Delegation of Powers, Resolution No. 2019-03

**Investment in Mental Health Grant Program for Children and Youth (CY)
County of Sacramento, Resolution No. CY 2021-05
(Second Funding Round)**

April 30, 2026

BACKGROUND: On April 29, 2021, the Authority approved a CY grant award for the County of Sacramento (County) in the amount of \$2,950,000.00 to develop a new family respite care facility to provide respite care for children and youth ages six to seventeen and their families (Resolution No. CY 2021-05).

The Authority received a request from the County dated March 9, 2026, to extend its milestone condition deadline to be open and operational from April 1, 2026, to May 30, 2026, a 60-day extension.

The County has confirmed that construction for the facility is complete, and a service provider contract has been executed, but that additional time is required to receive and install furniture and equipment, which has already been purchased. The County anticipates the program will be open and operational by May 30, 2026.

The County's grant period and resolution expiration date for this grant is June 30, 2026.

ACTION: In consultation with STO legal counsel, who confirmed that the action fell within the Executive Director's delegated authority under Resolution No. 2019-03, the Executive Director executed the milestone extension on April 1, 2026.
