Staff Summary No. 5

Date: August 29, 2024

To: Members of the California School Finance Authority

From: Katrina M. Johantgen, Executive Director

Subject: Resolution No. 24-35 – Approving the Charter School Facilities Credit Enhancement Grant Program (CDFA #84.354A) Award in an Amount Not to Exceed \$2,000,000 to WFCS Holdings IV, LLC on behalf of The Wonderful Foundation, for facilities located in San Diego, San Joaquin, and Los Angeles Counties

Background: The California School Finance Authority (Authority) received a grant award in 2023 under the U.S. Department of Education’s Expanding Quality Charter Schools Program – Credit Enhancement (CE) for Charter Schools Facilities (CFDA # 84.354A). This federal grant program, authorized under Title IV, Part C, Section 4304 of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), provides grants to enhance credit school debt financing by funding all or a portion of the financings debt service reserve fund account. Currently, the Authority has been granted access to \$5,000,000 of the \$20,000,000 while the Performance Agreement is undergoing review with the Department of Education. The program regulations were effectuated on August 7, 2024, by the Office of Administrative Law. This award of \$20,000,000 is the Authority’s fifth grant award under this federal program.

Application: On behalf of The Wonderful Foundation (TWF) and the four schools that lease facilities from TWF, Kidinnu Academy Charter School, TEAM Charter Academy, TEAM Charter School, and School of Arts and Enterprise, WFCS Holdings IV, LLC is applying for an enhancement award in the amount not to exceed \$2,000,000. *The final award amount will be finalized at the time the bonds are priced and sold. Additionally, should the Authority not have access to the entire \$2,000,000 award through this grant, we will access funds from additional grant balances as they become available.* According to information provided by the Borrower, by helping to finance a debt service reserve fund that would otherwise be financed with bond proceeds, the CE Grant will reduce the overall lease and school expense costs for the schools.

Eligibility Requirements and Evaluation Criteria: The applicant schools meet and have demonstrated all eligibility and evaluation requirements of the Program, including without limitation:

- Approved charters have been awarded and are in place (and current at the time of Application and throughout the term of an award).
- The Charter Schools are in good standing with their Charter Authorizer and are in compliance with the terms of their charter at the time of Application submission. *One good-standing certification is pending for the School of Arts and Enterprise.*
- The schools have completed at least one school year of instructional operations.
- At least eighty percent (80%) of the instructional time offered by the Charter Schools shall be at the school site, and the Charter Schools shall attain an average daily attendance rate of at least eighty percent (80%).

Should the Authority need funds from additional grant awards to make the \$2,000,000 award to The Wonderful Foundation, the Authority will access funds from balances available in our four remaining grant accounts. Lastly, the award to the School of Arts and Enterprise will be granted once certification of good standing is received from the school's authorizer, Pomona Unified School District.
