

REQUEST FOR MUNICIPAL ADVISOR STATEMENT OF QUALIFICATIONS

I. OVERVIEW

The STO requests a Statement of Qualifications (SOQs) from firms interested in providing municipal advisor and related services. Selected firms who respond and are approved will be admitted to the STO's Municipal Advisor Pool (Pool), which will be established on May 1, 2023, and may be appointed to serve as a municipal advisor for bonds, notes, and other debt obligations issued by the State of California (State), State Public Works Board, other State agencies, and State conduit financing authorities.

Specific appointments may be made directly from Pool members in good standing, or upon submission of responses to a supplemental request for qualifications (RFQ). Municipal advisors to conduit borrowers typically are not required to be members of the Pool. Municipal advisors to State conduit financing authorities chaired by the Treasurer must be members of the Pool.

A. BONDS AND NOTES ISSUED BY THE STATE OF CALIFORNIA AND OTHER STATE AGENCIES

1. General Obligation (GO) Bonds and Commercial Paper (CP)

The issuance of GO bonds, including Veteran's GO Bonds, is authorized by California voter approved bond acts (bond acts), the State General Obligation Bond Law in Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the California Government Code, and the related resolutions approved by the applicable finance committees created under the bond acts. GO bonds may be issued to finance various projects under the respective bond acts, refund outstanding GO bonds, or refund CP. CP may be issued to fund on an interim basis initial project costs under the respective bond acts until long term bonds are issued.

2. Revenue Anticipation Notes (RANs)

In accordance with Government Code Section 17300 et. seq., the State issues RANs, from time to time, to meet its short-term cash management needs. RANs are secured by any unapplied monies in the General Fund and must be repaid by the end of the fiscal year in which it was issued. The State has not issued RANs since fiscal year 2014-15.

3. State Public Works Board (SPWB)

Through the SPWB the State acquires and constructs certain capital facilities through the issuance of lease revenue obligations. The SPWB issues lease revenue bonds to finance or refinance the costs of the acquisition and construction of various facilities including correctional facilities, court facilities and office buildings. The State Legislature must authorize all projects through a budget act appropriation or separate legislation. These facilities are leased to a State agency under a long-term lease, which provides the source of revenues which are pledged to the payment of debt service payment for the bonds.

4. Special Bond Issues
Occasionally, the State will issue debt by securitizing streams of revenues via a special bond issue, which are payable from anticipated reimbursements, revenues or payments such as the Tobacco Settlement Asset-Backed Bonds or the Federal Highway Grant Anticipation (GARVEE) Bonds.

III. MINIMUM QUALIFICATIONS

A. In order to be eligible for admission to the Pool, all firms must meet the following minimum qualifications:

1. **PUBLIC FINANCE EXPERIENCE**

The firm or its advisors designated to work on State or State conduit authority financing programs, must have a minimum of three years of public finance experience, which may include municipal advisor experience or investment banking experience.

2. **REGISTRATION**

The firm must be registered as a Municipal Advisor with both the Municipal Securities Rulemaking Board and Securities and Exchange Commission.

3. **LEGAL DISCLOSURE**

The firm has not disclosed any matters on **Attachment E**. Registration, Disciplinary Action, and Litigation, which would preclude participation in the Pool as determined by the STO.

4. **BOND CAMPAIGN CONTRIBUTION AND SERVICES PROHIBITION CERTIFICATION**

Firms applying to the Pool must certify that the firm has in place a policy or procedure requiring that the firm or any municipal finance professional associated with the firm will not accept any municipal securities business with a municipal entity in California within two years of any contribution made or provided by the firm or any municipal finance professional associated with the firm to a bond ballot campaign for bonds of the municipal entity (Bond Campaign Contribution and Services Prohibition Policy).

Please see **Attachments F** for defined terms associated with this minimum qualification.

5. **QUARTERLY DISCLOSURE REPORT**

Firms selected as members of the Pool are required to update the STO quarterly regarding any changes to the firm's ability to meet the minimum qualifications, including but not limited to updates to the legal disclosure information submitted in the firm's SOQ and changes to personnel working with the STO. **If a firm fails to submit the mandatory quarterly report within one week of the deadline (April 30, July 31, October 31, and**

January 31), the firm may be ineligible for appointments and/or suspended from the Pool.

6. PROFESSIONAL LIABILITY INSURANCE

The firm must maintain adequate professional liability (errors and omissions) insurance coverage with either a securities transaction rider or coverage without exclusion for securities transactions.

7. CALIFORNIA TAXPAYER AND SHAREHOLDER PROTECTION ACT OF 2003–U.S. EXPATRIATE CORPORATIONS (PUBLIC CONTRACT CODE SECTIONS 10286 AND 10286.1)

The STO will not contract or otherwise do business, absent a compelling public interest, with publicly held U.S. expatriate corporations. This law is designed to ensure that companies the STO conducts business with meet threshold standards of corporate accountability.

8. DARFUR CONTRACTING ACT OF 2008

The firm must comply with the Darfur Contracting Act of 2008. The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with “scrutinized” companies that do business in the African nation of Sudan (of which the Darfur region is a part), for the reasons described in Public Contract Code section 10475. A scrutinized company is a company doing business in Sudan as defined in Public Contract Code section 10476.

Scrutinized companies are ineligible to, and cannot bid on, or submit a proposal for a contract with a state agency for goods or services. [Public Contract Code section 10477(a)]. Therefore, Public Contract Code section 10478 (a) requires a company that currently has, or within the previous three years has had, business activities or other operations outside of the United States to certify that it is not a “scrutinized” company when it submits a bid or proposal to a State agency. A scrutinized company may still, however, submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from the Department of General Services (DGS), according to the criteria set forth in Public Contract Code section 10477(b).

9. ECONOMIC SANCTIONS

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine. Firms applying to the Pool must certify that they are not a target of Economic Sanctions or conducting prohibited transactions with sanctioned individuals or entities. Failure to comply may result in removal from the pool, at the sole discretion of the STO.

10. **IRAN CONTRACTING ACT OF 2010**

Once appointed to a transaction, the firm must comply with the Iran Contracting Act of 2010. The Act requires that, at the time a firm is selected for any appointment in which the firm can reasonably be expected to earn \$1,000,000 or more from the sale, the firm will be required to: a) certify it is not on the current list of persons engaged in investment activities in Iran created by the DGS pursuant to Public Contract Code Section 2203(b) and is not a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code Section 2203(c) or (d). Please note, if a firm claims the Section 2203(c) or (d) exemption, additional findings by the STO are required and will be made solely at the discretion of the STO.

With respect to any applicable bond transaction for one of the State's conduit financing authorities, the required certification shall be made prior to the authority's approval of a final resolution authorizing the issuance of bonds.

11. **TAX DELINQUENCIES CONTRACT BAN**

Public Contracting Code Section 10295.4 prohibits a State agency from entering into any contract for services with a contractor whose name appears on either the list of the 500 largest tax delinquencies produced by the Franchise Tax Board (FTB) (<https://www.ftb.ca.gov/about-ftb/newsroom/top-500-past-due-balances/index.html>) or the California Department of Tax and Fee Administration (CDTFA) (<https://www.cdtfa.ca.gov/taxes-and-fees/top500.html>).

Accordingly, the STO will check FTB and CDTFA lists to ensure proposed pool members are not on either list.

12. **CIVIL RIGHTS CERTIFICATIONS**

Once appointed to a transaction, the firm must comply with the Civil Rights Certifications (Public Contract Code Section 2010) which requires that a contractor (and its subcontractors) shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. In addition, a contractor shall ensure that the evaluation and treatment of employees and applicants for

employment are free of such discrimination. A contractor shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900 et seq.), the regulations promulgated thereunder (California Code Regulations, Title 2, Section 11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Government Code Section 11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. A contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. A contractor shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See California Code of Regulations, Title 2, Section 11105.)
