or to the Executive Director of the Committee the authority to accept and consider homeownership assistance of different types or characteristics than those specifically enumerated or required by this definition. The Committee may establish, or concur with the establishment of, higher assistance limits to ensure program participation in high cost areas.

## Article 5. Allocation Procedure

### § 5440. Ranking.

Upon a determination that an Application has met the minimum requirements set forth in article 3 and article 4 of this chapter, Allocations from the Exempt Facility Project Pool will be ranked using the following criteria:

## California Debt Limit Allocation Committee Regulations

(b) If any part of the Exempt Facility Project Pool remains unallocated after the Committee makes the Allocations under subdivision (a) of this section, the Committee will then consider other Applications in which the Project Sponsor is a First Tier Business, but the proposed Exempt Facility Project is not in response to a Regulatory Mandate.

(c) If any part of the Exempt Facility Project Pool remains unallocated after the Committee makes the Allocations pursuant to subdivisions (a) and (b) of this section, the Committee will then consider Applications in which the Project Sponsor is not a First Tier Business, but the Exempt Facility proposed by the Application is in direct response to a Regulatory Mandate.

(d) If any part of the Exempt Facility Project Pool remains unallocated after the Committee makes the Allocations pursuant to subdivisions (a), (b), or (c) of this section, the Committee will then consider all other Applications for Exempt Facility Projects.

*NOTE: Authority cited: Section 8869.94, Government Code. Reference: Section 8869.84(c), Government Code.*

### Article 2. Eligibility Requirements

#### § 5460. Application Process.

Applications for an Allocation of the Student Loan Program Pool shall be considered in accordance with the provisions of chapter 1 and the submission of a Student Loan Application.

*NOTE: Authority cited: Section 8869.94, Government Code. Reference: Sections 8869.84(c), 8869.85(a) and 8869.85(b), Government Code.*

#### § 5461. Minimum Requirements.

In order to be considered for an Allocation for a Student Loan Program, an Applicant must meet the following minimum requirements:

(a) California Non-profit Status. Must be a California nonprofit corporation organized pursuant to section 150(d) of the Internal Revenue Code of 1986, as amended, that possesses the authority to directly or indirectly make or finance student loans under the Higher Education Act of 1965, as amended, or be a state agency.

(b) CEFA Requirement. Before applying to the Committee for allocation of a portion of the State Ceiling pursuant to Government Code section 8869.82 and 8869.85, an entity that is seeking to issue qualified scholarship funding bonds must first obtain CEFA board approval, pursuant to Title 4, California Code of Regulations, section 9073(a), unless such entity became a qualified scholarship funding corporation as defined in subsection (d) of section 150

# California Debt Limit Allocation Committee Regulations

of Title 26 of the United States Code prior to January 1, 2006. CEFA may in its discretion determine not to grant approval to any entity regardless of whether the entity meets the threshold criteria as an Eligible Candidate as defined in Title 4, California Code of Regulations, section 9072(b). CEFA will consult and coordinate with the Committee prior to making a final determination.

(c) A portfolio itemizing the total dollar amount and corresponding percentage of student loans originated by the Applicant which assist financially needy borrowers in California. The data relied upon may be direct or derived from sources deemed by the Executive Director to be accurate.

(d) A proposal of interest rates and other discounts (time period is the next academic year commencing July 1 following the award of Allocation), a description and dollar amount of discounts (i.e. interest rate, guarantee fee, origination fee, etc.). Note: Information will be used in analysis of Application in the subsequent year.

(e) A description of marketing activities and status as a lender, anticipated total dollar amount and number of student loans made to two year, four year and other schools, the eligibility requirements for a loan, the benefits to student borrowers, the mechanism(s) or system(s) for the direct delivery of loans to eligible students and any other features unique to the Program.

(f) Demonstrate actual participation in the California Student Loan Market using the STUDENT MARKETMEASURE Standard Report 10D or other sources deemed by the Executive Director to be accurate. Applicant must include information from the most recently completed federal fiscal year with their Application.

(g) Completion of the Student Loan Self-Scoring Sheet to show what they anticipate to receive in allocation.

*NOTE: Authority cited: Section 8869.94, Government Code. Reference: Sections 8869.84(c), 8869.85(a) and 8869.85(b), Government Code.*

## Article 3. Evaluation Criteria

### § 5470. Evaluation and Ranking.

The following criteria will be used to evaluate, rank, and award Allocations from the Student Loan Program Pool:

(a) Allocations from the Student Loan Program Pool will be first awarded to Applications in which the Applicant is a Direct Lender and evaluated based on the following criteria:

(1) The total dollar amount and number of student loans originated by the Applicant in California. The data relied upon will be derived from the STUDENT MARKETMEASURE Standard Report 10D or other sources deemed by the Executive Director to be accurate. The time period shall be the most recently completed federal fiscal year. The Applicant's pro-rata share of the Student Loan Program Pool will in part be determined by the total dollar amount of student loans originated in California. The Committee will consider the incongruity between the federal fiscal year and the Allocation Round when evaluating the data.

(2) Proposed total cost of borrowing per borrower for the next academic year. This cost estimate should include origination fees, interest costs, and all other fees or expenses incurred by a borrower.

(3) Previous year average interest rate. Information provided must refer to the time period of the current academic year. In addition, this information must include averages and weighted averages for the following figures for each student loan program:

(A) Statutory interest rate.

## California Debt Limit Allocation Committee Regulations

(B) Total discount

(C) Discounted interest rate.

For this time period, the Applicant must show the percentage breakdown of usage for all federal student loan programs: Subsidized Stafford, Unsubsidized Stafford, PLUS Parent and PLUS Graduate. This breakdown will be used to determine the weighted averages for the aforementioned figures.

(4) Comparison of Proposed and Actual Interest Rate. The weighted averages will be used to determine whether or not the Applicant was within 25% of the discounted interest rate that they proposed in the prior year. Based on the Committee's assessment, an Applicant could be rewarded and/or penalized for the actual discounted interest rate they provided during the current academic year.

(5) The extent to which the Applicant timely disburses student loans as evidenced by its use of previous and existing allocations from the Committee for direct lender student loan programs. The Committee will evaluate the impact of unused Bond proceeds on the Applicant's present demand for Allocation.

(b) Subsequent to the determination made pursuant to subdivision (a) of this section, Allocation that remains unallocated will then be considered for Applications in which the Applicant is a purchaser of student loans in the secondary market and evaluated based on the following criteria:

(1) The degree to which financially needy students benefit based on an evaluation of the percentage of borrowers with subsidized Stafford loans currently held in portfolio versus borrowers with only unsubsidized Stafford loans.

(2) The use of recycled funds for additional programs that may benefit students other than loan purchase programs, such as grants, new loans, scholarships, student outreach, and borrower benefit programs offered by the Applicant.

(3) The leveraging of the Qualified Private Activity Bond Allocation awarded to the Applicant through the use of taxable bonds and other taxable securities.

(4) The extent to which the Applicant has timely and effectively used previous and existing allocations from the Committee for secondary market loan purchase programs.

## California Debt Limit Allocation Committee Regulations
