

CALIFORNIA HEALTH FACILITIES FINANCING AUTHORITY (Authority)
Investment in Mental Health Wellness Grant Program for Children and Youth
Second Amendment to Resolution No. CY 2022-06 (Fourth Funding Round)

County of Fresno
May 30, 2024

PURPOSE OF THE REQUEST:

The County of Fresno (County) is requesting the Authority approve a second amendment to Resolution Number CY 2022-06 to amend the milestone conditions and extend the grant period expiration date for its Investment in Mental Health Wellness Grant Program for Children and Youth (Welf. & Inst. Code, §5848.5) (CY) project.

ISSUE:

The County will not be able to meet the milestone condition deadlines of being open and operational by August 31, 2024 and to submit all disbursement requests by November 30, 2024, as previously amended through First Amendment to Resolution No. CY 2022-06. High turnover of key County and service provider personnel has resulted in further delays of the purchase of the eight mobile crisis support team (MCST) vehicles and the hiring of MCST program staff. The County anticipates the service provider will complete the hiring, onboarding, and certification training of MCST program staff by October 31, 2024 and that the MCST vehicles will be purchased and fully equipped by January 31, 2025. The County and the service provider anticipate the program will begin providing services by January 31, 2025.

Additionally, the County will not be able to meet the current readiness, feasibility, and sustainability requirement deadline of May 31, 2024, due high turnover of key County and service provider personnel delaying the implementation of the MCST program.

The County is requesting to extend the readiness, feasibility, and sustainability requirement deadline to October 31, 2024, to amend its milestone condition deadline of being open and operational to January 31, 2025, and to amend its milestone condition deadline to submit all disbursement documentation to March 31, 2025. These extensions will give the County additional time to purchase and equip the eight MCST vehicles and to hire, onboard and train MCST program staff, and begin providing services.

BACKGROUND:

The Authority approved a final allocation on December 1, 2022, awarding the County grant funds in an amount not to exceed \$1,371,806.00, to develop two new Mobile Crisis Support Teams (MCST), consisting of eight vehicles and eight full-time equivalent staff. Of the total approved grant moneys, \$586,982.00 is for capital funding and \$784,824.00 is for annual personnel funding for up to five years subject to the availability of appropriations for this purpose in the Legislature's annual Budget Act. The MCST is expected to serve children and youth five to 19 years of age by providing field-based mental health crisis services to approximately 562 clients annually. Resolution Number CY 2022-06 was originally approved, with a grant period expiration date of July 31, 2024, and the following milestones conditions:

(1) the County shall provide evidence acceptable to Authority staff demonstrating that the project shall be operational on or before January 31, 2024; (2) funds shall not be disbursed if the County is unable to provide evidence acceptable to Authority staff that the project is on track to be operational on or before January 31, 2024; and (3) the County must submit all capital cost disbursement requests, including required supporting documentation, to the Authority no later than April 30, 2024.

Subsequently, on January 25, 2024, the Authority approved a First Amendment to Resolution Number CY 2022-06 to amend the milestone conditions and extend the grant period expiration date to April 30, 2025, allowing the County time needed to execute the service provider contract and for the service provider to purchase eight MCST vehicles, hire and train staff, and begin providing services. The amended milestone conditions were the following: (1) The County shall provide evidence acceptable to Authority staff demonstrating the project shall be open and operational by August 31, 2024, and funds shall not be disbursed if the County is unable to provide evidence acceptable to Authority staff; (2) The County shall submit all capital cost disbursement requests, including required supporting documentation, to the Authority by November 30, 2024.

RECOMMENDATION:

Staff recommends the Authority approve a second amendment to Resolution Number CY 2022-06 to amend the milestones conditions deadlines and extend the grant period expiration date to June 30, 2025, subject to the following amended milestone conditions:

- 1) The County must submit all readiness, feasibility, and sustainability documentation to the Authority no later than October 31, 2024.
- 2) The County shall provide evidence acceptable to Authority staff demonstrating the project shall be open and operational by January 31, 2025, and funds shall not be disbursed if the County is unable to provide evidence acceptable to Authority staff.
- 3) The County shall submit all capital cost disbursement requests, including required supporting documentation, to the Authority by March 31, 2025.

All other conditions in the Resolution shall remain the same and in full effect.
