

REQUEST FOR UNDERWRITER STATEMENT OF QUALIFICATIONS

I. WORK DESCRIPTION

Pursuant to Government Code Section 5703, the State Treasurer's Office (STO) seeks statements of qualifications for municipal bond underwriting services. Commencing April 1, 2023, the STO will admit selected firms to the 2023-2025 Underwriter Pool. Firms in the pool may be appointed to underwrite (as senior manager, co-senior manager, co-manager, or as a selling group member) bonds, notes, commercial paper, and other debt obligations issued on a negotiated basis by the State of California (State), the State Public Works Board (SPWB), various State agencies, joint powers authorities in which the State or an agency of the State is a member, special purpose trusts, and for various State conduit financing authorities.

Pursuant to Government Code Section 5703(a)(4), the STO will repeat the competitive process for the selection of underwriters at least every 24 months.

A. BONDS AND NOTES ISSUED BY THE STATE OF CALIFORNIA

1. General Obligation (GO) Bonds
California voter approved bond acts (bond acts), the State General Obligation Bond Law (commencing with Government Code Section 16720), and the resolutions approved by the finance committees created under the bond acts to authorize the issuance of GO bonds. GO bonds may be issued to finance various projects under the respective bond acts, or refund outstanding GO commercial paper notes or bonds.
2. General Obligation Commercial Paper Notes (CP Notes)
Section 16731.6 of the Government Code authorizes the State to issue CP Notes for the GO bond program. The State issues CP Notes as an interim means of providing funds to the State prior to the issuance of long-term bonds authorized under the bond acts and the resolutions.
3. Revenue Anticipation Notes (RANs)
In accordance with Government Code Section 17300 et. seq., the State issues RANs, from time to time, to meet its short-term cash management needs. RANs are secured by any unapplied monies in the General Fund and must be repaid by the end of the fiscal year in which it was issued. The State has not issued RANs since fiscal year 2014-15.

B. BONDS ISSUED BY THE SPWB AND OTHER STATE AGENCIES

1. SPWB

The State builds and acquires certain capital facilities with lease-purchase borrowing. The SPWB issues lease revenue bonds to finance or refinance the construction of various facilities including, correctional facilities, court facilities, and office buildings. The State Legislature must authorize all projects through a budget act appropriation or separate legislation. These facilities are leased to a State agency under a long-term lease, which provides the source of debt service payments on the bonds.

2. Other State Agencies

State agency revenue bond issuers include, but are not limited to: the Department of Water Resources (DWR); the Department of Veterans' Affairs; the University of California; the California State University; the California Earthquake Authority; the California Infrastructure and Economic Development Bank (IBank); and the California Health Facilities Financing Authority (CHFFA) (the IBank and CHFFA are also issuers of conduit revenue bonds). These and other departments are authorized by law to issue revenue bonds which are payable from revenue-producing enterprises and projects.

3. Special Bond Issues

Occasionally, the State will issue debt by securitizing streams of revenues via a special bond issue, which are payable from anticipated reimbursements or payments such as the Tobacco Settlement Asset-Backed Bonds or the Federal Highway Grant Anticipation Bonds (GARVEE).

III. MINIMUM QUALIFICATIONS

A. ALL FIRMS

In order to be eligible for admission to the STO's 2023-2025 Underwriter Pool, all firms must meet the following minimum qualifications:

1. **Net Capital:**
The firm must maintain a minimum net capital of \$100,000 at all times. (As defined by [17 CFR § 240.15c3-1](#) - Net capital requirements for brokers or dealers.)
2. **Licenses and Registrations:**
The firm must hold and maintain at all times, all licenses and registrations required by applicable federal and state laws for businesses offering underwriting or investment banking services. All licenses and registrations must be current and in good standing with each of the following:
 - a. U.S. Securities and Exchange Commission (SEC);
 - b. Financial Industry Regulatory Authority (FINRA);
 - c. FINRA Series 53: The firm must maintain at all times, at least one full-time professional supervisory employee with a FINRA Series 53 license (Municipal Securities Principal);
 - d. California Department of Financial Protection and Innovation (DFPI): To determine the firm's DFPI requirements, please contact the DFPI at (916) 576-3638 or visit their website at <https://dfpi.ca.gov/broker-dealers-state-investment-advisers-and-sec-investment-advisers/>; and
 - e. Municipal Securities Rulemaking Board (MSRB).
3. **Bond Campaign Contribution and Services Prohibition Certification:**
Underwriting firms applying to the 2023-2025 Underwriter Pool must certify that the firm has in place a policy or procedure requiring that the firm or any municipal finance professional associated with the firm will not accept any municipal securities business with a municipal entity in California within two years of any contribution made or provided by the firm or any municipal finance professional associated with the firm to a bond ballot campaign for bonds of the municipal entity (Bond Campaign Contribution and Services Prohibition Policy).

Please see **Attachment G** for defined terms associated with this minimum qualification.

4. **Quarterly Disclosure Report:**
Firms selected as members of the 2023-2025 Underwriter Pool are required to complete a quarterly disclosure certification regarding any changes to the firm's ability to meet the minimum qualifications, the disclosure information submitted in the firm's SOQ in response to this RFQ, and any contact information changes. The firm shall fulfill this requirement by

submitting an updated Disclosure Report (a sample of the Quarterly Disclosure Report form is included as **Attachment H**) that includes disclosure of any new actions brought against the firm subsequent to its initial disclosure at the time of its application to the pool. Once disclosed, firms must continue to report on all open actions until they are resolved. If no changes or new actions have occurred, please select the appropriate box on the Disclosure Report. Required back-up documentation for the quarterly report includes, but is not limited to: copies of the firm's most recent SEC Form 10-K and 10-Q (Legal Proceedings sections only), if required by the SEC; and an updated copy of the Disclosure Event section of the firm's FINRA BrokerCheck Report including all pending, final, and on appeal regulatory, civil, arbitration, and bond events. **If a firm fails to submit the mandatory quarterly report within one week of the deadline (January 31, April 30, July 31, and October 31), the firm may be ineligible for appointments and/or suspended from the 2023-2025 Underwriter Pool.**

5. **California Taxpayer and Shareholder Protection Act of 2003–U.S. Expatriate Corporations (Public Contract Code Sections 10286 and 10286.1):**

The STO will not contract or otherwise do business, absent a compelling public interest, with publicly-held U.S. expatriate corporations. This law is designed to ensure that companies the STO conducts business with meet threshold standards of corporate accountability.

6. **Darfur Contracting Act of 2008:**

The firm must comply with the Darfur Contracting Act of 2008. The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with “scrutinized” companies that do business in the African nation of Sudan (of which the Darfur region is a part), for the reasons described in Public Contract Code Section 10475. A scrutinized company is a company doing business in Sudan as defined in Public Contract Code Section 10476.

Scrutinized companies are ineligible to, and cannot bid on, or submit a proposal for a contract with a State agency for goods or services (Public Contract Code Section 10477(a)). Therefore, Public Contract Code Section 10478(a) requires a company that currently has, or within the previous three years has had, business activities or other operations outside of the United States to certify that it is not a “scrutinized” company when it submits a bid or proposal to a State agency. A scrutinized company however, may still submit a bid or proposal for a contract with a State agency for goods or services if the company first obtains permission from the Department of General Services (DGS), according to the criteria set forth in Public Contract Code Section 10477(b).

7. **Economic Sanctions:**

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine. Firms applying to the 2023-2025 Underwriter Pool must certify that they are not a target of Economic Sanctions or conducting prohibited transactions with sanctioned individuals or entities. Failure to comply may result in removal from the pool, at the sole discretion of the STO.

8. **Iran Contracting Act of 2010:**

Once appointed to a transaction, the firm must comply with the Iran Contracting Act of 2010. The Act requires that, at the time an underwriter is selected for a State bond issuance (including the senior manager, co-senior manager, co-manager, and any selling group member that can reasonably be expected to earn \$1,000,000 or more from the sale), the firm will be required to: a) certify it is not on the current list of persons engaged in investment activities in Iran created by the DGS pursuant to Public Contract Code Section 2203(b) and is not a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code Section 2203(c) or (d). Please note, if a firm claims the Section 2203(c) or (d) exemption, additional findings by the STO are required and will be made solely at the discretion of the STO.

With respect to any bond transaction for one of the State’s conduit financing authorities, the required certification shall be made prior to the authority’s approval of a final resolution authorizing the issuance of bonds.

9. **Tax Delinquencies Contract Ban:**

Public Contracting Code Section 10295.4 prohibits a State agency from entering into any contract for services with a contractor whose name appears on either the list of the 500 largest tax delinquencies produced by the Franchise Tax Board (FTB) (<https://www.ftb.ca.gov/about-ftb/newsroom/top-500-past-due-balances/index.html>) or the California Department of Tax and Fee Administration (CDTFA) (<https://www.cdtfa.ca.gov/taxes-and-fees/top500.htm>).

Accordingly, the STO will check FTB and CDTFA lists to ensure proposed pool members are not on either list.

10. **Civil Rights Certifications:**

Once appointed to a transaction, the firm must comply with the Civil Rights Certifications (Public Contract Code Section 2010) which requires that a contractor (and its subcontractors) shall not deny the contract's benefits to any person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. In addition, a contractor shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. A contractor shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900 et seq.), the regulations promulgated thereunder (California Code Regulations, Title 2, Section 11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Government Code Section 11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. A contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. A contractor shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See California Code of Regulations, Title 2, Section 11105.)

B. APPOINTMENT AS A SENIOR MANAGER, CO-SENIOR MANAGER OR CO-MANAGER ON STATE BOND ISSUES

F. DISABLED VETERAN BUSINESS ENTERPRISES

State law establishes participation goals of three percent for Disabled Veteran Business Enterprises (DVBEs) in contracts for professional bond services awarded by State agencies. These goals apply to the annual dollar amount expended on professional bond services. In the case of underwriting firms, this includes all fees related to the issuance of bonds, such as management fees and takedown. DVBE certification is obtained through the California Department of General Services (DGS)

<https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Certify-or-Re-apply-as-Small-Business-Disabled-Veteran-Business-Enterprise>).

Firms requesting DVBE status must submit their California DGS DVBE Certificate with the SOQ, and resubmit annually as the California DGS DVBE Certificate is renewed.

G. MINORITY/WOMEN BUSINESS ENTERPRISES

Although State law prohibits the use of participation goals for Minority Business Enterprises (MBEs) or Women Business Enterprises (WBEs) (California Constitution Article I, Section 31), it does require the STO to report annually to the Governor and the Legislature on the level of participation by MBEs and WBEs in contracts for professional bond services awarded (Government Code Section 16855). The STO requests businesses disclose this information, on a voluntary basis, by completing **Attachment O**. The STO uses this information for reporting purposes only and not for the purpose of underwriter appointments.

H. STO SMALL BUSINESS ENTERPRISE PROGRAM

In an effort to assist small businesses in public finance development, and to increase the potential distribution of the State's bonds, the STO has developed a Small Business Enterprise (SBE) Program for members of its 2023-2025 Underwriter Pool. A small business enterprise is defined as one that is independently owned and operated, with average annual gross receipts of \$47.0 million or less, averaged over the previous three most recently completed fiscal or taxable years. (SBE size is as defined by the U.S. Small Business Administration for NAICS Code 523150 Investment Banking and Securities Dealing.) Wholly owned corporate subsidiaries of corporations shall be eligible for certification as a Small Business Enterprise only if the parent corporation certifies as a Small Business Enterprise. Subsidiaries of Small Business Enterprise corporations that are not wholly owned by the Small Business Enterprise Corporation shall be ineligible for certification as a Small Business Enterprise. Membership in the SBE program does not guarantee an appointment to a bond sale and is used exclusively by the STO. Firms that wish to participate in the SBE program must complete and submit **Attachment P**.

VIII. SELECTION OF UNDERWRITERS

In accordance with Government Code Section 5703, the State Treasurer's Office will exercise sole authority for selecting underwriters for each negotiated sale.

The STO may occasionally seek ideas, advice, and proposals from pool members. Inclusion in the pool, providing ideas, advice, or proposals does not offer any assurance that a firm will be appointed to any transaction.

Although the STO does not select underwriters' counsel, the STO must be consulted about such counsel prior to any appointment. If underwriters expect reimbursement for underwriters' counsel fees, the underwriters will be required to justify the proposed fees as reasonable in accordance with the STO's Underwriter's Expense Policy.

X. ONGOING COMPLIANCE WITH MINIMUM QUALIFICATIONS

To remain in the 2023-2025 Underwriter Pool and eligible for appointments, firms must meet the minimum qualifications described in Section III.A. at all times. In addition, firms seeking eligibility for appointments as a senior manager, co-senior manager, or co-manager on State Bond Issues (excludes State conduit financing authority transactions) must meet the additional minimum qualifications in Section III.B at all times.
