RE: Competitive Tax Credit Applications Received

The application deadline for 2024 second round low income housing tax credit (“LIHTC”) applications was on Tuesday, July 2, 2024. The California Tax Credit Allocation Committee (“CTCAC”) received a total of 103 nine percent (9%) tax credit applications requesting federal and state tax credits in the second round of 2024. CTCAC has published the [2024 Second Round 9% Applicant List](#) to the CTCAC website which includes project information “as applied” in the application and has not been verified by CTCAC staff.

Please review the applicant list to ensure that if you did submit an application, it is included on this list. If your application is not on the attached list or if there are any errors, please contact your regional analyst as soon as possible.

In addition, CTCAC has published all of the [9% Applications](#) submitted in the second round to the CTCAC website.

If you have any additional questions, please contact your regional analyst by [email](#).
