WHEREAS, modeled after the State's School Facilities Program, the Program funds 50 percent of project costs as a grant from the State, and 50 percent as a loan or lump sum, which the charter school or obligor is responsible for repaying to the Program; and

WHEREAS, the California School Finance Authority (Authority) and the State Allocation Board (Board), staffed by the Office of Public School Construction, are designated to jointly administer the Program; and

WHEREAS, GTA will fulfill the project's local matching share obligation by accepting a 30-year loan term in the amount of \$15,979,833; and
