RE: Soliciting Regulation Feedback

CTCAC Stakeholders,

Staff are starting to work on the next round of updates to the CTCAC regulations and as we work through our own notes and previously submitted comment letters, we would like to welcome any additional feedback and suggestions from our stakeholder community. In particular we welcome input on the geographic apportionment methodology, allocation of state tax credits, and landlord/tenant issues, including rent increase limit waiver process.

Please note, that this is not a formal/required public comment period and comments are welcome on an ongoing basis. It would be most helpful for staff to have comments during this time so that they may be considered during the next round of revisions. Please submit your comments to anthony.zeto@treasurer.ca.gov by Friday, September 27, 2024.

Thank you.
