RE: Soliciting Regulation Feedback

CDLAC Stakeholders,

Staff are starting to work on the next round of updates to the CDLAC regulations and as we work through our own notes and previously submitted comment letters, we would like to welcome any additional feedback and suggestions from our stakeholder community. In particular we welcome input on the number of funding rounds, allocations to the set asides and pools, including BIPOC Pool qualification process, and surplus bond prioritization.

Please note, that this is not a formal/required public comment period and comments are welcome on an ongoing basis. It would be most helpful for staff to have comments during this time so that they may be considered during the next round of revisions. Please submit your comments to CDLAC@treasurer.ca.gov by Friday, September 27, 2024.

Thank you.
